Section 3 Compliance Targeted Section 3 And Section 3 Worker Tracking Form

Section 3 established benchmark goals for:

- (a) 25% of total labor hours worked by Section 3 workers, and
- (b) 5% of total labor hours worked by Targeted Section 3 workers.

Grantees must use the Section 3 Compliance Form to track the labor hours of the workers across all contracts and subcontracts involved in the Section 3 project. This spreadsheet will keep a running total of the labor hours, Section 3 hours, and the Targeted Section 3 hours worked. The Section 3 benchmark percentages are automatically calculated and adjusted when labor hours are added, to allow the Grantee to always know where it stands with benchmark compliance.

The Workbook must be completed in its entirety for each contractor and subcontractor. The Prime shall submit all worksheets to the grant administrator weekly. The grant administrator is responsible for maintaining an accumulative workbook for the entire project to be submitted to DCEO at the end of the project.

Monitoring will be conducted to verify the grant records to document how Section 3 requirements are being met, that the appropriate documentation, forms, and certifications are maintained in the file, and to check the status of meeting the benchmarks.

If the benchmarks are not met, reporting is still required. See Safe Harbor Compliance Form.

The _____ (Grantee Name) has received a \$ _____ Community Development Block Grant from the Texas General Land Office to _____ (description of project) in the City/County of _____ (project location).

This grant will provide the _____ (Grantee Name) the opportunity to search for eligible local citizens interested in participating in the project. Section 3 of the Housing and Urban Development Act of 1968, as amended through 1994, provides that to the greatest extent feasible, preference for economic opportunities will be given to citizens in _____ (project location) who are determined to be low- and very low-income individuals. Opportunities such as job training and employment that arise through this Community Development Block Grant project will be directed toward City/County residents. Examples of Efforts to Award Contracts to Section 3 Businesses

1. Advertising contracting opportunities by posting notices, which provide general information about the work to be contracted and where to obtain additional information, in the common areas or other prominent areas of the housing development or developments owned and managed by the Housing Authority.
2. Utilizing the HUD Opportunity Portal to identify Section 3 Businesses in the project's service area and providing written notice of the contracting opportunity or sending invitations to bid directly to those businesses. Checking Texas' Disadvantaged Business Registry as part of the Business Enterprise Program (BEP). Please note that CMS does not track or certify for Section 3. However, the businesses listed may be interested in becoming a Section 3 Business Concern.
3. Following up with Section 3 business concerns that have expressed interest in the contracting opportunities by contacting them to provide additional information on the contracting opportunities.
4. Providing technical assistance to help Section 3 business concerns understand and bid on contracts.

7. Contacting agencies administering HUD YouthBuild programs, and notifying these agencies of the contracting opportunities.
8. Encouraging financial institutions, in carrying out their responsibilities under the Community Reinvestment Act, to provide no or low interest loans for providing working capital and other financial business needs.

Examples of Outreach Efforts to Offer Contracting, Training and Employment Opportunities to Section 3 Workers

1. Advertising the jobs to be filled through the local media, such as community television networks, newspapers of general circulation, and radio advertising.
2. Advertising the training and employment positions by distributing flyers (which identify the positions to be filled, the qualifications required, and where to obtain additional information about the application process) to public housing units and common areas of all developments within the project's service area. Consult the CDBG Management Guide to determine the project's service area.
3. Utilizing HUD Opportunity Portal and Section 3 Business Registry to post employment opportunities, or to find Section 3 Businesses and/or Workers in the project's service area
4. Referring Section 3 workers to Workforce job centers or other providers that offer resume building, interview preparation, job search and placement, financial literacy or other job readiness services.
5. Referring Section 3 workers to services supporting work readiness and retention (e.g., work readiness activities, interview clothing, test fees, transportation, childcare).
6. Conducting job interviews at the housing development or developments where Section 3 workers reside, or at a location within the neighborhood or service area of the Section 3 project.
7. Contacting agencies administering HUD Youthbuild programs and requesting their assistance in recruiting HUD Youthbuild program participants for any training and employment opportunities.
8. Holding one or more job fairs.
