Subject: Proposal – Amend existing contract for Construction Inspection Services for Fort Bend County

Dear Mr. Slawinsky,

Sowells Consulting Engineers (SCE) is pleased to submit this **Proposal** to Fort Bend County (“Client”) to amend our existing contract to provide Construction Inspection services for Fort Bend County Mobility Bond Program projects. The scope of services outlined below has been prepared based on our discussions.

SCOPE OF SERVICES

Construction Inspection Services

Perform professional construction inspection services for each Project. Such services shall consist of the close, technical, on-site examination of the materials, structures, equipment and workmanship and methods used by the construction contractor to ensure that the Project is constructed in compliance with the Construction Documents and according to good construction practices. Such services shall include but not be limited to, the following:

- Provide inspection of construction work to ensure compliance with the contract documents, plans, specifications and standards
- Complete daily reports of contractor’s progress in accordance with the project requirements
- Measure quantities installed by the contractor and record in a daily report
- Photograph contractor’s progress and attach to the daily report
- Monitor quality control and quality assurance material field testing for concrete, steel, asphalt and soils as needed
- Monitor contractor’s work for safety violations and report to contractor and supervisor
- Attend meetings that facilitate open communication and problem resolution between

the contractor, client and stakeholders

- Complete final inspections to ensure contract completion
- Perform other duties as assigned

Construction Inspector will be responsible for daily on-site inspection of one or more transportation infrastructure projects to verify the contractor’s conformance to the project documents. The inspector will report directly to the Field Engineer and/or Construction Manager assigned to the project. Understanding of civil/roadway construction practices and procedures, coordination with private utilities, HOA’s, businesses, property owners, and Fort Bend Staff/Consultants will be required throughout the projects.

COMPENSATION

For Services rendered as outlined above, SCE shall be paid based on time and material for the Basic Services. Billings and payments shall be based on submitted time sheets and expense reports. The following are the new billing rates and increased fee proposed for this project:
