If any event constituting a Force Majeure occurs, the affected party shall notify the other parties in writing, within twenty-four (24) hours, and disclose the estimated length of delay, and cause of the delay.

- 2.18 Assignment-Delegation: No right or interest in an order shall be assigned or delegation of any obligation made by Seller without the written permission of Fort Bend County. Any attempted assignment or delegation by Seller shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.
- 2.19 Waiver: No claim or right arising out of a breach of any contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waived or renunciation is supported by consideration and is in writing signed by the aggrieved party.

No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any terms rendered under this agreement and shall not be relevant to determine the meaning of this agreement even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in this agreement, the definition contained in the Code is to control.
- 2.22 Applicable Law: This agreement shall be governed by the Uniform Commercial Code. Whenever the term "Uniform Commercial Code" is used it shall be construed as meaning the Uniform Commercial Code as adopted in the State of Texas and in effect on the date of the purchase order.
- 2.23 Advertising: Seller shall not advertise or publish, without the County's prior consent the fact that Fort Bend County has entered into any contract, except to the

Initials of Bidder RF

extent necessary to comply with proper requests for information from an authorized representative of the federal, state, or local government.

- 2.24 Right to Assurance: Whenever the County in good faith has reason to question the other party's intent to perform. The County may demand that the other party give written assurance of his intent to perform. In the event that a demand is made and no assurance is given within five (5) days, the County may treat this failure as an anticipatory repudiation of the contract.
- 2.25 Venue: Both parties agree that venue for any litigation arising from this contract shall lie in Richmond, Fort Bend County, Texas.
- 2.26 Prohibition Against Personal Interest in Contracts: No officer or employee of the County shall have a financial interest, direct or indirect, in any contract with the County, or shall be financially interested, directly or indirectly, in the sale to the County of any land, materials, supplies, or service, except on behalf of the County as an officer or employee. ## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/FormW9](http://www.irs.gov/FormW9).

## Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

**Note.** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

## Backup Withholding

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II Instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

## What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

**Note.** You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

**Line 5**

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

**Line 6**

Enter your city, state, and ZIP code.

**Part I. Taxpayer Identification Number (TIN)**

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note.** See the chart on page 4 for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at [www.ssa.gov](http://www.ssa.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/businesses](http://www.irs.gov/businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting [IRS.gov](http://IRS.gov) or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note.** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

**Signature requirements.** Complete the certification as indicated in items 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

## Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN.
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

**Protect yourself from suspicious emails or phishing schemes.** Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4464. You can forward suspicious emails to the Federal Trade Commission at: [spam@uce.gov](mailto:spam@uce.gov) or contact them at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or 1-877-IDTHEFT (1-877-438-4338).

Visit [IRS.gov](http://IRS.gov) to learn more about identity theft and how to reduce your risk.

## Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

## DIRECTIVE

**TO:** Voter Registrars

**FROM:** Keith Ingram, Director of Elections 

**SUBJECT:** Voter Registration Certificate

**AUTHORITY:** Texas Election Code Sections 31.002 and 31.003

**EFFECTIVE DATE:** September 20, 2021

### 1. SUMMARY AND PURPOSE

1.1 In accordance with Texas Election Code Section 31.003, this directive establishes the requirements for voter registrars to issue voter registration certificates.

### 2. DESCRIPTION OF CERTIFICATE

2.1 **MODIFICATIONS.** The certificate has been designed to meet the content requirements of Texas Election Code Sections 15.001, 15.002, and 15.003, Texas Administrative Code, Title 1, Part 4, Chapter 81, Subchapter A, RULE §81.10, bilingual requirements of the Federal Voting Rights Act, 52 U.S.C. Section 10503, the mailing requirements of Texas Election Code Sections 14.001 and 14.002, and regulations of the United States Postal Service regarding size, thickness of paper, address placement, and postage. Various other exigencies such as horizontal and vertical spacing for computers have been considered. To avoid any possible violations of state or federal law, **no change to the specifications of the certificate, as provided by this directive, may be made without prior written approval by this office.**

Pursuant to Section 15.001 of the Texas Election Code, voter registrars must place the jurisdictional or distinguishing number for the following seven territorial units in which the voter resides: 1. United States Representative; 2. State Senate; 3. State Representative; 4. County Commissioner; 5. Justice of the Peace; 6. City district code; and 7. School district code on the certificate. Section 15.002 authorizes, but does not require, the voter registrar to place up to seven additional jurisdictional designations on the certificate. The Secretary of State has prescribed a certificate with ten boxes for placement of district information, seven for the required districts and three for the optional districts. The Postmaster in Austin has approved this format. Our office recommends that the local postmaster approve the placement of district numbers on the certificate prior to printing if you are using any other format than the one prescribed. Any combination of the three optional district codes may be chosen by the voter registrar for inclusion on the certificate without prior approval.

