

STATE OF TEXAS §
 §
 COUNTY OF FORT BEND §

**AMENDMENT TO AGREEMENT FOR
 CONSTRUCTION OF A NEW EMERGENCY OPERATIONS CENTER
 RFQ 21-029**

THIS AMENDMENT, is made and entered into by and between Fort Bend County (hereinafter "County"), a body corporate and politic under the laws of the State of Texas, and Crain Group, LLC, (hereinafter "Contractor"), a company authorized to conduct business in the State of Texas.

WHEREAS, the parties executed and accepted that certain Agreement for Construction of a new Emergency Operations Center on January 26, 2021 pursuant to RFQ 21-029, (hereinafter "Agreement"); and

WHEREAS, the parties desire to amend the Agreement to extend the general conditions due to delays and increase the total Maximum Compensation under the Agreement.

NOW, THEREFORE, the parties do mutually agree as follows:

1. County shall pay Contractor an additional two hundred sixty-one thousand two hundred eighty-two dollars and 69/100 (\$261,282.69) for Contractor to provide the additional services pursuant to Contractor's Change Order dated September 16, 2022, attached hereto as Exhibit "A" and incorporated herein for all purposes.
2. The Maximum Compensation payable to Contractor for all Services rendered is hereby increased to an amount not to exceed nine million five hundred fifty-two thousand one hundred sixty-six dollars and 69/100 (\$9,552,166.69), authorized as follows:
 - \$9,290,884.00 under the Agreement; and
 - \$261,282.69 under this Amendment.
3. In no case shall the amount paid by County for all Services under the Agreement and this Amendment exceed the Maximum Compensation without an agreement executed by the parties.
4. BY ACCEPTANCE OF AGREEMENT, CONTRACTOR ACKNOWLEDGES THAT THE COUNTY IS OPPOSED TO HUMAN TRAFFICKING AND THAT NO COUNTY FUNDS WILL BE USED IN SUPPORT OF SERVICES OR ACTIVITIES THAT VIOLATE HUMAN TRAFFICKING LAWS.

Except as provided herein, all terms and conditions of the Agreement shall remain unchanged.

IN WITNESS WHEREOF, the parties hereto have signed or have caused their respective names to be signed to multiple counterparts to be effective on the date signed by the final party.

DESCRIPTION OF CHANGE ORDER
Per Fort Bend County (FBC) request, Dowley will provide and install electronic access control for seven (7) additional doors at the Emergency Operation Center (EOC). New access controlled doors are: Rooms: 134, 214, 215, 216, 217, 218 and 219.
We will be repurposing parts from four (4) existing doors at 1st fl, meaning that (4) readers and (4) door controllers are existing. Dowley will provide new card readers and door controllers for 3 doors. All doors (7) will require home run composite cable to IDF room.
Div. 08 contractor to provide and install door contacts, electrified locking hardware and related wiring up to the accessible ceiling area.
Div. 27 contractor to provide data connectivity for door controllers.
Electrical Contractor to provide pathways for all cabling.
All network switch connections will be provided by the County's IT Department.
****Sales Tax has not been included with this Change Order Estimate. Tax will be billed with project invoices, unless Dowley has your Tax Exempt Certificate on file.

MATERIAL PRICE:	\$7,864.57
LABOR PRICE:	\$8,132.00

Re: Fort Bend EOC – Change Order 2
Date: May 11, 2022

Zack,

Please see attached Change Order per ASI #17.

Scope of work is as follows:

1. Provide and install a new 12-strand, OM4, plenum rated, armored fiber cable from the MDF on level 2 to the IDF on level 1. Cable will be provided with all necessary fiber housing, connectors, and testing.
2. Provide and install a new 12-strand, SM, plenum rated, armored fiber cable from the MDF on level 2 to the IDF on level 1. Cable will be provided with all necessary fiber housing, connectors, and testing.
3. Provide and install (12) new Category 6 cables from the MDF on level 2 to the IDF on level 1. All cables will terminate on new patch panels and will be tested end to end.
4. Provide and install a 1" plenum rated innderduct from the MDF on level 2 to the IDF on level 1.
5. Provide and install (2) 48-port rack mounted CAT5e patch panels for Demarc extension from service provider wall mount equipment. Extension includes cabled with amphenol connectors.
6. Provide and install MaxCell in outdoor conduits per update site plan.

Please let me know if you have any questions.

