DEVELOPMENT AGREEMENT

This Development Agreement is entered into by and between FORT BEND COUNTY, TEXAS, a political subdivision of the State of Texas, hereinafter called "County," and FORT BEND COUNTY MUNICIPAL UTILITY DISTRICT NO. 251, a special district organized under the laws of the state of Texas, referred to as "MUD 251", (County and MUD 251 hereinafter collectively referred to as "Parties".)

WHEREAS, on or about February 7, 2023, County entered into that certain Development Agreement with 300 Acres, LLC (the "Developer") regarding the development of the Indigo subdivision (the "Subdivision"), a mixed-use development situated in the Jane Wilkins Survey, Abstract No. 96, of Fort Bend County, Texas and within the boundaries of MUD 251; and

WHEREAS, Developer and/or MUD 251 will construct or has constructed certain improvements in various rights-of-way such as monument signs, landscaping, masonry entrances, sidewalks, on-street parking and other above-surface and below-surface structures to be wholly or partially contained in various rights-of-way platted or to be platted as part of the Subdivision, (such improvements and structures hereinafter referred to as "Improvement(s)") or to use non-standard materials such as pavers as part of streets (hereinafter referred to as "Materials"); and

WHEREAS, MUD 251 and County anticipate that the streets and roadways that are the subject of this Agreement will be accepted into the County Road Maintenance System (hereinafter "County Road Maintenance System") upon compliance with the County standards and procedures; and

WHEREAS, MUD 251 and County desire to memorialize the terms by which MUD 251 will install and maintain Improvements and Materials and to establish the terms and conditions by which County will accept certain rights-of-way into the County Road Maintenance System.

NOW, THEREFORE, County and MUD 251, in consideration of the mutual covenants and agreements contained herein, do mutually agree as follows:

1. **General Scope and Purpose of Agreement.** This Agreement sets forth the terms and conditions pursuant to which MUD 251 will construct and maintain the Improvements and Materials and also sets forth the terms and conditions pursuant to which County will accept the roads in the Subdivision into the County Road Maintenance System.

2. Improvements and Materials.

- (a) MUD 251 is solely responsible for the installation and maintenance of the Improvements and Materials. After completion of the installation of the Improvements and/or Materials and notwithstanding County's acceptance of the street, road and/or rights-of-way into the County Road Maintenance System, MUD 251 shall remain solely responsible for the maintenance of the Improvements and, if applicable, the replacement of the Materials. MUD 251 warrants, covenants and agrees that County shall have no responsibility for the maintenance or repair of the Improvements or the maintenance or repair of the Materials.
- (b) After acceptance into the County Road Maintenance System, if the same occurs, and in the event County may find it necessary to make roadway improvements within the right-of-way occupied by any Improvement or in which any Materials are installed, MUD 251 shall be solely responsible for the cost of removal of any such Improvements and/or the additional cost of repair required by the installation of the Materials instead of the County's standard required materials.
- (c) After acceptance into the County Road Maintenance System, if the same occurs, and should County, based upon generally accepted traffic engineering principals, determine that any of the Improvements (or parts thereof), proposed or existing, within the right-of-way constitutes an unusual threat to public road traffic and/or any Materials installed within the right-of-way constitutes an unusual threat to public road traffic, then MUD 251 shall immediately, and at MUD 251's sole cost and expense, remove the respective Improvements (or part(s) thereof) and/or Materials from the County road right-of-way within the time prescribed by County. Additionally, County shall have the right to make any repairs necessary to the right-of-way to ensure the safety of vehicular and pedestrian traffic.

3. Conveyance and Acceptance of Rights-of-Way. Notwithstanding anything to the contrary provided in this Agreement, MUD 251 understands and agrees that County's acceptance of any rights-of-way into the County Road Maintenance System and acceptance of the conveyance of fee simple title to the same will result in County maintaining roads and ditches only. MUD 251 further understands and agrees that the repair and maintenance of any storm sewer systems, detention ponds, sidewalks, or any Improvements and/or Materials constructed within said rights-of-way under this Agreement shall remain the responsibility of MUD 251 (even after said rights-of-way are

conveyed or accepted by County) until such obligation is assumed by a Property Owner's Association as provided in this Agreement.