The TEAM System prints the mandatory seven jurisdictions and provides an option to print up to three more jurisdictions on the certificate. TEAM will preprint the boxes on the certificates as well as the jurisdiction type. The boxes with voter unique identifier (VUID), year of birth, and valid from date, will also be printed by TEAM and not preprinted on the card stock by your printer. There are two layouts, one for TEAM counties who will actually use TEAM to print voter information on the certificate and one for offline counties and TEAM counties who will contract with a private vendor to print voter data on the certificates. Offline counties must use the layout of the form enclosed but if they wish to print the maximum 14 jurisdictional boxes, they will have to work with their local postmaster on the design.

The Secretary of State has authorized the printing of the 10-digit VUID number in a barcode format in addition to a numeric-value format. The numeric-value format of the VUID number must be printed in the box specifically provided for the VUID number. The barcode-format number may be placed anywhere on the card as long as it does not interfere with postal regulations, and nothing is deleted from the card as prescribed. It is recommended that a universal-product barcode be used rather than the type of barcode that is used for zip codes, which is an intelligent mail barcode. Again, for placement of a barcode-format VUID number, you must coordinate the printing with the postmaster to ensure that it complies with other postal requirements. TEAM will default to print the barcode of the VUID above the name of the voter on the mailing address side of the certificate.

**2.2 SIZE.** The postcard certificate is 4 1/8" x 6." The postcard is sized to accommodate space for barcoding the zip code. Even if you do not plan to barcode the zip code on the certificate prior to mailing, you must ensure sufficient room for the barcode strip area because the post office will prepare the mail piece for automation by placing a barcode strip, which includes delivery point validation on the certificate. The counties will not receive any postal discount if the post office has to barcode the mail piece. The post office has advised our office not to print any type of barcode for the zip code if it is only going to be the 5-digit or 9-digit zip code.

Counties using the Secretary of State's TEAM system must print their certificates exactly as shown on the attached sample(s). The layout of the certificate must be exactly as shown on the sample. If a laser printer is used, the certificates must be printed on an 8½" x 14" sheet of paper with a 1" gripper at the top and a 1¼" margin on the left side of the paper. Counties using the on-line system cannot barcode the zip code. It is imperative that your printer uses the Secretary of State's layout of the certificate to ensure proper placement of information. Since the TEAM system will be printing the boxes, box types, and jurisdictional numbers, the alignment of information should not be an issue. Please ask your printer to send a proof of your certificate for layout purposes before they are printed to our office for pre-approval. We encourage you to send us your proofs in order to ensure that they are compatible with the TEAM system.

**2.3 COLOR AND PAPER SPECIFICATIONS.** The color for the 2022-2023 certificate is Pantone 283 (Blue). The stock is white index or the equivalent. To meet postal requirements, the paper must be at least .007" thick and not more than .016" thick. The sample attached is printed on #110 index. When paper is manufactured, there can be a variance in the thickness of the paper, so be sure to state in the specifications that the paper must meet postal requirements for calibration. The front side of the certificate is to be printed with Pantone 283 (Blue). The language on the certificate will be in black ink. Using the Pantone 283 (Blue) to "color" the paper will ensure that all certificates are printed uniformly across the state. The backside of the certificate may be either printed with the Pantone 283 (Blue) color or left plain white. The sample attached shows the area that is to be printed in Pantone 283 (Blue) at 100% solid.

**2.4 FORMAT.** The voter registrar's name, telephone number, and return address must be printed in the upper left-hand corner above the dotted line. Modules 202.4.3 and 202.4.4 of the Domestic Mail Manual

## DIRECTIVE

### Page 3

("D.M.M.") requires the postal endorsement "RETURN SERVICE REQUESTED" to be placed ¼" below the return address. The word "Postmaster" is NOT used in conjunction with the endorsement. See Section 3 of this directive for further discussion. "Secretary of State's Office, Elections Division" and the Secretary of State's toll-free number (1-800-252-8683) must be printed directly across from the voter registrar's name and address, as indicated on the attached sample card. The name of the voter registrar's county must be printed directly below the words "Voter Registration Certificate" as indicated on the attached sample card. The state seal is placed to the left of the name of the county. Counties using the Secretary of State's TEAM system must have the county name and the voter registrar's return address and phone number preprinted on the certificate card stock. It is recommended that all counties use a non-bold, 4 pt. sans-serif font for the return address information.

