The properties acquired with funds provided under this Contract may be used for green space or for an eligible use, as defined by the Federal Register (final use deed restriction must be recorded in perpetuity at closing) and the GLO

Implementation Manual. Refer to the approved Project Guidelines for further technical guidance on the final use of the acquired property.

2. Subrecipient shall not assign its rights under the Contract or delegate the performance of its duties under the Contract without prior written approval from the GLO. Any attempted assignment or delegation in violation of this provision is void and without effect. This provision does not apply to subcontracting.
3. If the Contract is for services, Subrecipient shall comply with Section 2155.4441 of the Texas Government Code, requiring the purchase of products and materials produced in the State of Texas in performing service contracts, but for contracts subject to 2 CFR 200, only to the extent such compliance is consistent with 2 CFR 200.319.
4. Under Section 231.006 of the Family Code, the vendor or applicant [Subrecipient] certifies that the individual or business entity named in this Contract, bid or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate, in addition to other remedies set out in Section 231.006(f) of the Family Code.*
5. maintain records and make them available to the GLO as evidence of Subrecipient's compliance with the required controls.

9. Subrecipient represents and warrants that it has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the Contract.

11. Upon request of the GLO, Subrecipient shall provide copies of its most recent business continuity and disaster recovery plans.
12. If the Contract is for consulting services governed by Texas Government Code Chapter 2254, Subchapter B, in accordance with Section 2254.033 of the Texas Government Code, relating to consulting services, Subrecipient certifies that it does not employ an individual who has been employed by the GLO or another agency at any time during the two years preceding the Subrecipient's submission of its offer to provide consulting services to the GLO or, in the alternative Subrecipient, in its offer to provide consulting services to the GLO, disclosed the following: (i) the nature of the previous employment with the GLO or other state agency; (ii) the date the employment was terminated; and (iii) the annual rate of compensation for the employment at the time of its termination.*
13. If the Contract is not for architecture, engineering, or construction services, then except as otherwise provided by statute, rule, or regulation, Subrecipient must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve any dispute arising under the Contract. **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR, IF APPLICABLE, OF GOVERNMENTAL IMMUNITY BY SUBRECIPIENT.**
14. If the Contract is for architecture, engineering, or construction services, then subject to Texas Government Code Section 2260.002 and Texas Civil Practice and Remedies Code Chapter 114, and except as otherwise provided by statute, rule, or regulation, Subrecipient shall use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve all disputes arising under this Contract. Except as otherwise provided by statute, rule, or regulation, in accordance with the Texas Civil Practice and Remedies Code, Section 114.005, claims encompassed by Texas Government Code, Section 2260.002(3) and Texas Civil Practice and Remedies Code Section 114.002 shall be governed by the dispute resolution process set forth below in subsections (a)-(d). **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR, IF APPLICABLE, OF GOVERNMENTAL IMMUNITY BY SUBRECIPIENT.**
 - a. Notwithstanding Texas Government Code, Chapter 2260.002(3) and Chapter 114.012 and any other statute or applicable law, if Subrecipient's claim for breach of contract cannot be resolved by the Parties in the ordinary course of business, Subrecipient may make a claim against the GLO for breach of contract and the GLO may assert a counterclaim against Subrecipient as is contemplated by Texas Government Code, Chapter 2260, Subchapter B. In such event, Subrecipient must provide written notice to the GLO of a claim for breach of the Contract not later than the 180th day after the date

* This section does not apply to a contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

- of the event giving rise to the claim. The notice must state with particularity: (1) the nature of the alleged breach; (2) the amount Subrecipient seeks as damages; and (3) the legal theory of recovery.
- b. The chief administrative officer, or if designated in the Contract, another officer of the GLO, shall examine the claim and any counterclaim and negotiate with Subrecipient in an effort to resolve them. The negotiation must begin no later than the 120th day after the date the claim is received, as is contemplated by Texas Government Code, Chapter 2260, Section 2260.052.
 - c. If the negotiation under paragraph (b) above results in the resolution of some disputed issues by agreement or in a settlement, the Parties shall reduce the agreement or settlement to writing and each Party shall sign the agreement or settlement. A partial settlement or resolution of a claim does not waive a Party's rights under this Contract as to the parts of the claim that are not resolved.
 - d. If a claim is not entirely resolved under paragraph (b) above, on or before the 270th day after the date the claim is filed with the GLO, unless the Parties agree in writing to an extension of time, the Parties may agree to mediate a claim made under this dispute resolution procedure. This dispute resolution procedure is Subrecipient's sole and exclusive process for seeking a remedy for an alleged breach of contract by the GLO if the Parties are unable to resolve their disputes as described in this section.
 - e. Nothing in the Contract shall be construed as a waiver of the state's or the GLO's sovereign immunity, or, if applicable, the governmental immunity of Subrecipient. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas or Subrecipient. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas or, if applicable, of Subrecipient under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies or immunities or be considered as a basis for estoppel. The GLO does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract. Subrecipient does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract.
 - f. Except as otherwise provided by statute, rule, or regulation, compliance with the dispute resolution process provided for in Texas Government Code, Chapter 2260, subchapter B and incorporated by reference in subsection (a)-(d) above is a condition precedent to the Subrecipient: (1) filing suit pursuant to Chapter 114 of the Civil Practices and Remedies Code; or (2) initiating a contested case hearing pursuant to Subchapter C of Chapter 2260 of the Texas Government Code.
15. If Chapter 2271 of the Texas Government Code applies to this Contract, Subrecipient verifies that it does not boycott Israel and will not boycott Israel during the term of the Contract.*
16. This Contract is contingent upon the continued availability of lawful appropriations by the Texas Legislature. Subrecipient understands that all obligations of the GLO under this

Contract are subject to the availability of funds. If such funds are not appropriated or become unavailable, the GLO may terminate the Contract. The Contract shall not be construed as creating a debt on behalf of the GLO in violation of Article III, Section 49a of the Texas Constitution.

17. 18. In accordance with Section 669.003 of the Texas Government Code, relating to contracting with the executive head of a state agency, Subrecipient certifies that it is not (1) the executive head of the GLO, (2) a person who at any time during the four years before the effective date of the Contract was the executive head of the GLO, or (3) a person who employs a current or former executive head of the GLO.
19. Subrecipient represents and warrants that all statements and information prepared and submitted in connection with this Contract are current, complete, true, and accurate. Submitting a false statement or making a material misrepresentation during the performance of this Contract is a material breach of contract and may void the Contract or be grounds for its termination.
20. Pursuant to Section 2155.004(a) of the Texas Government Code, Subrecipient certifies that neither Subrecipient nor any person or entity represented by Subrecipient has received compensation from the GLO to participate in the preparation of the specifications or solicitation on which this Contract is based. Under Section 2155.004(b) of the Texas Government Code, Subrecipient certifies that the individual or business entity named in this Contract is not ineligible to receive the specified Contract and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate. This Section does not prohibit Subrecipient from providing free technical assistance.*
21. Subrecipient represents and warrants that it is not engaged in business with Iran, Sudan, or a foreign terrorist organization, as prohibited by Section 2252.152 of the Texas Government Code.*
22. In accordance with Section 2252.901 of the Texas Government Code, for the categories of contracts listed in that section, Subrecipient represents and warrants that none of its employees including, but not limited to, those authorized to provide services under the contract, were employees of the GLO during the twelve (12) month period immediately prior to the date of execution of the contract. Solely for professional services contracts as described by Chapter 2254 of the Texas Government Code, Subrecipient further represents and warrants that if a former employee of the GLO was employed by Subrecipient within one year of the employee's leaving the GLO, then such employee will not perform services on projects with Subrecipient that the employee worked on while employed by the GLO.*
23. The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to any Party.

* This section does not apply to a contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

* This section does not apply to a contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

31. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Subrecipient shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the Contract and the requirement to cooperate is included in any subcontract it awards. By failing to mark any information that Subrecipient believes to be excepted from disclosure as "confidential" or a "trade secret," Subrecipient waives any and all claims it may make against the GLO for releasing such information without prior notice to Subrecipient. The Attorney General will ultimately determine whether any information may be withheld from release under the PIA. 5.03 RECAPTURE OF FUNDS

Subrecipient shall conduct, in a satisfactory manner as determined by the GLO, the Activities as set forth in the Contract. The discretionary right of the GLO to terminate for convenience under **Section 3.02** notwithstanding, the GLO may terminate the Contract and recapture, and be reimbursed by Subrecipient for, any payments made by the GLO (a) that exceed the maximum allowable HUD rate; (b) that are not allowed under applicable laws, rules, and regulations; or (c) that are otherwise inconsistent with this Contract, including any unapproved expenditures. **This recapture provision applies to any funds expended for the Project or any Activity that does not meet a CDBG-DR Program National Objective as specified in the Performance Statement in Attachment A or that is not otherwise eligible under CDBG-DR regulations.**

5.04 OVERPAYMENT AND DISALLOWED COSTS

Subrecipient shall be liable to the GLO for any costs disallowed pursuant to financial and/or compliance audit(s) of funds received under this Contract. Subrecipient shall reimburse disallowed costs from funds which were not provided or otherwise made available to Subrecipient under this Contract.

5.05 FINAL BENCHMARK

To ensure full performance of the Project, the GLO has set aside an amount equal to five percent (5%) of Subrecipient's subaward until completion and acceptance by the GLO of all Activities and Benchmarks identified in the Performance Statement in **Attachment A**. The GLO shall make a final disbursement only upon receipt of documentation sufficient to determine that Subrecipient has completed the Activities in accordance with the Performance Statement, the Contract Documents, and all applicable laws, rules, and regulations.

ARTICLE VI - INTELLECTUAL PROPERTY

6.01 OWNERSHIP AND USE

- (a) The Parties shall jointly own all right, title, and interest in and to all reports, drafts of reports, or other material, data, drawings, computer programs and codes associated with this Contract, and/or any copyright or other intellectual property rights, and any material or information developed and/or required to be delivered under this Contract, with each Party having the right to use, reproduce, or publish any or all of such information and other materials without obtaining permission from the other Party and without expense or charge.
- (b) Subrecipient grants the GLO and HUD a royalty free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for U.S. Government purposes, all reports, drafts of reports, or other material, data, drawings, computer programs, and codes associated with this Contract, and/or any copyright or other intellectual property rights, and any

material or information developed and/or required to be delivered under this Contract.

6.02 NON-ENDORSEMENT BY STATE AND THE UNITED STATES

Subrecipient shall not publicize or otherwise circulate promotional material (such as advertisements, sales brochures, press releases, speeches, still or motion pictures, articles, manuscripts, or other publications) that states or implies the GLO, the State of Texas, U.S. Government, or any government employee, endorses a product, service, or position the Subrecipient represents. Subrecipient may not release information relating to this Contract or state or imply that the GLO, the State of Texas, or the U.S. Government approves of Subrecipient's work products or considers Subrecipient's work product to be superior to other products or services.

6.03 DISCLAIMER REQUIRED

Subrecipient shall include a disclaimer on all public information releases issued pursuant to this Contract stating that the funds for this Project or any Program are provided by Subrecipient and the Texas General Land Office through HUD's CDBG Program.

