

Fort Bend County Expose Excellence Youth Program

Mission

To provide a safe environment for youth interaction while promoting positive self-expression and development of life skills and artistic expression

Vision

Broad investment in our youth, development of community pride, increase overall achievement, encouragement of positive expression, and development of leadership skills

Why

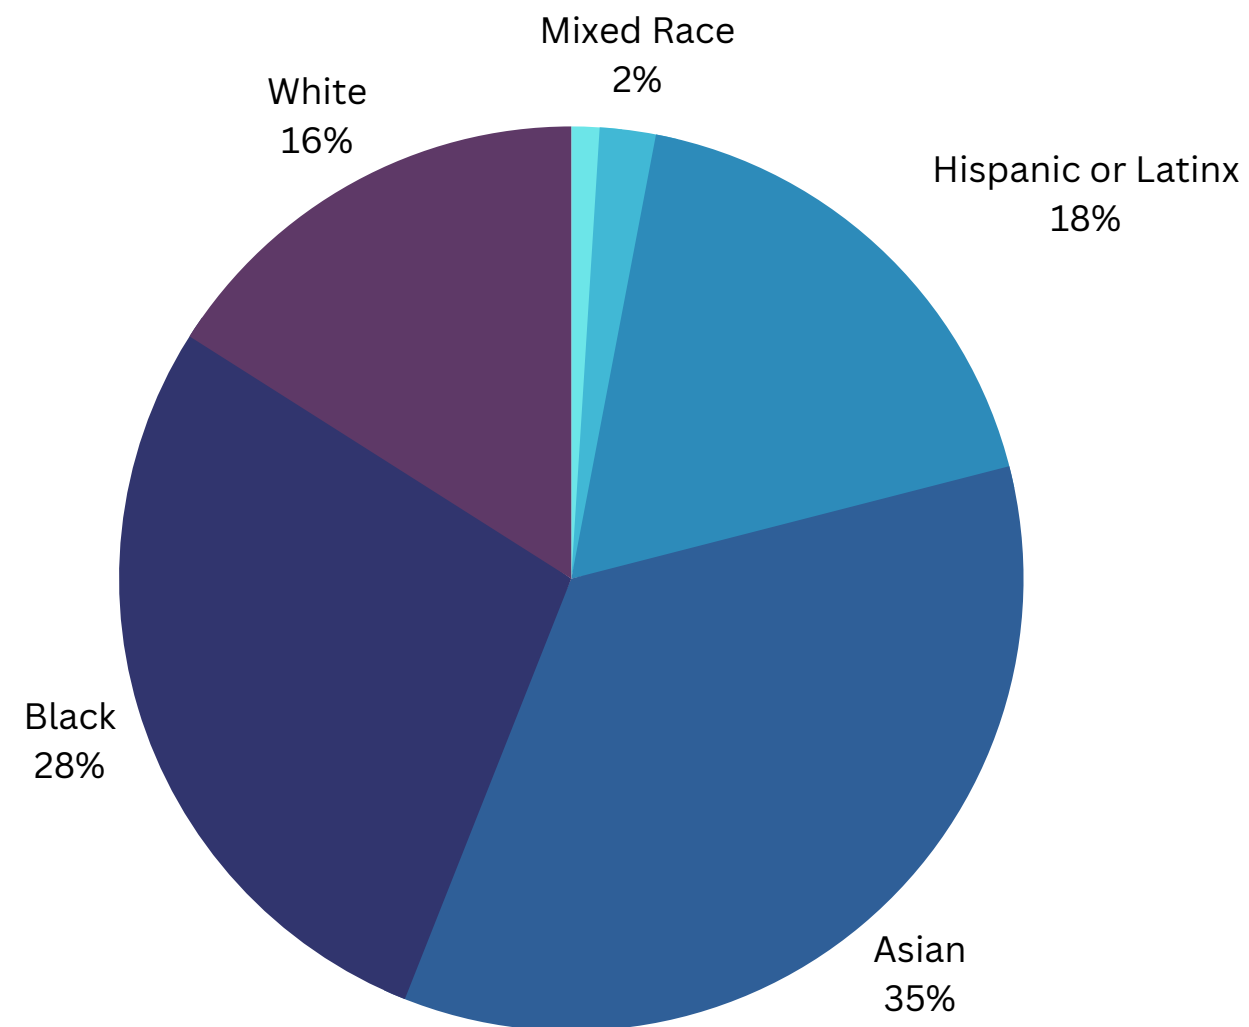