2.5 VUID NUMBER. Use the ten-digit VUID number already assigned to the voter.

2.6 VALID FROM-THRU. The "VALID FROM" date on all renewal certificates issued to registered voters is JANUARY 1, 2022. The certificate will expire on DECEMBER 31, 2023, and that date shall appear on the certificate below "THRU." See Section 3.4 of this directive for the period for mailing renewal certificates.

New registrants whose applications are received and accepted after the 30TH DAY BEFORE JANUARY 1, 2022 will be issued an initial certificate, and the "VALID FROM" date on the certificate is the same as the effective date of registration. Renewal certificates need not be issued in this instance. See Section 4 of this directive for information regarding new registrants whose registrations will be effective on or after NOVEMBER 15, 2021, but before JANUARY 1, 2022.

For a voter who changes his or her name or changes his or her address, the "VALID FROM" date on the corrected certificate is the date the change becomes effective. These changes become effective on the 30th day after the voter registrar receives notice of the change. If a registered voter requests a replacement certificate because his or her original certificate has been lost or destroyed, the "VALID FROM" date on the replacement certificate is the same as the date on the certificate that is being replaced. The replacement certificate must have a notation that it is a replacement certificate. The word "replacement" should be printed vertically below the seal.

2.7 INFORMATION ON CERTIFICATE. Texas Administrative Rule §81.10 outlines the requirements regarding the name of the Voter to print on the Voter Registration Certificate. Section 15.001, Election Code requires that "Each voter registration certificate issued must contain the voter's name in the form indicated by the voter, subject to applicable requirements prescribed by Section 13.002." By rule of the Secretary of State: (a) The phrase "The voter's name in the form indicated by the voter" in Texas Election Code §15.001 shall not be read to include a former name provided by the voter on the voter registration application; and (b) The voter's name as it appears on the voter registration certificate shall reflect the information provided by the voter on the most recent application supplied by that voter to the voter registrar. The name on the voter registration certificate shall be restricted to first name, middle name (if any is supplied by the voter on the most recent application), and last name (including suffix, if any). The voter registrar may also include abbreviations of names indicated on the voter registration application. The name of the voter printed on the certificate must be sufficient for the election judge to be able to identify the voter. For instance, the voter registrar may not routinely print "P.D. Smith" if the voter has indicated on his application the name "Paul David Smith." Nicknames may not be used unless the voter indicated a nickname as his or her name on the application. The year of birth (not birth date) and election precinct number must be indicated on the certificate, as well as the permanent residence address (and the mailing address, if these two addresses

## DIRECTIVE

### Page 4

are different). The voter registrar will print the mailing address on the right-hand side of the card. The permanent residence address or a concise description of the location of the permanent residence must be printed on the left-hand portion of the certificate. If the complete descriptive address will not fit on the certificate, then the address may be truncated.

The certificate may include a designation of gender if gender has been provided on the application. If gender is not provided on the application, either leave the field blank or specify "U" in the gender field on the voter registration certificate to indicate it was unspecified. The TEAM System prints the gender information, including the "U" designation, in a preprinted box on the certificates. Offline counties may use the space designated for Gender to print the county's internal Legacy ID registration number but would need to obtain pre-approval from the Secretary of State. To obtain approval for this alteration a sample certificate with the proposed modification should be provided.

**2.8 BACK OF CERTIFICATE.** The prescribed language on the back of the certificate instructs the voter concerning the requirements that may be required at the polling place and instructs the voter to correct information on the front of the card by making corrections in the space provided on the back of the certificate. The Secretary of State by this directive requires that the information be printed on the back of the certificate as shown on the attached sample. Changes in the prescribed text are not permitted without prior written approval of this office.

**2.9 PARTY AFFILIATION.** The space for stamping party affiliation is placed vertically on the front of the certificate.

**2.10 AREA FOR POSTAL INFORMATION.** The right half of the front of the certificate must be left blank, except for mailing address and postage, barcode for VUID and information in the shaded blue area. Information that is printed in the address area of the certificate must have a 1/8" clear space around the name and address. See Section 2.1 of this directive for exceptions.

## 3. MAILING OF CERTIFICATE

**3.1 POSTAGE.** The voter registrar mails the certificate with first-class postcard postage or, if mailed in an envelope, first-class-letter postage. The Texas Election Code requires that the certificate be mailed by nonforwardable mail. The voter's tax statement may not be included in the same envelope.

