**Solicitation # Bid 20-005; Term Contract for Purchase of Safety Shoes and Boots**

**SUBJECT: Price increase proposal**

*To Whom It May Concern,*

Safety Shoe Distributors LLP agrees to renew the agreement with Fort Bend County with the exception that SSD is requesting a 5% increase. The Consumer Price index from October 2021 to October 2022 was a 7.7% increase. Safety footwear during this period increased as much as 10%. This 5% increase will mitigate some of the price increases we have absorbed.

## Welcome to Justin Brands B2B

**May 6, 2022**

Hello,

We continue to experience increased rates across a multitude of touchpoints in the supply chain process. Since we do not see the situation improving over the next several months, we will be changing how we invoice and surcharge for our products.

At Justin Brands, we recognize the administrative burden caused by the ocean freight surcharge. With this in mind, we have eliminated the 6% surcharge effective, **5/14/22**. As a result, Justin Brands will implement a price increase, effective immediately for shipments occurring after **05/18/22**. Furthermore, all brands will institute an IMAP holiday from May 15, through September 30.

We would like to take this time to thank you for your business and cooperation during these challenging times. As our inventory situation continues to improve, we hope you find the net result of these changes to be beneficial for you and your customers. Your sales representative will be reaching out to you to explain and answer any questions you may have.

We certainly appreciate your business and cherish our partnership! Thank you again.

Sincere Regards,

Greg Crouchley  
President, Justin Brands, Inc.

Dear HYTEST Distributors:

I hope this letter finds you well and your business thriving as we hit the midway point of the 2022 calendar year.

As you may be aware, each brand under the Wolverine Worldwide portfolio operates individually. This letter is pertaining to your HYTEST Branded products.

I am writing you regarding continued increased costs associated with all areas of the business, both domestically and overseas. The largest of these cost increases include factory labor wages, rising fuel costs both domestic and abroad, and increased material/component pricing. As this remarkable global inflationary environment continues, I wanted to inform you it will impact our wholesale and retail pricing model beginning Jan 1, 2023.

HYTEST Brand will honor current wholesale prices for orders shipped by 12/31/22. All orders shipped after 12/31/22, regardless of order date, will be invoiced at the new 2023 prices. Please see attached 2023 pricelist. Our current intentions are to make this the single wholesale price increase for Wolverine Brand in 2023.

On January 1, 2023 MSRP and iMAP will also be adjusted to coincide with the new 2023 wholesale prices.

Please do not hesitate to contact your HYTEST Account Manager or myself with any questions.

Sincerely,

Karry Johnson  
VP/GM HYTEST
