**RE: Renewal of Monitoring Well License; L2532**

Dear Judge KP George:

The term of the subject monitoring well license will expire on December 31, 2021. CenterPoint Energy is willing to extend the time period covered by the subject license for an additional five-year period as provided in the license instrument. The new license rental rate will be **\$1,500.00 per year**. Please have this agreement letter executed by the appropriate party, and return one original, along with a check in the amount of **\$1,500.00** as the next period's rental.

You will be invoiced **\$1,500.00 per year**, as rental for the license. CenterPoint Energy explicitly reserves the right to change the rental rate based on property values in the vicinity of the licensed area. Rates are typically reviewed at the end of the five-year license period. Upon receipt of the signed agreement and payment, CenterPoint Energy will update its records to indicate that the license has been renewed for an additional five-year period.

**This agreement will cover the next 5-year period beginning 01/01/2022 and expiring on 12/31/2026.**

Regards,

Jasmine Brown  
Right of Way Agent  
Land and Field Services
