

NAJIT 43rd Annual Conference

Pre-Conference Workshops: Friday, June 3, 2022

Main Conference: Saturday & Sunday, June 4-5, 2022

NAJIT's Annual Conference is the premier event for professional interpreters and translators in the legal field. Our conference provides opportunity to earn continuing education credits from insightful educational sessions while also networking with colleagues and language stakeholders from all over the country. Join us in Fort Lauderdale, Florida or virtually!

Our conference offers an innovative and dynamic approach to learning while sparking your creativity, engaging you in thoughtful discussion and connecting you with colleagues during networking events.

While many of our members work in the legal sector, our conference offers something for everyone. You will find sessions applicable to interpreting and translation settings and domains. This opportunity is an incredible investment in your career and professional development.

Embracing the evolving landscape, our 43rd Annual Conference will have a virtual component. We remain vigilant for the possible impacts of the pandemic and would be prepared to shift to a fully virtual event if the circumstances warrant.

We hope to see you at NAJIT2022!

Online registration closes at midnight on May 31st.