“Outreach programs have a proven track record of success and represent a smart on crime, best practices approach to crime prevention. Moreover, our children are our future. We must invest in our children to ensure our future success.” - FBCDA Brian Middleton

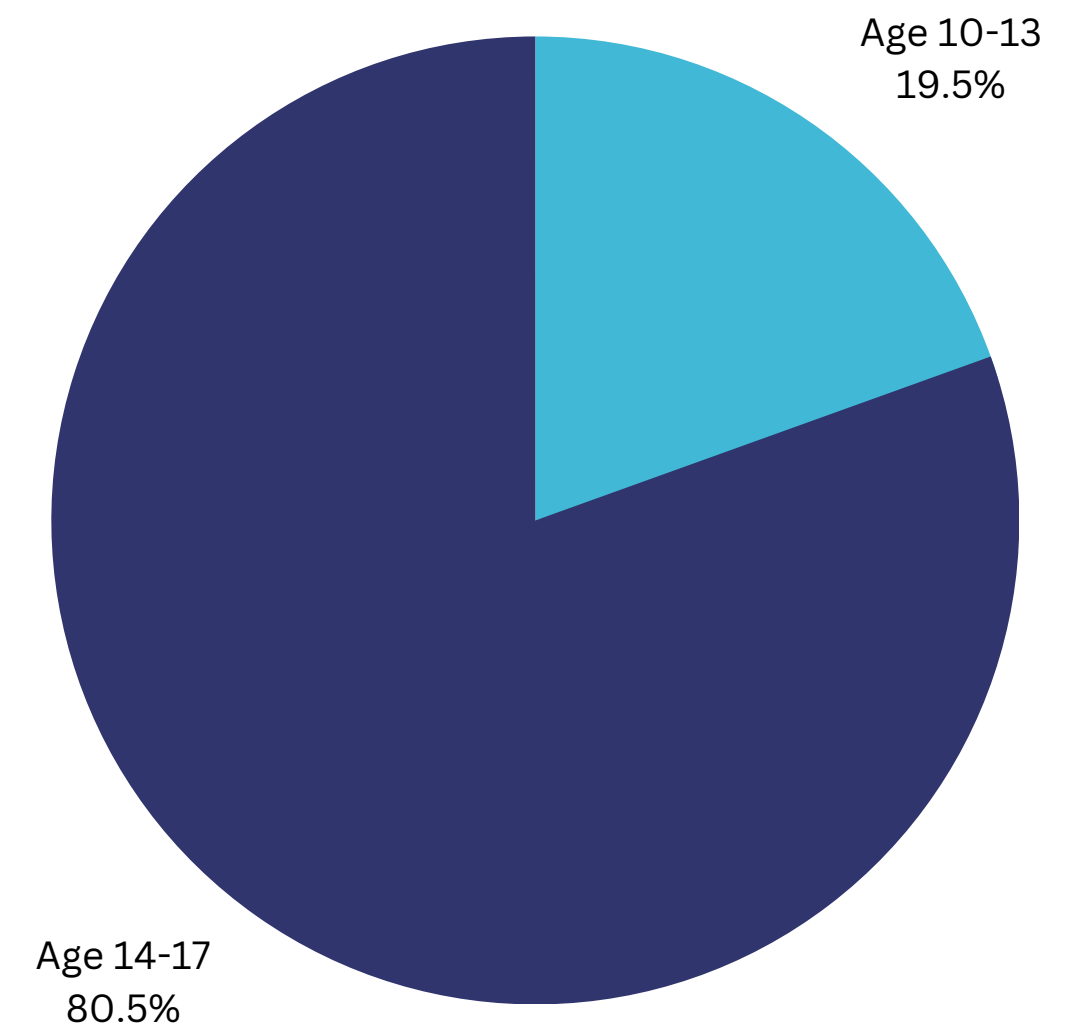

Who We Serve

- Students ages 10 to 17
- Over 1,000 students impacted since inception in September 2021
- Over 65 Fort Bend County schools reached
- All Fort Bend County school districts reached, including private school and homeschooled

