The Recipient agrees that if it receives Federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and Emergency Assistance Act, a different Federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement, it will provide written notification to FTA, and reimburse FTA for any Federal share that duplicates funding provided by FEMA, another Federal agency, or an insurance company.

Per ARP, the project in this application is not required to be programmed in the Long-Range Transportation Plan, Statewide Transportation Plan, or Statewide Transportation Improvement Program.

METRO, designated recipient for Houston UZA, has deemed the requirement to expend at least one percent of the amount apportioned on "public transportation security projects" is unnecessary. Current annual security projects exceed the 1% requirement because security expenses have been funded from local, other FTA, and Department of Homeland Security funds.
