Dear KATIE WICKHAM,

Staff has completed its review for the project that is to be located at 5210 Manor Drive, Sugar Land, TX 77479. You may now request temporary power if applicable by selecting "Request Inspection" on your permit entry at www.mygovernmentonline.org and choosing Temporary Power from the available inspection list. Please see any comments issued below for reference as you proceed with your development.

Road and Bridge Department Comments

The following comments have been provided by RB Driveway. Should you have any questions or require additional information regarding any of these comments, please contact RB Driveway at by telephone at () - or by email at rbdriveway@fortbendcountytexas.gov.

Per Ronnie Sebesta needs to be 18" - HDPE pipe can be used since this is residential. Driveway needs to be a minimum 20' and maximum 40'. Once permit is approved through commissioner's court, please call our office at 281-342-4513 to get grade and flow line set, and 24 hours prior to setting driveway to schedule an inspection.

This project review is based only on the information provided. This review in no way alleviates the responsibility of the owner or contractor to comply with all regulations adopted by Fort Bend County, as well as state and federal laws and codes. No code violations are "approved" by this office.

Should you have questions regarding specific comments, please contact the staff member referenced under the section in which the comment occurs. Should you have questions or require additional information regarding the process to request Temporary Power, if applicable, please call www.mygovernmentonline.org technical support 1-866-957-3764, option 1.

This letter does not constitute an issued permit or approval of this permit application. You will receive your approved permits from the Engineering Department by separate transmittal.

Thank you,