ARTICLE VII - RECORDS, AUDIT, AND RETENTION

7.01 BOOKS AND RECORDS

Subrecipient shall keep and maintain under GAAP or GASB, as applicable, full, true, and complete records sufficient to allow the GLO, the Texas State Auditor's Office, the United States Government, and/or their authorized representatives to determine Subrecipient's compliance with this Contract and all applicable laws, rules, and regulations, including the applicable laws and regulations provided in **Attachment D**.

7.02 INSPECTION AND AUDIT

(a) All records related to this Contract, including records of Subrecipient and its subcontractors, shall be subject to the Administrative and Audit Regulations. Accordingly, such records and work product shall be subject, at any time, to inspection, examination, audit, and copying at the Subrecipient's primary location or any location where such records and work product may be found, with or without notice from the GLO or other government entity with necessary legal authority. Subrecipient shall cooperate fully with any federal or state entity in the conduct of inspection, examination, audit, and copying, including providing all information requested. Subrecipient will ensure that this clause concerning federal and state entities' authority to inspect, examine, audit, and copy records and work product, and the requirement to fully cooperate with the federal and state entities, is included in any subcontract it awards.

(b) The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. Acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit

committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. **The Office of the Comptroller General of the United States, the Government Accountability Office, the Office of Inspector General, or any authorized representative of the U.S. Government shall also have this right of inspection.** Subrecipient shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Subrecipient and the requirement to cooperate is included in any subcontract it awards.

- (c) Subrecipient will be deemed to have read and know of all applicable federal, state, and local laws, regulations, and rules pertaining to the Project, including those identified in **Attachment D**, governing audit requirements.

7.03 SUBRECIPIENT SELF-AUDIT AND TARGETED AUDITS

(a) **Subrecipient Self-Audit**

Upon the GLO's or HUD's approval, Subrecipient may conduct an annual financial and compliance audit of funds received and performance rendered under this Contract. Subrecipient may use funds budgeted under this Contract to pay for that portion of the cost of such audit services properly allocable to the Activities funded under this Contract, provided that the GLO shall not pay the cost of such audit services until the GLO has received Subrecipient's satisfactory audit report and invoice, as determined by the GLO. The invoice submitted for reimbursement must clearly show the percentage of cost allocable to the Activities funded under this Contract relative to the total cost of the audit services. Therefore, Subrecipient shall submit an invoice showing the total cost of the audit and the corresponding prorated charge per funding source. If applicable, Subrecipient shall submit an explanation with the reimbursement request, explaining why the percentage of audit fees exceeds the prorated amount allowable.

(b) **Targeted Audits and Monitoring Visits**

The GLO may at any time perform, or instruct the performance of, an annual program and/or fiscal audit, or conduct a special or targeted audit of any aspect of the Subrecipient's operation, using an auditor of the GLO's choice. Subrecipient shall maintain financial and other records prescribed by the GLO or by applicable federal or state laws, rules, and regulations.

7.04 PERIOD OF RETENTION

All records relevant to this Contract shall be retained for a period of three (3) years subsequent to the final closeout of the overall State of Texas CDBG-DR program, in accordance with federal regulations. **The GLO will notify all Program participants of the date upon which local records may be destroyed.**

ARTICLE VIII - MISCELLANEOUS PROVISIONS

8.01 LEGAL OBLIGATIONS

Subrecipient shall procure and maintain for the duration of this Contract any license, authorization, insurance, waiver, permit, qualification, or certification required by federal, state, county, or city statute, ordinance, law, or regulation to be held by Subrecipient to provide the goods or services required by this Contract. Subrecipient shall pay all taxes, assessments, fees, premiums, permits, and licenses required by law. Subrecipient shall pay any such government obligations not paid by its subcontractors during performance of this Contract. **Subrecipient shall include copies of such licenses and permits as a part of the Monthly Activity Status Report for the period during which they are obtained.**

8.02 INDEMNITY

To the extent permitted under the law, except for damages directly or proximately caused by the gross negligence of the GLO, Subrecipient shall indemnify and hold harmless the State of Texas, the GLO, and the officers, representatives, agents, and employees of the State of Texas and the GLO from any losses, claims, suits, actions, damages, or liability (including all costs and expenses of defending against all of the aforementioned) arising in connection with:

- (a) **This Contract;**
- (b) **Any negligence, act, omission, or misconduct in the performance of the services referenced herein; or**
- (c) **Any claims or amounts arising or recoverable under federal or state workers' compensation laws, the Texas Tort Claims Act, or any other such laws.**

Subrecipient shall be responsible for the safety and well-being of its employees, customers, and invitees. These requirements shall survive the term of this Contract until all claims have been settled or resolved and suitable evidence to that effect has been furnished to the GLO. The provisions of this Section shall survive termination of this Contract.

8.03 INSURANCE AND BOND REQUIREMENTS

- (a) Unless Subrecipient is authorized by Chapter 2259 of the Texas Government Code to self-insure, Subrecipient shall carry insurance for the duration of this Contract in types and amounts necessary and appropriate for the Project.
- (b) Subrecipient shall require all contractors, subcontractors, vendors, service providers, or any other person or entity performing work described in **Attachment A** to carry insurance for the duration of the Project in the types and amounts customarily carried by a person or entity providing such goods or services. Subrecipient shall require any person or entity required to obtain insurance under this Section to complete and file the declaration pages from the insurance policies with Subrecipient whenever a previously identified policy

period expires during the term of Subrecipient's contract with the person or entity, as proof of continuing coverage. Subrecipient's contract with any such person or entity shall clearly state that acceptance of the insurance policy declaration pages by the Subrecipient shall not relieve or decrease the liability of the person or entity. **Persons or entities shall be required to update all expired policies before Subrecipient's acceptance of an invoice for monthly payment from such parties.**

