Commissioner Meyers clarified this Commissioners Court had no input with regard to the redistricting plan which was approved in 2021. The plan was presented to the court at the last minute during court and the community had no input on the redistricting plan. Commissioner stated he faces a real prospect of being forced out of his home in order to continue serving his constituents and the people of Fort Bend County, which is something he has done for nearly 27 years. This motion is to put Sugar Creek subdivision, where Commissioner lives, back in Precinct 3 where it has been for over 30 years. In the 2021 redistricting, the Democratic majority of the court moved Sugar Creek out of Precinct 3 and placed it in Precinct 2. Commissioner stated this is unprecedented.
