Transit provider shall comply with Article 13: Project Records and Reports of the Master Grant Agreement requiring procurement and project milestones/ quarterly progress reports. Within 30 days of PGA execution, the subrecipient will provide the TxDOT Public Transportation Coordinator with a project milestone plan that delineates fund expenditures throughout the contract period.

Per Texas Administrative Code (TAC) 31.47, Audit and Project Close-Out Standards: The subrecipient shall make every reasonable effort to complete all project activities and request appropriate reimbursements within the time period specified in the project agreement. This PGA may be suspended or terminated for cause, mutual agreement, or convenience. Upon termination for convenience, the PGA may be cancelled without penalty by either party by providing thirty (30) days written notice to the other party. TxDOT will reimburse the subrecipient for eligible expenses up to the date specified in the notice of cancellation. Upon termination of a subgrant, the unexpended and unobligated funds awarded to the subgrantee immediately revert to the department.

TxDOT's Public Transportation Division's (PTN) sets a Federal Transit Administration overall Disadvantaged Business Enterprise (DBE) goal every three years for funds expended by grantees. The proposed overall goal for fiscal years 2021 - 2023 is 3.1 percent. This is not a contract specific goal but an overall goal for annual DBE participation. PTN grantees should undertake efforts to include DBE businesses in purchasing and contracting opportunities and are encouraged to utilize DBE business whenever practicable. The full definition of DBE program requirements is found in Article 24 of the Master Grant Agreement.
