

Grantor or its successors or assigns shall observe and exercise all notification laws as per the Underground Facility Damage Prevention and Safety Act, also known as "ONE CALL" & "CALL BEFORE YOU DIG", when working in or near the Easement Area.

To the extent that such Laws and Codes apply to Grantor, its successors or assigns, Grantor or its successors or assigns shall observe all safety codes and laws which apply to working along, within and or near the Easement Area and Facilities during construction activities and safe clearance from such Facilities, including O.S.H.A., Chapter 752 of the Texas Health and Safety Code, the National Electric Code, and the National Electrical Safety Code. Grantor, its successors or assigns, is hereby obligated to place National Electrical Safety Code notices into Community Deed Restrictions when Easement Areas fall within Residential Developments.

The easement herein granted is a blanket easement and shall apply only insofar as the boundaries of the above described property will permit. Grantee further reserves the right to extend services and drops within the herein described property and to adjacent land owners from said Facilities.

No structures shall be permitted closer than five (5) feet to the centerline of any underground or above ground Facilities.

No structures shall be permitted closer than fifteen (15) feet to the centerline of any overhead electrical Facilities, beginning at a plane sixteen (16) feet above the ground and extending upward.

If Grantor, its successors or assigns should at any future date request that the Easement Area herein granted be further defined, Grantee agrees, at Grantor's

expense, to prepare a new easement described by a sealed and surveyed metes and bounds sketch in accordance with terms and procedures set forth on Exhibit "A" and Grantee agrees to release the herein described easement at Grantor's expense upon execution and delivery of the new easement by Grantor.

In the event that Grantor, its successors and assigns, desire that Grantee's Facilities be relocated, then Grantee agrees to relocate said Facilities provided that Grantor furnishes a suitable and feasible site or location for such relocation and, provided that Grantor, its successors and assigns, shall, if requested by Grantee, furnish to Grantee a suitable and acceptable easement covering the new location. Any and all costs associated with relocating said Facilities will be at Grantor's sole expense.

Grantee shall also have reasonable rights of ingress and egress to and from said Easement Area, together with reasonable working space, for the purposes of erecting, installing, operating, maintaining, replacing, inspecting, and removing said Facilities, together with the additional right to remove from said Easement Area and land adjoining thereto, all bushes, trees and parts thereof, or other structures which, in the opinion of Grantee, endanger or may interfere with the efficiency, safe and proper operation, and maintenance of said Facilities.

TO HAVE AND TO HOLD the herein described easement, together with all and singular the rights and appurtenances thereto in anywise belonging, unto Grantee, its successors or assigns, forever, and Grantor does hereby bind itself and its successors, heirs, assigns, and legal representatives, to fully warrant and forever defend all and singular the herein described easement and rights unto said Grantee, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any

part thereof, by, through or under Grantor, but not otherwise. In the event of a deficiency in title or actions taken by others which results in the relocation of Grantee's Facilities, the Grantor herein, its successors and assigns, shall be responsible for all costs associated with the relocation and/or removal of Grantee's Facilities.