- (c) Subrecipient shall require performance and payment bonds to the extent they are required under Chapter 2253 of the Texas Government Code.
- (d) **Subrecipient shall require, on all construction projects, that any person or entity required to provide Federal Construction Assurances shall complete form SF-424D, entitled "Assurances – Construction Programs," and Subrecipient shall maintain such documentation.**

8.04 ASSIGNMENT AND SUBCONTRACTS

Subrecipient shall not assign, transfer, or delegate any rights, obligations, or duties under this Contract without the GLO's prior written consent. Notwithstanding this provision, Subrecipient may subcontract some or all of the services to be performed under this Contract. In any subcontracts, Subrecipient shall legally bind the subcontractor to perform and make such subcontractor subject to all the duties, requirements, and obligations of Subrecipient as specified in this Contract. Nothing in this Contract shall be construed to relieve Subrecipient of the responsibility for ensuring that the goods delivered and/or the services rendered by Subrecipient and/or any of its subcontractors comply with all the terms and provisions of this Contract.

For subcontracts to which Federal Labor Standards requirements apply, Subrecipient shall submit to the GLO all documentation required to ensure compliance. Subrecipient shall retain five percent (5%) of the payment due under each of Subrecipient's construction or rehabilitation subcontracts until the GLO determines that the Federal Labor Standards requirements applicable to each such subcontract have been satisfied.

8.05 PROCUREMENT

Subrecipient must comply with the procurement procedures stated at 2 C.F.R. §§ 200.318 through 200.326 and all other applicable federal, state, and local procurement procedures and laws, regulations, and rules. Subrecipient must confirm that its vendors and subcontractors are not debarred from receiving state or federal funds at each of the following web addresses:

Texas Comptroller's Vendor Performance Program at:

<https://comptroller.texas.gov/purchasing/>;

and the Federal General Services Administration's System for Award Management at:

<https://www.sam.gov/>.

8.06 PURCHASES AND EQUIPMENT

Any purchase of Equipment or computer software shall be made in accordance with all applicable laws, regulations, and rules including those listed in **Attachment D**. Subrecipient shall retain title to and possession of any Equipment or computer software unless and until transferred to the GLO, upon the GLO's written request, or disposed of in accordance with federal regulations. Subrecipient shall furnish, with its final request for reimbursement, a list of all Equipment and computer software purchased with Program funds under the Contract, including the name of the manufacturer, the model number, and the serial number, if applicable. The disposition of any Equipment or computer software shall be in accordance with all applicable laws, regulations, and rules, including those listed in **Attachment D**.

8.07 COMMUNICATION WITH THIRD PARTIES

The GLO and the authorities named in **ARTICLE VII**, above, may initiate communications with any subcontractor, and may request access to any books, documents, personnel, papers, and records of a subcontractor which are pertinent to this Contract. Such communications may be required to conduct audits, examinations, Davis-Bacon Labor Standards interviews, and gather additional information as provided in **ARTICLE VII** herein.

8.08 RELATIONSHIP OF THE PARTIES

Subrecipient is associated with the GLO only for the purposes and to the extent specified in this Contract. Subrecipient is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract creates a partnership or joint venture, employer-employee or principal-agent relationships, or any liability whatsoever with respect to the indebtedness, liabilities, or obligations of Subrecipient or any other party. Subrecipient shall be solely responsible for, and the GLO shall have no obligation with respect to: withholding of income taxes, FICA, or any other taxes or fees; industrial or workers' compensation insurance coverage; participation in any group insurance plans available to employees of the State of Texas; participation or contributions by the State to the State Employees Retirement System; accumulation of vacation leave or sick leave; or unemployment compensation coverage provided by the State.

8.09 COMPLIANCE WITH OTHER LAWS

In the performance of this Contract, Subrecipient shall comply with all applicable federal, state, and local laws, ordinances, and regulations, including those listed in **Attachments B, C, and D**. Subrecipient is deemed to know and understand all applicable laws, statutes, ordinances, and regulations affecting its performance under this Contract.

8.10 NOTICES

Any notices required under this Contract shall be deemed delivered when deposited either in the United States mail (certified, postage paid, return receipt requested) or with a common carrier (overnight, signature required) to the appropriate address below.

1700 N. Congress Avenue, 7th Floor
Austin, TX 78701
Attention: Contract Management Division

Subrecipient

Fort Bend County
301 Jackson Street
Richmond, Texas 77469
Attention: KP George

Notice given in any other manner shall be deemed effective only if and when received by the Party to be notified. Either Party may change its address for notice by written notice to the other Party as herein provided.

8.11 GOVERNING LAW AND VENUE

This Contract and the rights and obligations of the Parties hereto shall be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought under this Contract shall be in a court of competent jurisdiction in Travis County, Texas. Subrecipient irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of *forum non conveniens*, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction with respect to this Contract or any document related hereto. **NOTHING IN THIS CONTRACT SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.**

8.12 SEVERABILITY

If a court of competent jurisdiction determines any provision of this Contract is invalid, void, or unenforceable, the remaining terms, provisions, covenants, and conditions of this Contract shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.