Race Demographics

Age Group of EEYP Students

In-School Enrichment Programs

“Positive youth development programs strengthen young people’s sense of identity, belief in the future, self-regulation, and self-efficacy as well as their social, emotional, cognitive, and behavioral competence” -Centers for Disease Control

According to Youth.gov:

- Youth enrichment programs often provide the skills and education not normally included in the school curriculum
- These programs have the potential to prevent substance abuse and violence that contribute to risky behaviors and are associated with improvements in academic performance
- Afterschool programs support social, emotional, cognitive, and academic development, reduce risky behaviors, promote physical health, and provide a safe and supportive environment for children and youth

In-School Programs are FREE and open to ALL Fort Bend County Schools

-Sessions meet once a week

-8 to 10 on campus sessions

Leadership Program

The Leadership Program provides youth with necessary skills, experiences, and exposure to the qualities and characteristics needed to become leaders

Journalism Program

The Journalism Academy provides students with the knowledge and skills to write effectively and with purpose in the field of journalism

Anti-Bullying Program

This program provides the students with the education to help raise awareness to the risks of bullying and create effective solutions

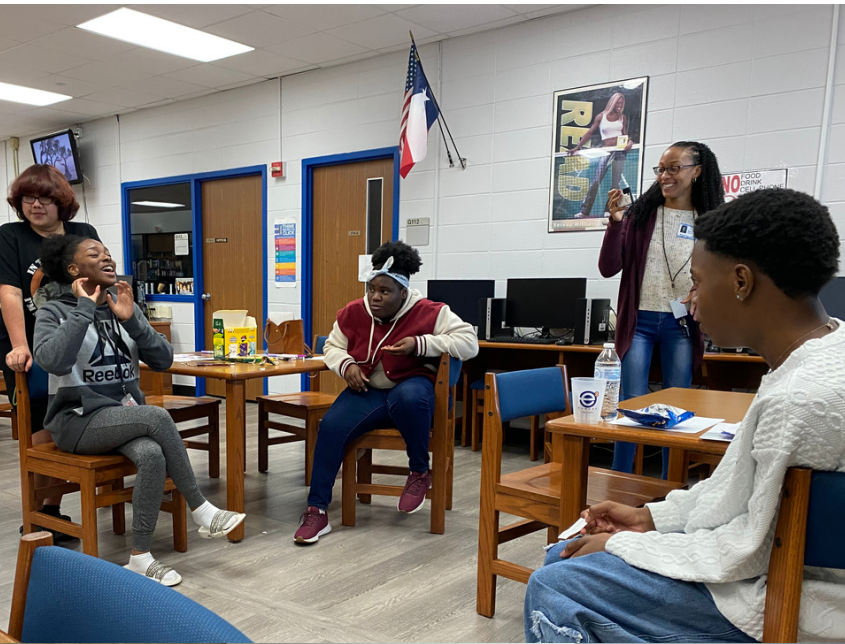

Art Exploration Program

In the EEYP Art Exploration Program, students develop their artistic self-expression by participating in sessions focused on different forms of art each week

“Students who perform voluntary community service were 19% more likely to graduate from college than those who did not” (Youth.gov)

- Expose Excellence has offered over 60 volunteer hours since inception
- 143 youth volunteers in the EEYP student database
- LCISD students need 100 volunteer hours for graduation cord, increasing to 160 hours for the next graduating class
- Various school clubs require members to accumulate volunteer hours
- Volunteer service is beneficial when applying for scholarships

“Volunteering allows me to apply purpose in my daily actions, develop my identity, and live out my passion.”
-Nishta B., Jordan High School

