Subject: Grant Funded Position Requests

On behalf of Health and Human Services, Human Resources is submitting requests for a number of additional positions within the HHS organization that will be funded by the ARPA grant funds allocated to the department.

HR reviewed the positions as to Salary Structure and Grade placement via the Job Evaluation Questionnaire process. Human Resource recommends the noted salary placement of each position, should Commissioners Court approve addition of these various positions.

Please contact Health and Human Services if you require further information regarding the grant positions.
