CONSENT TO ENCROACHMENT – SURFACE WATER TRANSMISSION LINE

THE STATE OF TEXAS §
§ KNOW ALL MEN BY THESE PRESENTS
COUNTY OF FORT BEND §

THAT, Fort Bend County Levee Improvement District No. 17 ("LID 17") owns the following real property in Fort Bend County, Texas:

A 0.093 acre tract of land situated in the Alexander Hodge League Survey, Abstract No. 32, and the S.M. Williams Survey, Abstract No. 97, City of Sugar Land, Fort Bend County, Texas, and being out of the Residue of the called 22.118 acre tract conveyed unto Fort Bend County Levee Improvement District No. 17 as recorded under Instrument No. 2009130558 of the Official Public Records of Fort Bend County, Texas (the "LID 17 Property").

By instrument recorded in File No. 8904053 of the Fort Bend County Real Property Records, Fort Bend County Drainage District ("District") was granted a 135' wide right of way easement across the LID 17 Property, described as follows:

Tract #3. A tract of land containing 20.6834 acres, located in the Alexander Hodge League A-32, Fort Bend County, Texas, said tract being out of the State of Texas 5202.88 acre tract as recorded in Vol. 152, Pg. 425, Fort Bend County Deed Records (the "District Easement").

The City of Sugar Land, Texas ("City") is requesting permission from the District to lay, construct, reconstruct, install, maintain, repair, modify, replace, relocate (within the District Easement), remove, use, and operate one or more lines, pipes, conduits, and related facilities for the collection and conveyance of water (the "Improvements") within the District Easement, as described in Exhibit A, and shown in Exhibit B ("Encroachment Area"). The District agrees to give the City consent to lay, construct, reconstruct, install, maintain, repair, modify, replace, relocate (within the District Easement), remove, use, and operate the Improvements within the District Easement under the conditions of this Consent to Encroachment.

In consideration of the granting of this Consent to Encroachment, the District agrees as follows:

1. The District's consent to encroachment is limited to the location of the Improvements as described and shown in Exhibits A and B.
2. The City will comply with all governmental laws and regulations applicable to the laying, construction, reconstruction, installation, maintenance, repair, modification, replacement, relocation, removal, use, and operation of the Improvements.
3. Prior to the construction and installation of the Improvements, City shall submit for review and approval by District a summary of the proposed Improvements to be constructed and installed in the District Easement. Such submission shall include design plans, diagrams, and specifications showing the location of the proposed Improvements, the manner of construction, and the materials to be used therein. City shall also obtain the necessary and requisite permits for any work within the District Easement. No such construction or installation of the Improvements shall proceed without the express written approval of District.
4. After the construction of the Improvements, the City must perpetually maintain and keep the Improvements within the District Easement in good condition and repair, and the City is solely liable for the cost of laying, construction, reconstruction, installation, maintenance, repair, modification, replacement, relocation, removal, use, and operation of the Improvements.
5. The City may not construct, install or maintain the Improvements within two feet (2') vertically or horizontally from any other public utility facility located within the District Easement.
6. Nothing in this Consent to Encroachment shall be deemed to waive, modify or amend any legal defense available at law or in equity to either the District or the City, or their officers or employees nor to create any legal rights or claims on behalf of any third party. Neither the District or the City, nor their officers or employees waives, modifies or alters to any extent whatsoever the availability of the defense of governmental immunity under Texas law.
7. This Consent to Encroachment shall be binding on the parties' successors, assigns, and grantees.
8. Nothing herein shall be construed to be waiver of any restrictions or ordinance, nor shall it be construed to be a waiver of any permits or approval of any third parties, governmental or otherwise, for the construction of structures except as herein provided.

9. This Consent to Encroachment is not effective until the City records an executed copy in the Real Property Records of Fort Bend County and provides a recorded copy of the recorded instrument to the District. The City's obligations contained in this Agreement run with the land.