8.13 DISPUTE RESOLUTION

Except as otherwise provided by statute, rule or regulation, Subrecipient shall use the dispute resolution process established in Chapter 2260 of the Texas Government Code and related rules to attempt to resolve any dispute under this Contract, including a claim for breach of contract by the GLO, that the Parties cannot resolve in the ordinary course of business. Neither the occurrence of an event giving rise to a breach of contract claim nor the pendency of such a claim constitutes grounds for Subrecipient to suspend performance of this Contract. Notwithstanding this provision, the GLO reserves all legal and equitable rights and remedies available to it. **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.**

8.14 PUBLIC RECORDS

Information related to the performance of this Contract may be subject to the Public Information Act (“PIA”) and will be withheld from public disclosure or released only in accordance therewith. Subrecipient shall make any information created or exchanged with the state pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state/the GLO. Subrecipient shall make any information required under the PIA available to the GLO in portable document file (“.pdf”) format or any other format agreed between the Parties. Subrecipient’s failure to mark as “confidential” or a “trade secret” any information it believes to be excepted from disclosure waives all claims Subrecipient may make against the GLO for releasing such information without prior notice to Subrecipient.

Subrecipient shall release the following information upon receipt of an open records request:

- (a) The amount of CDBG-DR funds expected to be made available;
- (b) The range of Activities that may be undertaken with CDBG-DR funds;
- (c) The estimated amount of CDBG-DR funds proposed to be used for Activities that will meet the national objective of benefit to low- and moderate-income persons; and
- (d) The proposed CDBG-DR Activities likely to result in displacement and the Subrecipient’s anti-displacement and relocation plan.

8.15 AMENDMENTS TO THE CONTRACT

Amendments to decrease or increase the subaward, to add or delete an Activity, to extend the term of the Contract, and/or to make other substantial amendments to the Contract may be made only by written agreement of the Parties, under the formal Amendment process except that, upon completion of the Project, the GLO shall issue a close-out letter pursuant to **SECTION 2.03**. The formal Amendment process requires submission by the GLO Project Manager of the proposed amended language or amount to the GLO Contract Management Division for the preparation of a formal Amendment and circulation for necessary GLO and Subrecipient signatures. In the sole discretion of the GLO, and in conformance with federal law, the GLO may approve other adjustments required during Project performance by the GLO by way of a Revision or Technical Guidance Letter unilaterally issued by the GLO and acknowledged by the Subrecipient. Such approvals must be in writing and may be delivered by U.S. mail or electronic mail.

Pursuant to **SECTION 2.03** hereof, a final **Grant Completion Report** of all Activities performed under this Contract shall be submitted to the GLO and shall include all such informal revisions approved by the GLO over the life of the Contract.

8.16 ENTIRE CONTRACT AND MODIFICATIONS

This Contract, its Attachments, Technical Guidance Letter(s), and/or Revision(s) issued in conjunction with this Contract, if any, constitute the entire agreement of the Parties and are intended as a complete and exclusive statement of the promises, representations,

negotiations, discussions, and other agreements made in connection with the subject matter hereof. Any additional or conflicting terms in Attachment(s), Technical Guidance Letter(s), and/or Revision(s) shall be harmonized with this Contract to the extent possible. Unless an Attachment, Technical Guidance Letter, or Revision specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language shall be construed consistently with the Contract.

8.17 PROPER AUTHORITY

Each Party hereto represents and warrants that the person executing this Contract on its behalf has full power and authority to legally bind its respective entity. Subrecipient acknowledges that this Contract is effective for the period of time specified in the Contract. Any work performed by Subrecipient after the Contract terminates is performed at the sole risk of Subrecipient.

8.18 COUNTERPARTS

This Contract may be executed in any number of counterparts, each of which shall be an original, and all such counterparts shall together constitute but one and the same Contract.

8.19 SURVIVAL

The provisions of **ARTICLES V, VI, and VII** and **SECTIONS 1.01, 1.03, 2.05, 3.02, 3.04, 8.02, 8.03, 8.07, 8.08, 8.09, 8.10, 8.11, 8.13, 8.14, and 8.15** of this Contract and any other continuing obligations of Subrecipient shall survive the termination or expiration of this Contract.

8.20 CONTRACT CLOSEOUT

Upon completion of all Activities required for the Contract, and, pursuant to **SECTION 2.03** hereof, Subrecipient shall prepare a final **Grant Completion Report** confirming final performance measures, budgets, and expenses. The GLO will close the contract in accordance with 2 C.F.R. §§ 200.343 through 200.345 and GLO CDBG-DR guidelines consistent therewith. The GLO will notify Subrecipient via official closeout letter upon review and approval of the final Grant Completion Report.

8.21 INDIRECT COST RATES

Unless, under the terms of 2 C.F.R. Part 200, Appendix V, Subrecipient has negotiated or does negotiate an indirect cost rate with the federal government, subject to periodic renegotiations of the rate during the Contract Period, or is exempt from such negotiations and has developed and maintains an auditable central service cost allocation plan, Subrecipient's indirect cost rate shall be set by 2 C.F.R. § 200.414(f), i.e., ten percent (10%).

8.22 CONFLICT OF INTEREST

(a) Subrecipient shall abide by the provisions of this Section and include the provisions in all subcontracts. Subrecipient shall comply with all conflict of interest laws and regulations applicable to the Program.

- (b) Subrecipient shall maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts.

8.23 FORCE MAJEURE

Except with respect to the obligation of payments under this Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as “Force Majeure”), then, while so prevented, the affected Party’s obligation to comply with such covenant shall be suspended, and the affected Party shall not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure must promptly notify the other Party of the Force Majeure in writing and, if possible, such notice must set forth the extent and duration thereof. The Party claiming Force Majeure must exercise due diligence to prevent, eliminate, or overcome such Force Majeure when it is possible to do so and shall resume performance at the earliest possible date. However, if nonperformance continues for more than thirty (30) days, the GLO may terminate this Contract immediately upon written notification to Subrecipient.

