Due to the increased number of participants, C.O.P.S. reserves the right to add additional hotels for NPW. The amount of rooms requested will also be a determining factor in hotel placement. C.O.P.S. will attempt to keep families together, but encourages registering early to increase chances of this.

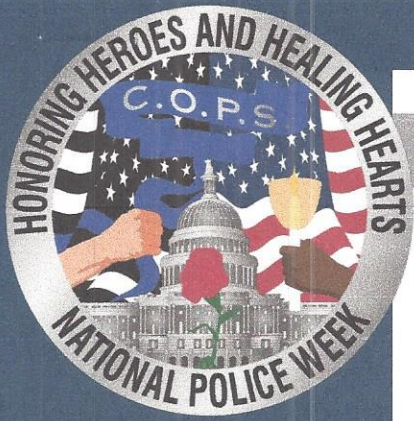

C.O.P.S. secures private discounted hotel blocks for each hotel. In order to secure this discounted rate, you must register through C.O.P.S. prior to the deadline. C.O.P.S. will then submit your reservation request to the hotel. Credit cards will not be charged until you check in at the hotel. C.O.P.S. will not be responsible for finding hotel accommodations for anyone that responds after the deadline date of March 25, 2022.

A credit card is mandatory to hold hotel rooms through C.O.P.S. ***If you are an agency planning to book more than 10 rooms, please contact Shanna Rizer at the National C.O.P.S. Office at shanna_rizer@nationalcops.org.***

If you are an agency or C.O.P.S. chapter paying for a survivors hotel stay, you must wait until your confirmation number is received and then contact the hotel directly to setup payment. All guests will be required to provide some form of payment at check-in. If you cancel your reservation within **72 hours** of arrival, you may be charged for the duration of your stay. Confirmation #'s will be sent out in late April or early May via the hotel to the email address provided on your registration.
