Re: 2022 Preliminary Estimate of Value

Dear Carmen P. Turner,

The Fort Bend Central Appraisal District is required by the Texas Property Tax Code to deliver certified preliminary estimates of the taxable values of property on or before April 30<sup>th</sup> of each tax year. Attached is a copy of your entity's preliminary estimates of values as of April 3, 2022. Please keep in mind that, although certified, this is still an estimate.

It is very early in the process and there are upcoming events that will impact values prior to appraisal roll certification. A large number of personal property accounts are expected to submit renditions between now and the May 15 extended deadline. Additionally, values may be impacted by applications for freeport exemptions, agricultural valuation, other late exemption applications, and abatements, as applicable.

The majority of notices of appraised value for real property accounts were mailed the first week of April. The protest deadline for these accounts is May 16, 2022. If any property owner has questions regarding an appraisal notice, please encourage them to contact our office prior to the protest deadline.

Almost every property in Fort Bend County is seeing a value increase this year due to the historically active real estate market. As a result, we anticipate the protest volume will be near or above record levels. Because of the number of protests, there could be significant changes between this estimate of value and the certified appraisal roll in July. This year, we are again providing you with a suggested reduction amount to reflect the uncertainty of the upcoming protest process. The suggested amount was determined following a review of prior-year data (enclosed).

The Appraisal Review Board (ARB) is scheduled to begin hearings on May 17<sup>th</sup>. We anticipate the ARB will approve the records on July 20<sup>th</sup>. Once the records are approved, the appraisal district will work quickly to provide you with a copy of your entity's certified appraisal roll. If the appraisal roll is not approved timely, then pursuant to Tax Code Section 26.01(a-1) the appraisal district will provide you with an estimate of taxable value no later than July 25<sup>th</sup>.

Our office wants to work with you during this time to ensure that you have the information necessary for your taxing entity's processes. We are available to assist you in determining the values of property in your taxing unit for budgetary purposes should you need it. Please do not hesitate to contact me with any questions or concerns regarding your preliminary values.

Sincerely,

Jordan T. Wise, RPA, CTA, CCA  
Chief Appraiser
