Grantor hereby acknowledges that the Property herein conveyed shall become a part of a roadway facility and that Grantor's use of and access to the roadway facility shall be and forever remain subject to the same regulation by legally constituted authority as applies to the public's use thereof, and Grantor further acknowledges that the design and operation of such roadway facility may require that rights of ingress and egress and the right of direct access to and from Grantor's remaining property (if any) to said roadway facility shall hereafter be governed by the provisions set out in Exhibit "B" attached hereto and incorporated by reference for all intents and purposes; SAVE AND EXCEPT in the event access, or access points may be specifically allowed or permitted in said Exhibit "B", such access shall be subject to such regulation as is determined by the State of Texas, if any, to be necessary in the interest of public safety and in compliance with approved engineering principles and practices and subject to compliance with any other applicable state, local municipal, or county zoning, platting, and/or permit requirements.

Grantor, for the Consideration and subject to the Reservations from Conveyance and Exceptions to Conveyance and Warranty, GRANTS, GIVES, and CONVEYS to Grantee the Property, together with all and singular the rights and appurtenances thereto in any way belonging, to have and to hold it to Grantee and Grantee's successors, and assigns forever.
