All payments made to the person deemed to be the Owner of any Note in accordance with this Section shall be valid and effectual and shall discharge the liability of the County and the Registrar upon such Note to the

extent of the sums paid.

Amounts held by the Registrar which represent principal of and interest on the Note remaining unclaimed by the Owner after the expiration of three years from the date such amounts have become due and payable shall be reported and disposed of by the Registrar in accordance with the applicable provisions of Texas law including, to the extent applicable, Title 6 of the Texas Property Code.

Note shall be exchangeable upon presentation and surrender at the principal payment office of the Registrar in Austin, Texas, for a Note of like maturity and interest rate and in any authorized denomination, in an aggregate amount equal to the unpaid principal amount of the Note presented for exchange. The Registrar shall be and is hereby authorized to authenticate and deliver exchange Note in accordance with the provisions of this Section. Each Note delivered in accordance with this Section shall be entitled to the benefits and security of this Order to the same extent as the Note in lieu of which such Note is delivered.

The County or the Registrar may require the Owner of any Note to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the transfer or exchange of such Note. Any fee or charge of the Registrar for such transfer or exchange shall be paid by the County.

11. Mutilated, Lost, or Stolen Note. Upon the presentation and surrender to the Registrar of a mutilated Note, the Registrar shall authenticate and deliver in exchange therefor a replacement Note of like maturity, interest rate, and principal amount, bearing a number not contemporaneously outstanding. If any Note is lost, apparently destroyed, or wrongfully taken, the County, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Note has been acquired by a bona fide purchaser, shall authorize and the Registrar shall authenticate and deliver a replacement Note of like maturity, interest rate and principal amount, bearing a number not contemporaneously outstanding.

The County or the Registrar may require the Owner of a mutilated Note to pay a sum

sufficient to cover any tax or other governmental charge that may be imposed in connection therewith and any other expenses connected therewith, including the fees and expenses of the Registrar. The County or the Registrar may require the Owner of a lost, apparently destroyed or wrongfully taken Note, before any replacement Note is issued, to:

- (1) furnish to the County and the Registrar satisfactory evidence of the ownership of and the circumstances of the loss, destruction or theft of such Note;
- (2) furnish such security or indemnity as may be required by the Registrar and the County to save them harmless;
- (3) pay all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Registrar and any tax or other governmental charge that may be imposed; and
- (4) meet any other reasonable requirements of the County and the Registrar.

If, after the delivery of such replacement Note, a bona fide purchaser of the original Note in lieu of which such replacement Note was issued presents for payment such original Note, the County and the Registrar shall be entitled to recover such replacement Note from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the County or the Registrar in connection therewith.

If any such mutilated, lost, apparently destroyed or wrongfully taken Note has become or is about to become due and payable, the County in its discretion may, instead of issuing a replacement Note, authorize the Registrar to pay such Note.

Each replacement Note delivered in accordance with this Section shall be entitled to the benefits and security of this Order to the same extent as the Note in lieu of which such replacement Note is delivered.

12. Cancellation of Note. Any Note paid in accordance with this Order, and any Note in lieu of which exchange Note or replacement Note are authenticated and delivered in accordance herewith, shall be cancelled and destroyed upon the making of proper records regarding such payment. All calculations and determinations by the Purchaser of the amounts which, in the aggregate, constitute the Prepayment Premium payable pursuant to the preceding provisions or of any element thereof, if made in accordance with its then standard procedures for so calculating or determining such amounts, shall be conclusive absent manifest arithmetic error.

(d) No Private Loan. Except to the extent permitted by section 141 of the Code and the regulations and rulings relating to section 141 of the Code, the County shall not use Gross Proceeds of the Note to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, Gross Proceeds are considered to be “loaned” to a person or entity if (1) property acquired, constructed or improved with Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes, (2) capacity in or service from such property is committed to such person or entity under a take or pay, output, or similar contract or arrangement, or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or such property are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the regulations and rulings thereunder, the County shall not, at any time prior to the earlier of the final stated maturity or final payment of the Note, directly or indirectly invest Gross Proceeds of the Note in any Investment (or use such Gross Proceeds to replace money so invested), if as a result of such investment the Yield of all Investments allocated to such Gross Proceeds whether then held or previously disposed of, exceeds the Yield on the Note.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the regulations and rulings thereunder, the County shall not take or omit to take any action which would cause the Note to be federally guaranteed within the meaning of Section 149(b) of the Code and the regulations and rulings thereunder.

