Ed Sturdivant, County Auditor explained the County Attorney and Auditor received a letter from the Judge. Evidence was provided in writing where best efforts were made to comply with the policy. However, after subsequent review it still falls short of our Travel Policy, which is why this item is being presented to the court again for consideration.

Judge George stated this has been a discussion item and he has always said anyone who travels should get reimbursed; but here our Auditor is saying he cannot approve it, so it is hard to support something of this nature.
