Re: *Public Road Connections for Tiger Run Boulevard at FM 359 on behalf of Lamar Consolidated Independent School District – Sponsorship*

Honorable Judge George:

Fort Bend County Engineering Department has received and reviewed a request (letter attached) from Kaluza Inc., on behalf of Lamar Consolidated Independent School District for Fort Bend County to sponsor a project for two public road connections for Tiger Run Boulevard at FM 359. The road connections will provide access for the proposed LCISD Campus 8.

Any and all cost involved with the project will be borne by Lamar Consolidated Independent School District. There will be no cost to Fort Bend County.

The Texas Department of Transportation requests that an agency, such as Fort Bend County, act as a sponsor for the project. This means that the permit for the work will be issued in the name of Fort Bend County and the County accepts responsibility for the terms and conditions of the permit.

We recommend acceptance of the sponsorship and request that this item be placed on the 10/08/2024 Commissioners Court agenda. We have prepared a letter to Texas Department of Transportation for the County Judges' signature.

If there are any questions please do not hesitate to call.

Sincerely,

Maggie Dalton
Development Services Manager