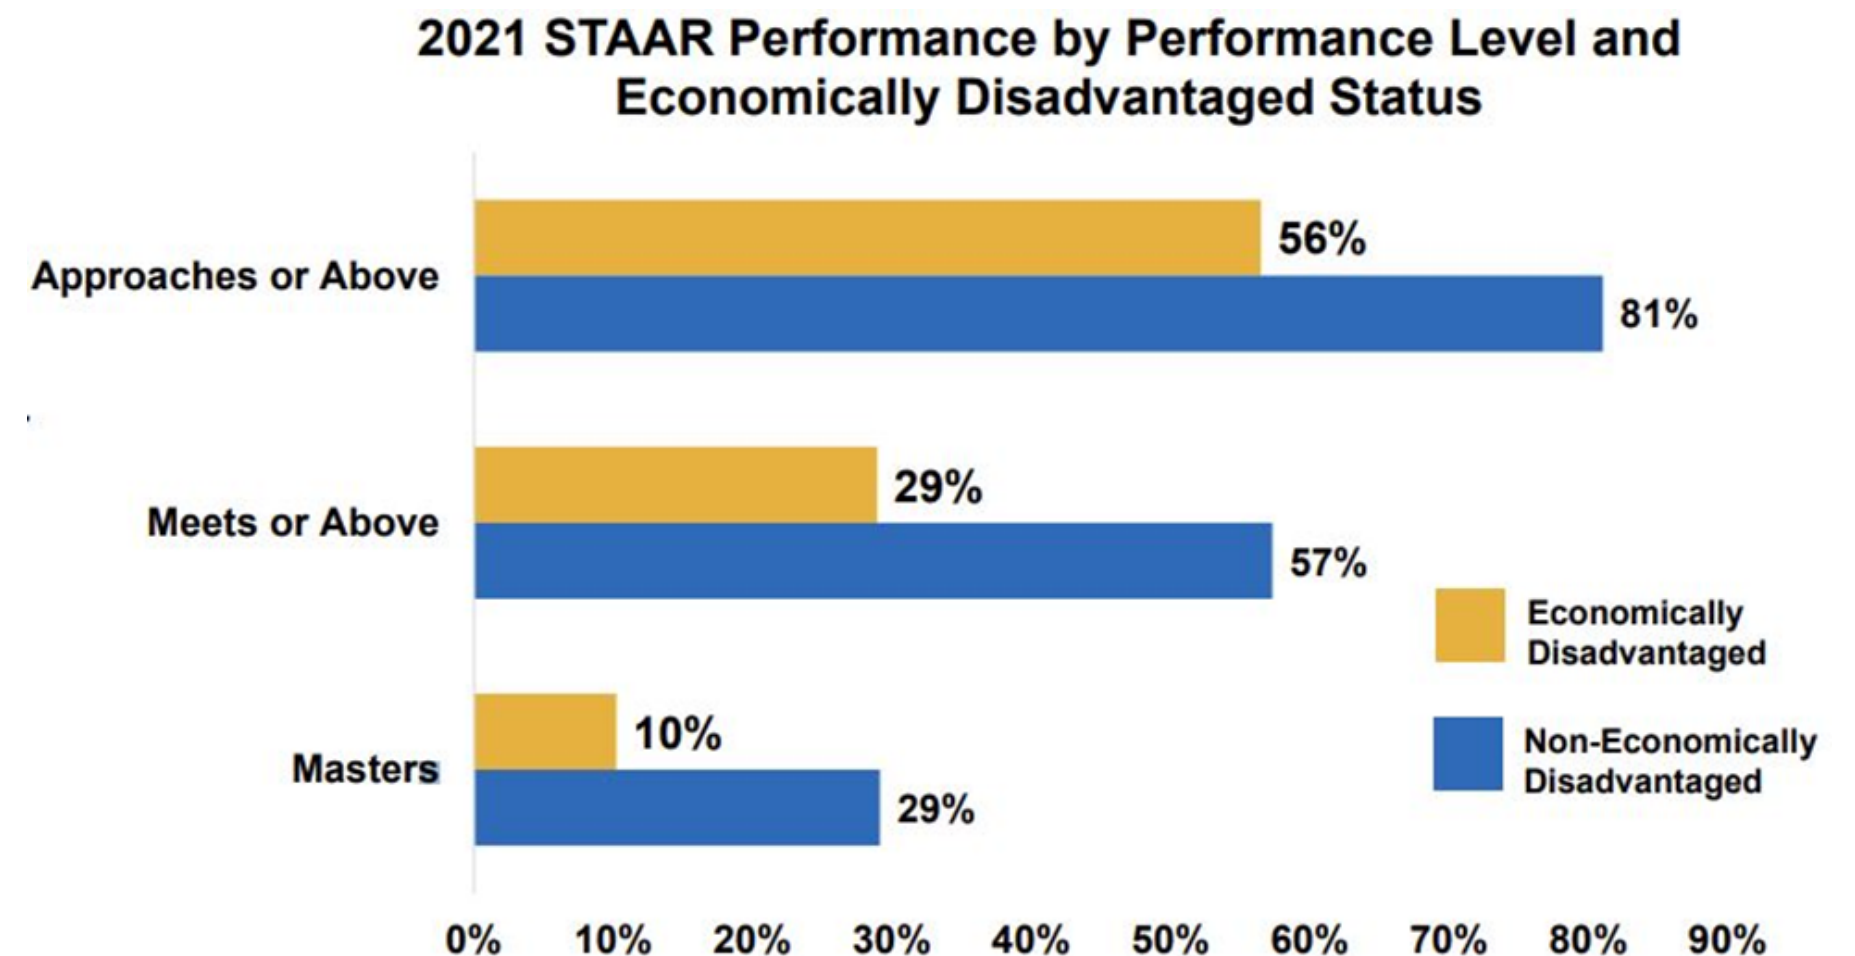

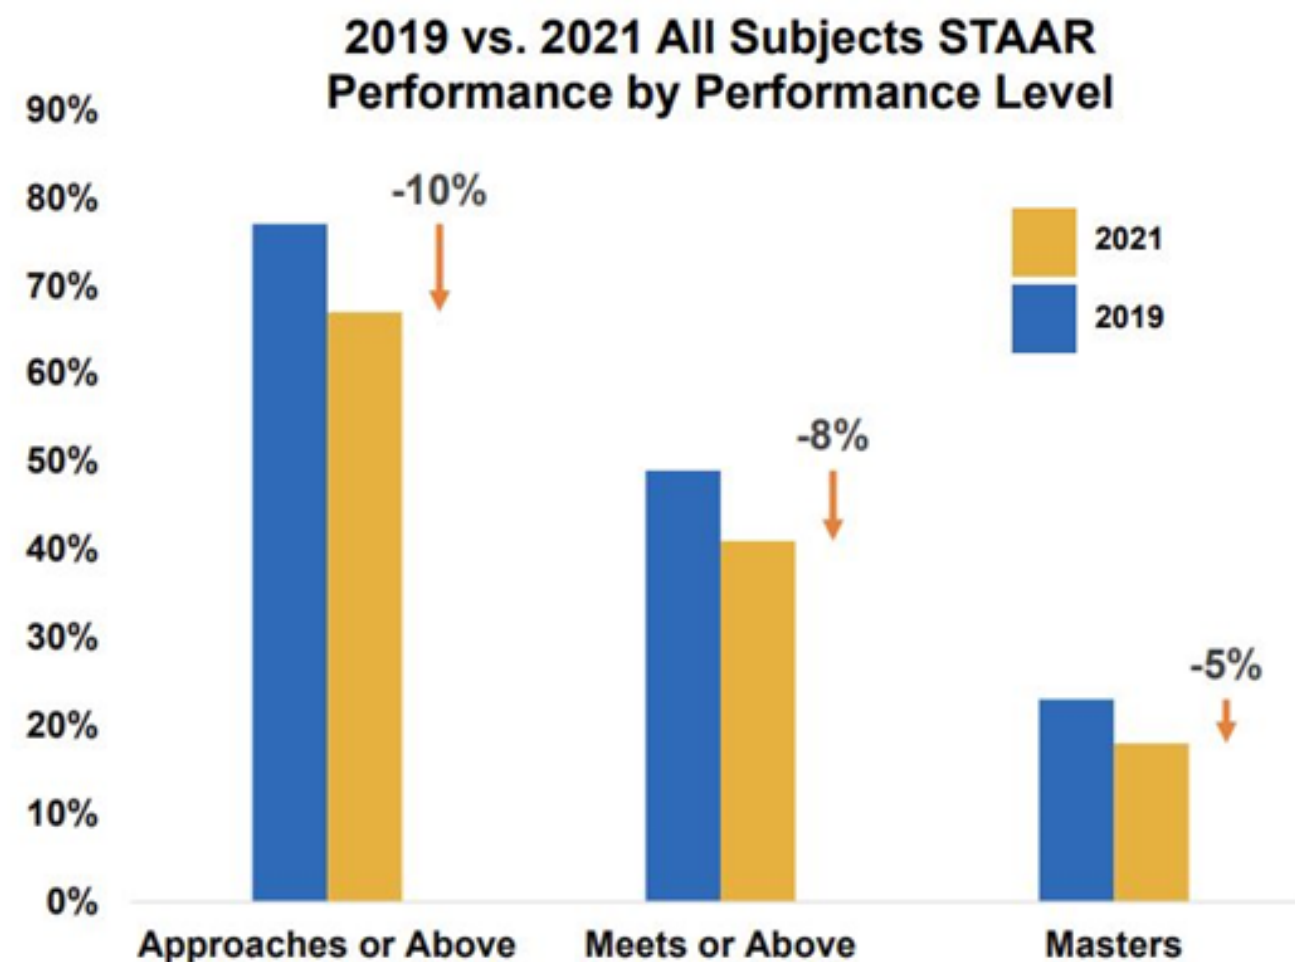

Free Tutoring Workshops

SAT:

- Texas ranks 38th in the US for SAT scores, falling 57 points below the national average score
- COVID-19 pandemic caused average SAT scores throughout Texas to drop from the previous years
- SAT tutoring ranges from \$400 to \$800; therefore, we offer free tutoring so all students have an opportunity to benefit

STAAR:

- According to tea.texas.gov, STAAR results showed a decrease across all performance levels in 2021
- 19% of freshmen students in Fort Bend County failed the English 1 EOC
- 18% of freshmen students in Fort Bend County failed the Algebra 1 EOC

Educational Field Trips

- Outside of the confines of the classroom, educational trips provide an important opportunity for personal development
