Re: SPI 2013 Mobility Bond Project Management Agreement

Dear Mr. Akinwande:

We respectfully request an amendment to the referenced agreement to increase our fee in the amount of \$73,147.00. This seventh amendment would increase the amended maximum compensation amount of \$1,238,772.00 to \$1,311,919.00. In accordance with the original agreement, time will be billed hourly at previously approved rates.

The need for added funds comes from ongoing efforts to complete the design and construction of the Huggins Road projects (design review/approval for two construction packages, coordination with the City of Fulshear and TxDOT, utility coordination, construction phase coordination), construction phase coordination for the Greenbusch and Katy Flewellen projects, and other administrative efforts (Masterworks, etc.).

We have enclosed a simple level of effort estimate to show how we anticipate our time to be distributed to the Katy Flewellen, Greenbusch and Huggins Road projects. All other 2013 projects are constructed and will require no effort on our part.

We very much appreciate the opportunity to serve the County, and will continue to make every effort to efficiently move projects through design and construction. Please contact me if you have any questions.

Sincerely,

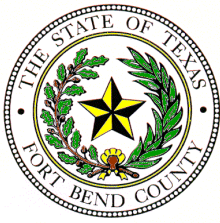

Mark C. Dessens, P.E.
Vice President