Thank you,

Fernando Calderon

Scope of Work

- 1) UNLOADING & STORAGE: All unloading and storage of equipment purchased is the responsibility of the purchaser unless otherwise specified
- 2) INSTALLATION: All prices for installation are based on the following:
 - a) Unless specifically stated otherwise, all installation will be performed by factory-trained non-union personnel. If union labor is required, additional charges will apply.
 - b) All wire, wiring, conduit, electrical hookup, control wiring, mounting of control panels and outside lights (if applicable) by others.
 - c) Prices are based on installation of equipment during normal business hours and a normal business week. If specified work is to be done on weekend, additional charges will apply.
 - d) Pricing is also based on all equipment being installed on same trip with driveway to be poured prior to start of installation. Additional charges will be added if additional trips are involved due to site conditions.
 - e) If installation involves removal of existing equipment, pricing does not provide for handling and disposing of existing equipment unless otherwise specified.
 - f) Preparation of site, removal of obstructions to accept equipment, cutting, patching, and painting is by others.
- 3) DOCK LEVELERS: Specific to dock levelers and their proper installation:
 - a) Installation of levelers excludes excavating, forming of pits, and pit steel. Pit forming can be provided and quoted as an option.
 - b) Installation pricing includes necessary materials, off loading into pre-formed pit, positioning, shimming, and welding in place for pit leveler only.
 - c) Box Leveler - Shimming and securing a box leveler in place is the responsibility of others. Installation refers to final adjustment only for this type of leveler.
 - d) If pit formation has been included, Just Rite Equipment, Southern Dock Products, and affiliates are not responsible for any sub-surface complications during pit excavation. Should unforeseen obstructions (conduit, water lines, wall thickness greater than 10", slab thickness greater than 6", etc.) be encountered, customer will be notified.
 - e) Unless otherwise noted, pit formation does not include a dust control enclosure around the dock during concrete cutting.
- 4) OVERHEAD DOORS: Specific to overhead doors and their proper installation:
 - a) Installation of overhead doors is based on an enclosed facility with a finished floor.
 - b) All interior mounting surfaces to flush and plumb.
 - c) Door frames, extensions and anchor plates for track, springs and / or electric operators are to be supplied and installed by others.
 - d) For operators, all electrical wiring, interconnections, and supply of primary power by others.
- 5) ELECTRICAL: Electrical install for power and controls by others. All wire, wiring, conduit, electrical hookup, control wiring, mounting of control panels and outside lights (if applicable) by others.
- 6) EXCLUSIONS: Pollution Liability, Professional Liability, OCIP/CCIP and Tax all excluded from proposals unless expressly provided.

For Standard Terms & Conditions of Sale please visit:
<http://duraservcorp.com/terms/terms-and-conditions.pdf>

Legal Entity name is Duraserv Corp
FEIN No. 46-4394239.
Address: 2200 Luna Rd, Ste 160, Carrollton, TX 75006.
All contract documents should be sent to contracts@duraservcorp.com.
All insurance requests should be directed to insurance@duraservcorp.com.

All prices quoted herein are subject to steel price increases from our suppliers. Increases may be applied to orders before the time of shipment in certain situations. Most suppliers have informed us of their intent to increase prices, but we have little definitive information at this point. Some suppliers have had their term buying contracts shortened or rescinded by steel mills and/or wholesalers, thus causing price uncertainty. We will try to keep you informed of any pending announcements or increases, and also try to mitigate these as best we can. Thanks for your business and understanding.

Here is our estimated quote on the goods and services for this project. Subject to the conditions noted below.

Item	Qty.	Make/Model	Description	Each	Extension
------	------	------------	-------------	------	-----------

Assumptions: if not additional charges may apply

1. Equipment only
2. Restocking fee is 30% plus shipping.

Conditions: NON negotiable and additional charges will apply.

1. All work is quoted during normal working hours and will be performed concurrently Monday through Friday between- 8:00 A.M. through 5P.M.
2. After hours work will be invoice at 1.5x trade rate and 2x trade rate for weekend work.
3. Noslar was not compensated for engineering, design and will not be held liable or responsible for such as well as operational integrity of the system. Unless Noslar was pre-paid for professional services.
4. Systems walk through, and sign off will be performed immediately after installation.
5. Training will be scheduled and provided immediately after installation completion- no less than in 5 days. If training is not performed within this time, additional charges will apply. Training is quote as a concurrent session, if training is broken into multiple days/hours, then addition charges will apply.
6. Deviation from scope of work or additional work not specified in scope of work and/or changes in timelines will constitute a change order and additional cost will apply.
7. This quote does not include electrical nor construction/millwork. If required, others will provide in a timely fashion as not to delay Noslar or project.
8. Installation and all work is estimated based on hours quoted herein only. If additional hours are required due to delay/s or changes beyond Noslar's control - additional hours will be invoiced.
9. Project delays outside of Noslar's control, including but not limited to delay by other trades or customer, will result in additional cost to customer." including unscheduled meetings minimum of \$400.00 per day of delay and for each person on this project.
10. Work outside of above scope will be invoiced at a minimum 4 hours per trade per day occurrence. Hourly rate for each trade is; Eng \$175, Programmer \$150, Sr-Tech \$125, Tech 3-\$75, Tech 2 - \$60 Tech 1- \$40, Admin \$40 and CAD \$40.
11. Noslar will only provide 60 days of system installation warranty after installation if service contract is not provided.
12. Equipment might have longer manufacturers' warranties but will require owner to handle service of item with manufacturer.
13. If a Service Contract is not part of this estimate then service calls required after the 60 days will be invoiced at standard service rate minimum 4 hours per call at a minimum of \$400 per service call.
14. Service Agreement time imitates upon the first use of the system and/or upon training/sign-off
15. The owner will provide a secured work place for the installation of this system. Any items stolen from the work site will be billed back to owner as recovery.
16. CHANGE ORDERS-All request for additional services, revisions, revised or updates that are not documented herein will be considered change orders and will be subject to additional fees.
17. Change Order/s require immediate attention and approval as not to delay Noslar's work.
18. We assume you have read all requirements for this project and Noslar is not responsible for items you missed that may cause additional expense to this project including Noslar addition charge to you.
19. This equip list, drawings, concepts and data is confidential. Noslar reserves the all rights. If this system proposal is used other than in conjunction with Noslar's authorization, Noslar will invoice to recover all cost associated. See last line below.
20. RMA- All returns are subject to manufacture return cost – restocking fee 20% plus all shipping cost from and to.
21. All quotes/proposals are good for 60 days
