Per Texas Administrative Code (TAC) 31.47, Audit and Project Close-Out Standards: The subrecipient shall make every reasonable effort to complete all project activities and request appropriate reimbursements within the time period specified in the project agreement. This PGA may be suspended or terminated for cause, mutual agreement, or convenience. Upon termination for convenience, the PGA may be cancelled without penalty by either party by providing thirty (30) days written notice to the other party. TxDOT will reimburse the subrecipient for eligible expenses up to the date specified in the notice of cancellation. TxDOT's Public Transportation Division's (PTN) sets a Federal Transit Administration overall Disadvantaged Business Enterprise (DBE) goal every three years for funds expended by grantees. The proposed overall goal for fiscal years 2021 - 2023 is 3.1 percent. This is not a contract specific goal but an overall goal for annual DBE participation. PTN grantees should undertake efforts to include DBE.
