Re: *Public Road Connection for Cordoba Creek at FM 361 on behalf of Houston LD, LLC – Sponsorship*

Honorable Judge George:

Fort Bend County Engineering Department has received and reviewed a request (letter attached) from Blackline Engineering on behalf of Houston LD, LLC, for Fort Bend County to sponsor a project for a public road connection for Cordoba Creek at FM 361. The road connection will provide a point of access for the Esperanza Development.

Any and all cost involved with the project will be borne by Houston LD, LLC There will be no cost to Fort Bend County.

The Texas Department of Transportation requests that an agency, such as Fort Bend County, act as a sponsor for the project. This means that the permit for the work will be issued in the name of Fort Bend County and the County accepts responsibility for the terms and conditions of the permit.

We recommend acceptance of the sponsorship and request that this item be placed on the 8/13/2024 Commissioners Court agenda. We have prepared a letter to Texas Department of Transportation for the County Judges' signature.

If there are any questions please do not hesitate to call.

Sincerely,

Maggie Dalton
Development Services Manager
