**Re: Public Road Connection for Stormi Gayle Lane at State Highway 36 on
behalf of Thirty Six Project LLC – Sponsorship**

Honorable Judge George:

Fort Bend County Engineering Department has received and reviewed a request (letter attached) from McKim & Creed, Inc. on behalf of Thirty Six Project LLC., for Fort Bend County to sponsor a project for a public road connection for Stormi Gayle Lane at State Highway 36. The road connection will provide a point of access for the Plainview Subdivision.

Any and all cost involved with the project will be borne by Thirty Six Project LLC. There will be no cost to Fort Bend County.

The Texas Department of Transportation requests that an agency, such as Fort Bend County, act as a sponsor for the project. This means that the permit for the work will be issued in the name of Fort Bend County and the County accepts responsibility for the terms and conditions of the permit.

We recommend acceptance of the sponsorship and request that this item be placed on the 10/08/2024 Commissioners Court agenda. We have prepared a letter to Texas Department of Transportation for the County Judges' signature.

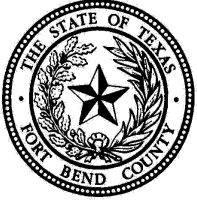

If there are any questions please do not hesitate to call.

Sincerely,

Maggie Dalton
Development Services Manager

Proposed Street Tie-In at State Highway 36 for Proposed Stormi Gayle Lane
Fort Bend County, Texas

Dear Honorable Judge KP George:

As Manager of Thirty Six Project LLC, I respectfully request that Fort Bend County consider sponsoring the project referenced above. The Texas Department of Transportation ("TxDOT") will only consider a permit for the street tie-in of the proposed Stormi Gayle Lane at State Highway 36 if you agree to sponsor the work.

This proposed public street will expand the existing 30-foot-wide public street right-of-way dedicated by the Plainview Subdivision plat. It will also provide combined access to the Plainview Subdivision and to our proposed development of our 18.709-acre tract while removing an existing driveway to conform to TxDOT standards for driveway spacing.

We have submitted the street connection permit application to TxDOT for the proposed Stormi Gayle Lane tie-in to State Highway 36. This sponsorship is one of the few remaining items needed to obtain the permit.

Thirty Six Project LLC will fund the cost of the construction. There will be no expense to Fort Bend County. The attached construction plan drawings produced by McKim & Creed, Inc., were prepared in accordance with TxDOT's street tie-in permit requirements.

Please contact me if you need further information or have any questions.

Sincerely,

Taylor Schmidt
Manager of Thirty Six Project LLC
