Re: Public Road Connection at FM 1464 for Trillium Bend Lane on behalf of TPHTM 1464, LLC. and FBC MUD 255 – Sponsorship

Honorable Judge George:

Fort Bend County Engineering Department has received and reviewed a request (letter attached) from Costello Inc. on behalf of TPHTM 1464, LLC., for Fort Bend County to sponsor a project for a public road connection for Trillium Bend Lane at FM 1464. The road connection will provide the primary point of access for the Trillium Development.

Any and all cost involved with the project will be borne by TPHTM 1464 LLC., and FBC MUD 255. There will be no cost to Fort Bend County.

The Texas Department of Transportation requests that an agency, such as Fort Bend County, act as a sponsor for the project. This means that the permit for the work will be issued in the name of Fort Bend County and the County accepts responsibility for the terms and conditions of the permit.

We recommend acceptance of the sponsorship and request that this item be placed on the 02/22/2022 Commissioners Court agenda. We have prepared a letter to Texas Department of Transportation for the County Judges' signature.

If there are any questions please do not hesitate to call.

Sincerely,

Maggie Dalton
Development Services Manager

Request for Sponsorship Letter
Proposed Street Tie-In at FM 1464 for Trillium Development
Fort Bend County, Texas
C.I. Job No. 2021-006-TIA

Dear Honorable Judge KP George:

We respectfully request that Fort Bend County consider sponsoring the project referenced above. The Texas Department of Transportation ("TxDOT") will only consider a permit for the street tie-in of *Trillium Bend Lane* at FM 1464 if you agree to sponsor the work on behalf of Fort Bend County Municipal Utility District No. 255 (the "District"). This will provide the primary point of access for the Trillium development.

We are preparing the street connection permit application to submit to TxDOT for the proposed *Trillium Bend Lane* Street Tie-in to FM 1464. TPHTM 1464, LLC, the developer, will fund the cost of the construction. There will be no expense to Fort Bend County. The attached construction plan drawings were prepared in accordance with TxDOT's street tie-in permit requirements.

Please contact me if you need further information or have any questions.

Sincerely,
Costello, Inc.