8.24 ENVIRONMENTAL CLEARANCE REQUIREMENTS

- (a) Subrecipient is responsible for conducting environmental reviews and for obtaining any environmental clearance necessary for successful completion of the Project. Subrecipient shall prepare an environmental review or assessment of each Activity in accordance with applicable laws, regulations, rules, and guidance. Subrecipient shall maintain a written Environmental Review Record (“ERR”) for each Activity, including all supporting source documentation and documentation to support any project mitigation. Subrecipient shall provide a copy of the ERR and all related source documentation to the GLO.
- (b) Subrecipient shall address inquiries and complaints and shall provide appropriate redress related to environmental Activities. Subrecipient shall document each communication issued or received hereunder in the related ERR.
- (c) The GLO may, in its sole discretion, reimburse Subrecipient for certain exempt environmental Activities, as defined in federal regulations. Reimbursement requests for exempt environmental Activities must be supported by the proper HUD-prescribed form.
- (d) The Parties acknowledge and understand that the GLO may enter into Interagency agreements with the Texas Historical Commission and other entities in order to facilitate any necessary environmental or historic review. The GLO may incorporate one or more Interagency agreements into this contract via a Technical Guidance Letter.

8.25 CITIZEN PARTICIPATION AND ALTERNATIVE REQUIREMENTS

- (a) Subrecipient must ensure that all citizens have equal and ongoing access to information about the Project, including ensuring that Project information is available in the appropriate languages for the geographical area served by the Subrecipient. Information furnished to citizens shall include, without limitation:
 - (i) The amount of CDBG-DR funds expected to be made available;
 - (ii) The range of Activities that may be undertaken with the CDBG-DR funds;
 - (iii) The estimated amount of the CDBG-DR funds proposed to be used for Activities meeting the national objective of benefiting low-to-moderate income persons; and
 - (iv) A clear statement of such and the entity's anti-displacement and relocation plan if any proposed CDBG-DR Activities are likely to result in displacement.
- (b) Complaint Procedures: Subrecipient must have written citizen complaint procedures that provide a timely written response (within fifteen (15) working days) to complaints and grievances. Subrecipient shall notify citizens of the location and the days and hours when the location is open for business so they may obtain a copy of these written procedures.
- (c) Technical Assistance: If requested, Subrecipient shall provide technical assistance to persons of low and moderate income in completing their applications under the Project.
- (d) Subrecipient shall maintain a citizen participation file that includes a copy of the Subrecipient's complaint procedures, documentation and evidence of opportunities provided for citizen participation (e.g., public notices, advertisements, flyers, etc.), documentation of citizen participation events (e.g., meeting minutes, attendance lists, sign-in sheets, news reports, etc.), and documentation of any technical assistance requested and/or provided.

8.26 SIGNAGE REQUIREMENTS

On any public building or facility funded under this Contract, Subrecipient shall place permanent signage. Signs shall be placed in a prominent, visible public location. Subrecipient shall format each sign to best fit the architectural design of the building or facility but the sign should be legible from a distance of at least three (3) feet.

For other construction projects (e.g., water transmission lines, sewer collection lines, drainage, roadways, housing rehabilitation) funded under this Contract, Subrecipient shall place temporary signage erected in a prominent location at the construction project site or along a major thoroughfare within the locality.

All signage required under this Section 8.25 shall contain the following:

“This project is funded by the Texas General Land Office of the State of Texas, to provide for disaster recovery and restoration of infrastructure for communities impacted by Hurricane Harvey. The funds have been allocated by the United States Department of

Housing and Urban Development through the Community Development Block Grant Program.”

8.27 PROCUREMENT OF RECOVERED MATERIALS

- (a) To the extent applicable, Subrecipient shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired:
 - (i) Competitively within a timeframe providing for compliance with the Contract performance schedule;
 - (ii) In a way that meets Contract performance requirements; or
 - (iii) At a reasonable price.
- (b) Additional information about the requirement in 2 CFR § 200.322 for the maximum use of recovered/recycled materials, along with the list of EPA-designated items, is available at EPA’s Comprehensive Procurement Guidelines website, <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.

8.28 EQUAL OPPORTUNITY CLAUSE

Provider hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 C.F.R. Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

“During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such

direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.”

Provider further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if Provider so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

Provider agrees that it will assist and cooperate actively with the GLO and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the GLO and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the GLO in the discharge of the GLO's primary responsibility for securing compliance.

Provider further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts, as defined in 41 C.F.R. § 60-1.3, and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, Provider agrees that if it fails or refuses to comply with these undertakings, the GLO may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this Contract; refrain from extending any further assistance to Provider under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from Provider; and refer the case to the Department of Justice for appropriate legal proceedings.

8.29 INFORMATION AND DATA SECURITY STANDARDS

Subrecipient shall comply with all terms specified in the **GLO Information Security Appendix for Subrecipients**, incorporated herein for all purposes as **Attachment G**.

settlement to writing and each party shall sign the agreement or settlement. A partial settlement or resolution of a claim does not waive a party's rights under this Contract as to the parts of the claim that are not resolved.

