RE: Major Thoroughfare Plan modifications to the Grand Parkway Segment C, the Fort Bend Parkway Toll Road, and Unnamed Collector

Dear Judge George:

Fort Bend County Engineering respectfully requests modifications to the Fort Bend County Major Thoroughfare Plan (MTP). The requested modifications are as follows:

- **Grand Parkway Segment C and Fort Bend Parkway Toll Road** – adjust roadway alignments and relocate the intersection of the proposed toll roads approximately one mile south of the current location, as shown in the attached exhibit.
- **Unnamed collector** – remove unnamed Collector between Smithers Lake Road and FM 762.

A copy of the map is attached for your review. The public hearing date for acceptance of the change is being scheduled. If you should have any questions, please give me a call 281-633-7515.

Sincerely,
