General Information

1. Describe the proposed project(s) for which the funds will be used. *

Fort Bend County (FBC) will use funds for the purchase of miscellaneous equipment, including replacement cameras for existing vehicles and bus wraps for replacement and expansion service vehicles.

FBC provides general public demand response and commuter services. All services operate Monday through Friday (excluding County Holidays). Demand Response services operate to accommodate the first drop-off by 8:00 am and last pick-up by 5:00 pm. Demand Response trips are provided within the County limits and/or to destinations in adjoining counties within one (1) mile of the Fort Bend County line. Advanced reservations are required and can be requested up to thirty (30) calendar days in advance. Requests are taken on a first-come, first-serve basis.

FBC provides additional services such as the Ambassador Program wherein passenger assistants help passengers with disabilities to and from their destinations. FBC continues to plan with human service agency transportation providers within the County and continues to stay involved in the region's public transportation efforts.

Commuter services are provided to Greenway Plaza, Galleria, and Texas Medical Center areas of Houston from park and ride locations in Sugar Land and Rosenberg. FBC has a planned park and ride facility along the Westpark Toll Road in northwest Fort Bend County. The Westpark Park and Ride will provide transportation for commuters residing in the northern portion of Fort Bend County. The transportation route will promote access to job sites, education, job training and other destinations.

2. Provide a description of how the need/demand for the proposed project(s) was determined. *

As part of our ongoing effort to bring awareness to public transportation and safety, bus wraps are used on all transit vehicles.

3. Describe the anticipated benefits of the project. *

Fort Bend County is helping to bring a better quality of life to individuals, families, communities, and businesses. Our services offer personal mobility and freedom for people from every walk of life by providing options to get to work, go to school, visit friends, or get to a doctor's appointment.

4. Identify and describe methods to procure goods and/or services related to this project.

A formal bid process was completed for bus wraps.

5. If vendors have been previously selected, complete the following (press the save button for additional rows).