- d. If a claim is not entirely resolved under paragraph (b) above, on or before the 270th day after the date the claim is filed with the GLO, unless the parties agree in writing to an extension of time, the parties may agree to mediate a claim made under this dispute resolution procedure. This dispute resolution procedure is the Subrecipient's sole and exclusive process for seeking a remedy for an alleged breach of contract by the GLO if the parties are unable to resolve their disputes as described in this section.
 - e. Nothing in the Contract shall be construed as a waiver of the state's or the GLO's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies or immunities or be considered as a basis for estoppel. The GLO does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract.
 - f. Except as otherwise provided by statute, rule, or regulation, compliance with the dispute resolution process provided for in Texas Government Code, Chapter 2260, subchapter B and incorporated by reference in subsection (a)-(d) above is a condition precedent to the Subrecipient: (1) filing suit pursuant to Chapter 114 of the Civil Practices and Remedies Code; or (2) initiating a contested case hearing pursuant to Subchapter C of Chapter 2260 of the Texas Government Code.
12. If Texas Government Code Chapter 2270 prohibiting state contracts with companies boycotting Israel applies to Subrecipient and this Contract, then Subrecipient verifies it does not boycott Israel and will not boycott Israel during the term of this Contract.
 13. This Contract is contingent upon the continued availability of lawful appropriations by the Texas Legislature. Subrecipient understands that all obligations of the GLO under this Contract are subject to the availability of state funds. If such funds are not appropriated or become unavailable, the GLO may terminate the Contract. The Contract shall not be construed as creating a debt on behalf of the GLO in violation of Article III, Section 49a of the Texas Constitution.
 14. Subrecipient certifies that it is not listed on the federal government's terrorism watch list as described in Executive Order 13224.
 15. In accordance with Section 669.003 of the Texas Government Code, relating to contracting with the executive head of a state agency, Subrecipient certifies that it is not (1) the executive head of the GLO, (2) a person who at any time during the four years before the effective date

of the Contract was the executive head of the GLO, or (3) a person who employs a current or former executive head of the GLO.

16. Subrecipient represents and warrants that all statements and information prepared and submitted in connection with this Contract are current, complete, true, and accurate. Submitting a false statement or making a material misrepresentation during the performance of this Contract is a material breach of contract and may void the Contract or be grounds for its termination.
17. Pursuant to Section 2155.004(a) of the Texas Government Code, Subrecipient certifies that neither Subrecipient nor any person or entity represented by Subrecipient has received compensation from the GLO to participate in the preparation of the specifications or solicitation on which this Contract is based. Under Section 2155.004(b) of the Texas Government Code, Subrecipient certifies that the individual or business entity named in this Contract is not ineligible to receive the specified contract and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate. This Section does not prohibit Subrecipient from providing free technical assistance.
18. Subrecipient represents and warrants that it is not engaged in business with Iran, Sudan, or a foreign terrorist organization, as prohibited by Section 2252.152 of the Texas Government Code.
19. If the Contract is for professional or consulting services governed by Texas Government Code Chapter 2254, Subrecipient represents and warrants that none of its employees including, but not limited to, those authorized to provide services under the Contract, were former employees of the GLO during the twelve (12) month period immediately prior to the date of execution of the Contract.
20. The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the GLO.
21. IF THE CONTRACT IS NOT FOR ARCHITECTURE OR ENGINEERING SERVICES GOVERNED BY TEXAS GOVERNMENT CODE CHAPTER 2254, SUBRECIPIENT, TO THE EXTENT ALLOWED BY LAW, SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND THE GLO, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES ARISING OUT OF, OR RESULTING FROM ANY ACTS OR OMISSIONS OF SUBRECIPIENT OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT AND ANY PURCHASE ORDERS ISSUED UNDER THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY

SUBRECIPIENT WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND SUBRECIPIENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. SUBRECIPIENT AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.

22. IF THE CONTRACT IS FOR ARCHITECTURE OR ENGINEERING SERVICES GOVERNED BY TEXAS GOVERNMENT CODE CHAPTER 2254, SUBRECIPIENT, TO THE EXTENT ALLOWED BY LAW, SHALL INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND THE GLO, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED DAMAGES, COSTS, ATTORNEY FEES, AND EXPENSES TO THE EXTENT CAUSED BY, ARISING OUT OF, OR RESULTING FROM ANY ACTS OF NEGLIGENCE, INTENTIONAL TORTS, WILLFUL MISCONDUCT, PERSONAL INJURY OR DAMAGE TO PROPERTY, AND/OR OTHERWISE RELATED TO SUBRECIPIENT'S PERFORMANCE, AND/OR FAILURES TO PAY A SUBCONTRACTOR OR SUPPLIER BY THE SUBRECIPIENT OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, CONSULTANTS UNDER CONTRACT TO SUBRECIPIENT, OR ANY OTHER ENTITY OVER WHICH THE CONTRACTOR EXERCISES CONTROL, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY SUBRECIPIENT WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND SUBRECIPIENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. SUBRECIPIENT AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.
23. TO THE EXTENT ALLOWED BY LAW, SUBRECIPIENT SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE GLO AND THE STATE OF TEXAS FROM AND AGAINST ANY AND ALL CLAIMS, VIOLATIONS, MISAPPROPRIATIONS OR INFRINGEMENT OF ANY PATENT, TRADEMARK, COPYRIGHT, TRADE SECRET OR OTHER INTELLECTUAL PROPERTY RIGHTS AND/OR OTHER INTANGIBLE PROPERTY, PUBLICITY OR PRIVACY RIGHTS, AND/OR IN CONNECTION WITH OR ARISING FROM: (1) THE PERFORMANCE OR ACTIONS OF SUBRECIPIENT PURSUANT TO THIS CONTRACT; (2) ANY DELIVERABLE, WORK PRODUCT, CONFIGURED SERVICE OR OTHER SERVICE PROVIDED HEREUNDER; AND/OR (3) THE GLO'S AND/OR SUBRECIPIENT'S USE OF OR ACQUISITION OF ANY REQUESTED SERVICES OR OTHER ITEMS PROVIDED TO THE GLO BY SUBRECIPIENT OR OTHERWISE TO WHICH THE GLO HAS ACCESS AS A RESULT OF SUBRECIPIENT'S PERFORMANCE UNDER THE CONTRACT. SUBRECIPIENT AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM. SUBRECIPIENT SHALL BE LIABLE TO PAY ALL COSTS OF

