Grantor herein covenants and agrees that, in the event that any third party facilities or obstructions are located within Grantee's Exclusive Easement Area, Grantor will take immediate action to remove and/or relocate said facilities and/or obstructions to a location outside of Grantee's Exclusive Easement Area at Grantor's sole cost and expense.

If Grantor, its successors or assigns should, at any future date, request that the Easement Area herein granted be further defined, Grantee agrees, at Grantor's expense, to prepare a new, defined easement described by a sealed survey sketch. that Grantor, its successors and assigns, shall, if requested by Grantee, furnish to Grantee a suitable and acceptable easement covering the new location. Any and all costs associated with relocating said Facilities will be at Grantor's sole expense.

Grantee shall also have reasonable rights of ingress and egress to and from said Easement Area, together with reasonable working space, for the purposes of erecting, installing, operating, maintaining, replacing, inspecting, and removing said Facilities, together with the additional right to remove from said Easement Area, all bushes, trees and parts thereof, or other structures which, in the opinion of Grantee, endanger or may interfere with the efficiency, safe and proper operation, and maintenance of said Facilities.
