Program Request

Dear Sponsor,

June 29, 2021

Our program is designed to steer our students toward the joys and rewards of a higher education. Our primary mission is to promote physical fitness, healthy eating and financial literacy. Thank you for helping us assist in this mission. With your departments help, we would like to offer our free mentoring program to the students in our area. We are seeking a formalized agreement to provide the county this free service. Below are some important points about our program that we want to share.

1. **All participation is free.** There will be no charge for our program or demonstrations. There is however a \$16.00 insurance policy fee if a student chooses to play on one of our sports teams or extra extracurricular programs.
2. **All fees waived.** All directors, mentors, coaches, and guest are volunteers. No fee is ever charged.

We are requesting one evening at the Landmark Community Center from approximately 6:30pm to 8:30pm. We are requesting this location because it is centrally located, provides all the required equipment and is not presently at full capacity. It also has rooms for classes/meeting, a multi-sport court, and a stage for performance arts events. This location is equipped with a check in system and all our participants must pre-register through our official website. This gives us a double layer of security. Once a student registers on our site, they will be directed to the community centers registration page where they will be instructed on how to sign up for a free facility pass. Now the student will simply scan upon entry into the community center. We anticipate 20 -30 participants per meeting and would like to implement a year-around program. Another huge benefit to this location would be our ability to meet a generous group of volunteers in one location. As most of

our volunteers are parents of our participants, having adequate meeting, exercising, and lounging space would greatly enhance their desire to stay as their student is participating. Because these volunteers are giving of their time and money, we would like to offer them a comfortable place to meet, plan or work off the day's stress. The evening hours were designed so we would not interfere with school hours during the academic year. Our program is initially designed for one evening a week but will consider other added locations should the program grow. We have found that more participation is generally from Tuesday to Thursday evenings.

Below is a typical daily overview.

- 6:30pm Sign in
- 6:30pm – 6:45pm Stretching Exercise: All Participants
- 6:45pm – 7:00pm Financial Literacy: Banking, demonstration, and presentations
- 7:00pm – 7:15pm Healthy Eating: Tips, demonstrations, and presentations
- 7:15pm – 8:10pm Rotating Skill & Drill, Game Play, Performances & Contest
- 8:10pm – 8:25pm Guest Speaker
- 8:25pm – 8:30pm Closing and exit

The most important part of this programs' success is how well we market it to our community. **The best method is a colorful flyer at the location so all citizens can see it when they enter the facility.** An announcement on Fort Bend's official site would also be extremely helpful. Listing our program under the youth programs section of your site would also steer participants to our program. We will supply all the promotional material required. We will also promote the program on our official site, email marketing plan, Facebook ad (Paid and free), Instagram, Twitter, press release and good old word of mouth.

Reginald W. Hardy Sr., President