4. **Assignment.** MUD 251's rights and obligations created under this Agreement may be transferred, assigned and delegated to one or more property owners associations for the Subdivision only with County's written consent, which consent will not be unreasonably withheld, conditioned, or delayed. Upon assignment to any such property owners association, the assignee shall become fully responsible for all obligations of MUD 251 under this Agreement. MUD 251 binds itself and its successors, and assigns to this Agreement with respect to all covenants, terms and conditions of this Agreement.
5. **Applicability.** The terms of this Agreement will control and be deemed to apply to any roads in the Subdivision to the extent that the Developer or MUD 251 have previously installed Improvements or Materials within the rights-of-way of any road or roads that have been accepted by County. By its execution of this Agreement, MUD 251 agrees to such conditions and acknowledges that County would not have entered into this Agreement unless the terms hereof apply to all roads and rights-of-way within the Subdivision.
6. **MUD 251 Assurances.** MUD 251 warrants that all Materials will be of equal or greater strength and suitability as the then current standards for County roads contained in County's standard requirements.
7. **Indemnity.** TO THE EXTENT ALLOWED BY LAW, MUD 251 SHALL INDEMNIFY AND HOLD COUNTY HARMLESS FROM ANY AND ALL CLAIMS, SUITS, OR CAUSES OF ACTION, WHETHER FOR PERSONAL INJURY OR PROPERTY DAMAGE, ARISING OUT OF OR RELATED TO ANY ACTION OR FAILURE TO ACT BY MUD 251, ITS OFFICERS, AGENTS, EMPLOYEES, SUCCESSORS, OR ASSIGNS WITH RESPECT TO THE DESIGN, CONSTRUCTION, OPERATION, OR MAINTENANCE OF THE IMPROVEMENT(S) AND MATERIALS. MUD 251 FURTHER AGREES TO PROCURE AND MAINTAIN LIABILITY INSURANCE WITH COVERAGE FOR PERSONAL INJURIES AND PROPERTY DAMAGE WITH LIMITS OF LIABILITY OF NOT LESS THAN ONE MILLION AND NO/100 DOLLARS (\$1,000,000.00) COVERING SAID IMPROVEMENTS AND MATERIALS AND TO FURNISH A CERTIFICATE OF INSURANCE FOR THE SAME SHOWING FORT BEND COUNTY, TEXAS AND THE MEMBERS OF COMMISSIONERS COURT AS AN ADDITIONAL INSURED.

TO THE EXTENT ALLOWED BY LAW, MUD 251 SHALL ADDITIONALLY INDEMNIFY AND HOLD COUNTY HARMLESS FROM ANY AND ALL COSTS OF REPAIR AND/OR REPLACEMENT OF ANY STREET, ROAD, BRIDGE, DRAINAGE STRUCTURE OR OTHER PORTION OF ANY RIGHT-OF-WAY DAMAGED BY THE FAILURE, REPAIR, OR REPLACEMENT OF ANY NON-STANDARD IMPROVEMENT(S) OR MATERIALS WHETHER

OR NOT THE DAMAGE TO THE STREET, ROAD, BRIDGE, DRAINAGE STRUCTURE OR OTHER PORTION OF SAID RIGHT-OF-WAY OCCURS BEFORE OR AFTER ACCEPTANCE OF THE STREET OR ROAD INTO THE COUNTY ROAD MAINTENANCE SYSTEM.

8. **Maintenance by Fort Bend County Drainage District.** Nothing contained in this Agreement shall be construed to limit the authority of the Fort Bend County Drainage District to maintain any drainage related improvements including channels and hydraulic drainage functions to drainage channels within the Subdivision. Any maintenance of such drainage improvements shall be subject to the Drainage District's acceptance of such improvements, at its sole discretion, and the same shall be maintained by the Drainage District upon written agreement between County, District, and MUD 251.
