She was the first bilingual clerk and Elections Judge in Fort Bend County.

Ms. Frazier presented a Proclamation, on behalf of Commissioners Court, to The Rose Breast Center of Excellence in honor of Breast Cancer Awareness month. The Rose has championed the cause of Breast Cancer Awareness since 1986. A \$500 check was presented to The Rose.

Ms. Frazier presented a Proclamation, on behalf of Commissioners Court, to the Texas A&M AgriLife Extension Service 4-H Youth Development Program, for providing 114 years of service and experience to youngsters throughout the Lone Star state. The week of October 3 – 9, 2022 has been proclaimed as National 4-H week in Fort Bend County.

Judge George introduced the Economic Development Director, Carlos Guzman, who is a seasoned Economic Developer with over 16 years of experience and who worked in local and regional organizations throughout Texas.

Judge announced October is National Cybersecurity Awareness month and he thanked the Information Technology Department for protecting the County from cybersecurity threats.

The annual Diwali celebration will be on Sunday, October 9, at 3:00 p.m. in Sugar Land Town Square.

The Health and Human Services Breast Cancer Awareness walk will be held on Friday, October 7, beginning at 12:00 p.m. at the Fort Bend County Justice Center.

Commissioner DeMerchant thanked Ms. Rose for leading the court in prayer. She traveled from San Antonio to be here in court. Ms. Rose is the daughter of the late Marjorie and Felton Adams of Kendleton, TX and a retired veteran of the U.S. Army and Homeland Security.

Commissioner Meyers indicated he had an observation and stated he is supportive of pursuing better broadband access for Fort Bend County residents. He believes there was a misperception that needs to be corrected which occurred during Judge George's press conference held yesterday. Commissioner indicated Judge George announced a request for proposal would be shortly issued to select a private provider or partner with the County for a public/private partnership. However, neither the broadband study report, nor the Phase 2 proposal indicates issuing an RFP, at this time, is the next step. The study's recommendation is for the County to first issue a request for information in order for Commissioners Court to make a more informed determination on partner selection and implementation. There are people who assist the court who are better at assessing if a public or private partnership should be with a single private provider or several.