Module 202.4.4 of the Domestic Mail Manual provides for the endorsement to the postmaster on the certificate. The endorsement must be printed in at least 8pt. type and must appear at least 1/4" below the voter registrar's return address. There must also be a 1/4"-clear space below the endorsement. The attached sample of the certificate shows the correct placement of the endorsement. The certificate will be returned free of charge to the voter registrar when mailed at either first-class postcard or first-class letter rate. The voter registrar will receive an address correction at no extra charge when the certificate is returned with the endorsement "RETURN SERVICE REQUESTED." There is no charge for this service since the new address will appear on the original mail piece. (DMM Exhibit 1.5.1, Domestic Mail Manual)

If an envelope is used to mail the voter registration certificate, the instruction to the postmaster, "RETURN SERVICE REQUESTED," must be printed on the front of the envelope at least 1/4" below the return address of the voter registrar. There must also be a clear space of 1/4" below the endorsement.

## DIRECTIVE

### Page 5

Postage must be paid from the county's budget. The Secretary of State is not authorized to pay for the mailing of the certificates. Funds received under Sections 19.001-19.006 of the Texas Election Code may not be used for payment of postage for mailing certificates. Funds received from the Secretary of State and maintained by the voter registrar or post office in the voter registration application business reply account (Permit 4511) may not be used to pay for mailing voter registration certificates.

The certificates may be mailed at a lower first-class-postage rate, for example, by carrier route or barcoding the zip code. To take advantage of the lower postage rate, the mailing list must be certified that it has been updated within 95 days of the mailing. Contact your local postmaster for various ways to prepare your mailing to obtain the lowest possible postal rate.

**3.2 POSTAL REQUIREMENTS FOR POSTCARDS.** If the certificates will be mailed as postcards rather than in envelopes, certain postal requirements must be met. Any preprinted information on the right-hand side of the card must be shaded. (See attached sample certificate and Domestic Mail Manual 201.1.2.6) The area reserved for the address is white and must be at least 2 1/8" long and 1" high. The U.S. Post Office requires all certificates mailed as postcards to be presorted.

**3.3 COORDINATION WITH LOCAL POSTAL AUTHORITIES.** The voter registrar should coordinate with the local postmaster before the mailing date. Postal regulations have become very complicated, and we highly recommend that the local postmaster be consulted prior to printing the certificates.

**3.4 MAILING DATE.** The voter registrar shall issue a voter registration renewal certificate to each voter in the county in Active Status whose registration is effective on the preceding November 14. The mailing shall occur between November 15 and December 6 of each odd-numbered year. **However, due to redistricting activities this year, it is possible that these dates may change. PLEASE DO NOT MAIL OUT RENEWAL CERTIFICATES UNTIL ADVISED TO DO SO BY THE SOS ELECTIONS DIVISION.**

## 4. NEW REGISTRATIONS

**4.1 BEFORE EFFECTIVE DATE.** Persons who register to vote whose registrations will become effective after NOVEMBER 14, 2021, and before JANUARY 1, 2022, may be issued initial certificates for the remainder of the voting year (Orange certificate). The "VALID FROM" date on the initial (Orange certificate) certificate is the effective date of registration, and the "THRU" date is DECEMBER 31, 2021. The voter registrar must issue renewal certificates (Blue certificate) to the voters. The "VALID FROM" date on the renewal certificate will be JANUARY 1, 2022, and the "THRU" date will be DECEMBER 31, 2023. Proof of issuing a renewal certificate is required, and instructions in Section 4 of this directive should be followed to provide such proof.

## 5. "SUSPENSE" VOTERS

**5.1** Voters who have been mailed a confirmation notice prior to the Mass Mail Out but failed to respond to the notice are designated with an "S" on the list of registered voters. These voters are NOT mailed a renewal certificate.

**5.2** If a voter responds to the confirmation mailing after the Mass Mail Out, correct the voter's registration information, remove the "S" designation, and mail the voter a renewal certificate with the new information.

## 6. RETURNED CERTIFICATES

6.1 CONFIRMATION NOTICE. In accordance with Section 14.023, Election Code, the voter registrar is required to mail, after January 1, 2022 but no later than March 1, 2022, a confirmation notice and response form to each voter whose renewal certificate was returned as undeliverable. If the post office provided a forwarding address on the returned certificate, the confirmation notice and response form must be mailed to the address given. If the post office did not provide a forwarding address, the confirmation notice and response form must be mailed to the last known mailing address of the voter. In any case, the confirmation notice and response form must be mailed by forwardable mail.

6.2 DESIGN. The Secretary of State has prescribed the wording of the confirmation notice and response form, but has left the design for printing to the voter registrar's discretion. Coordinate with the postmaster to determine the most efficient way to mail the confirmation notices and receive the response forms.