(g) Information Report. The County shall timely file with the Secretary of the Treasury the information required by Section 149(e) of the Code with respect to the Note on such forms and in such place as such Secretary may prescribe.

(h) Payment of Rebate Amount. Except to the extent otherwise provided in Section 148(f) of the Code and the regulations and rulings thereunder, the County shall:

(i) account for all Gross Proceeds of the Note (including all receipts, expenditures and investments thereof) on its books of account separately and apart

from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of such accounting for at least nine years after the final Computation Date. The County may, however, to the extent permitted by law, commingle Gross Proceeds of the Note with other money of the County, provided that the County separately accounts for each receipt and expenditure of such Gross Proceeds and the obligations acquired therewith,

(ii) calculate the Rebate Amount with respect to the Note not less frequently than each Computation Date, in accordance with rules set forth in Section 148(f) of the Code, Section 1.148-3 of the Regulations, and the rulings thereunder. The County shall maintain a copy of such calculations for at least three years after the final Computation Date,

(iii) as additional consideration for the purchase of the Note by the initial purchaser thereof and the loan of the money represented thereby, and in order to induce such purchase by measures designed to ensure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, pay to the United States the amount described in paragraph (ii) above at the times, in the installments, to the place, in the manner and accompanied by such forms or other information as is or may be required by Section 148(f) of the Code and the regulations and rulings thereunder, and

(iv) exercise reasonable diligence to assure that no errors are made in the calculations required by paragraph (ii) and, if such error is made, to discover and promptly to correct such error within a reasonable amount of time thereafter, including payment to the United States of any interest and any penalty required by the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the regulations and rulings thereunder, the County shall not, at any time after the Issue Date of the Note and prior to the earlier of the final stated maturity or final payment of the Note, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Note not been relevant to either party.

(j) Not Hedge Bonds. The County will not invest more than fifty (50) percent of the Proceeds of the Note in Nonpurpose Investments having a guaranteed yield for four years or more. On the Issue Date, the County will reasonably expect that at least eighty-five (85) percent of the Net Sale Proceeds of the Note will be used to carry out the governmental purpose of such series within three years after the Issue Date.

20. Use of Proceeds. Proceeds from the sale of the Note shall be used for the purposes described in Section 2 of this Order and for paying the costs of issuance of the Note. Any proceeds remaining after accomplishing the purposes set out in Section 2 and paying costs of issuance, including earnings on investments of such proceeds, shall be transferred to the Debt Service Fund.

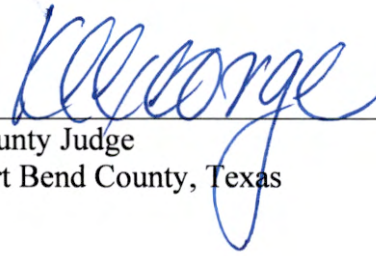

21. Related Matters. The County Judge, the Commissioners Court, the County Clerk, the County Auditor and other appropriate officials of the County are hereby authorized and directed to do any and all things necessary and/or convenient to carry out the terms of this Order.

22. Registrar. The form of agreement setting forth the duties of the Registrar is hereby approved, and the appropriate officials of the County are hereby authorized to execute such agreement for and on behalf of the County.

23. No Personal Liability. No recourse shall be had for payment of the principal of or interest on any Note or for any claim based thereon, or on this Order, against any official or employee of the County or any person executing any Note.

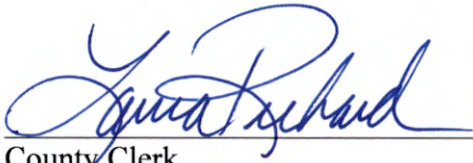

24. Open Meeting. It is hereby officially found and determined that the meeting at which this Order was adopted was open to the public, and that public notice of the time, place and purpose of said meeting was given, all as required by the Texas Open Meetings Act.
