GETI Proposal No. 23111

Attention: Bob Baker

Geoscience Engineering & Testing, Inc., (GETI) is requesting an increase to our original contract in the amount of \$18,839.51. This will bring our contract from \$27,146.00 to \$45,985.51; this amount covers the amount of overage. This is due to contractors' schedules and areas requiring additional testing and re-work. We apologize for the oversight as we pride ourselves in our ability to accurately estimate the cost of our services for a project. If anything additional is needed please feel free to reach out.

Respectfully Submitted,  
**Geoscience Engineering & Testing, Inc.**
