

RIGHT OF ENTRY AGREEMENT

1. Fort Bend County ("Owner") grants to the City and its employees, agents, officers, engineers, contractors, and representatives the right to enter upon the real property described and/or shown in the attached Exhibit A (the "Property"), for the following purpose(s):

For the purpose of accessing the Property to conduct Geotech borings for CIP CWW2309 force main project as shown in the attached Exhibit B.

2. If any City activity on the Property results in any change in the Property, whether by boring, grading, digging, excavating, or other activity, the City will make reasonable efforts to restore the Property to the condition that existed prior to the activity.
3. During the term of this Agreement, the City will keep in effect an agreement for the Texas Municipal League Intergovernmental Risk Pool to provide liability coverage. The City will also require that its contractor have in place an insurance policy that insures against bodily injury, death, and property damage, at all times that the contractor is accessing the Property and conducting the environmental testing.
4. This Agreement is effective on the latest of the dates signed by the parties hereto and terminates ninety (90) days after the effective date.