- Studies show that well-organized field trips designed to meet specific educational objectives resulted in successful cognitive, affective, and psychomotor learning outcomes **(National Institute of Health)**
- Another study found that regardless of gender, ethnicity or socioeconomic status, children who take school trips have better grades (59%), higher graduation rates from high school (95%) and college (63%) and greater income (12% higher annually) **(U.S. Travel Association)**
- 89% of surveyed adults said educational trips had a positive, lasting impact on their education and career because enriching field trips made them more engaged, intellectually curious, and interested in and out of school **(U.S. Travel Association)**

Fort Bend County EpiCenter Mural Collaboration

EEYP students met with internationally renown muralist Reginald Adams to create the concept of the “Art of Culture” mural installed at the Fort Bend County EpiCenter.

*“The Art of Culture mural holds cultural importance as it celebrates Fort Bend County's unique diversity. Renowned muralist, Reginald C. Adams co-designed the mural with students and staff from the **Fort Bend County Expose Excellence Youth Program**. The mural’s significance lies in its remarkable depiction of a wide array of cultural aspects that define the Fort Bend County and the Sugarland/Richmond/Rosenberg community. The vibrant artwork showcases the arts, music, dance, cooking, literacy, Western culture, and the spirit of collaboration in gardening, all intricately woven together.”*