DEFENSE, INCLUDING ATTORNEYS' FEES. THE DEFENSE SHALL BE COORDINATED BY SUBRECIPIENT WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL (OAG) WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND SUBRECIPIENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM OAG. IN ADDITION, SUBRECIPIENT WILL REIMBURSE THE GLO AND THE STATE OF TEXAS FOR ANY CLAIMS, DAMAGES, COSTS, EXPENSES OR OTHER AMOUNTS, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES AND COURT COSTS, ARISING FROM ANY SUCH CLAIM. IF THE GLO DETERMINES THAT A CONFLICT EXISTS BETWEEN ITS INTERESTS AND THOSE OF SUBRECIPIENT OR IF THE GLO IS REQUIRED BY APPLICABLE LAW TO SELECT SEPARATE COUNSEL, THE GLO WILL BE PERMITTED TO SELECT SEPARATE COUNSEL AND SUBRECIPIENT WILL PAY ALL REASONABLE COSTS OF THE GLO'S COUNSEL.

24. Subrecipient has disclosed in writing to the GLO all existing or potential conflicts of interest relative to the performance of the Contract.
25. Sections 2155.006 and 2261.053 of the Texas Government Code prohibit state agencies from accepting a solicitation response or awarding a contract that includes proposed financial participation by a person who, in the past five years, has been convicted of violating a federal law or assessed a penalty in connection with a contract involving relief for Hurricane Rita, Hurricane Katrina, or any other disaster, as defined by Section 418.004 of the Texas Government Code, occurring after September 24, 2005. Under Sections 2155.006 and 2261.053 of the Texas Government Code, Subrecipient certifies that the individual or business entity named in this Contract is not ineligible to receive the specified contract and acknowledges that this Contract may be terminated and payment withheld if this certification is inaccurate.
26. Subrecipient understands that the GLO will comply with the Texas Public Information Act (Chapter 552 of the Texas Government Code) as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas. Information, documentation, and other material related to this Contract may be subject to public disclosure pursuant to the Texas Public Information Act. In accordance with Section 2252.907 of the Texas Government Code, Subrecipient shall make any information created or exchanged with the State/GLO pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State or the GLO.
27. The person executing this Contract certifies that he/she is duly authorized to execute this Contract on his/her own behalf or on behalf of Subrecipient and legally empowered to contractually bind Subrecipient to the terms and conditions of the Contract and related documents.
28. If the Contract is for architectural or engineering services, pursuant to Section 2254.0031 of the Texas Government Code, which incorporates by reference Section 271.904(d) of the Texas Local Government Code, Subrecipient shall perform services (1) with professional

skill and care ordinarily provided by competent engineers or architects practicing under the same or similar circumstances and professional license, and (2) as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.

29. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Subrecipient shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the Contract and the requirement to cooperate is included in any subcontract it awards. The GLO may unilaterally amend the Contract to comply with any rules and procedures of the state auditor in the implementation and enforcement of Section 2262.154 of the Texas Government Code.
30. Subrecipient certifies that neither it nor its principals are debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from participation in the Contract by any state or federal agency.
31. Subrecipient expressly acknowledges that state funds may not be expended in connection with the purchase of an automated information system unless that system meets certain statutory requirements relating to accessibility by persons with visual impairments. Accordingly, Subrecipient represents and warrants to the GLO that any technology provided to the GLO for purchase pursuant to this Contract is capable, either by virtue of features included within the technology or because it is readily adaptable by use with other technology, of: providing equivalent access for effective use by both visual and non-visual means; presenting information, including prompts used for interactive communications, in formats intended for non-visual use; and being integrated into networks for obtaining, retrieving, and disseminating information used by individuals who are not blind or visually impaired. For purposes of this Section, the phrase "equivalent access" means a substantially similar ability to communicate with or make use of the technology, either directly by features incorporated within the technology or by other reasonable means such as assistive devices or services which would constitute reasonable accommodations under the Americans With Disabilities Act or similar state or federal laws. Examples of methods by which equivalent access may be provided include, but are not limited to, keyboard alternatives to mouse commands and other means of navigating graphical displays, and customizable display appearance.
32. If the Contract is for the purchase or lease of covered television equipment, as defined by Section 361.971(3) of the Texas Health and Safety Code, Subrecipient certifies its compliance with Subchapter Z, Chapter 361 of the Texas Health and Safety Code, related to the Television Equipment Recycling Program.

33. Pursuant to Section 572.069 of the Texas Government Code, Subrecipient certifies it has not employed and will not employ a former state officer or employee who participated in a procurement or contract negotiations for the GLO involving Subrecipient within two (2) years after the date that the contract is signed or the procurement is terminated or withdrawn. This certification only applies to former state officers or employees whose state service or employment ceased on or after September 1, 2015.
34. The GLO does not tolerate any type of fraud. GLO policy promotes consistent, legal, and ethical organizational behavior by assigning responsibilities and providing guidelines to enforce controls. Any violations of law, agency policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken. Subrecipient shall report any possible fraud, waste, or abuse that occurs in connection with the Contract to the GLO's Fraud Reporting hotline at (877) 888-0002.
35. The requirements of Subchapter J, Chapter 552, Government Code, may apply to this contract and Subrecipient agrees that the Contract can be terminated if Subrecipient knowingly or intentionally fails to comply with a requirement of that subchapter.
36. If Subrecipient, in its performance of the Contract, has access to a state computer system or database, Subrecipient must complete a cybersecurity training program certified under Texas Government Code Section 2054.519, as selected by the GLO. Subrecipient must complete the cybersecurity training program during the initial term of the Contract and during any renewal period. Subrecipient must verify in writing to the GLO its completion of the cybersecurity training program.
37. Under Section 2155.0061, Texas Government Code, Subrecipient certifies that the entity named in this contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate.
