**Agreement for Right-of-Way Conveyance

STATE OF TEXAS §
 §
COUNTY OF FORT BEND §

AGREEMENT FOR RIGHT-OF-WAY CONVEYANCES

This Agreement for Right-of-Way Conveyances (the "Agreement") is entered into by and between FORT BEND COUNTY, TEXAS (the "County"), a political subdivision of the State of Texas, and CCR WEST INC. (the "Developer"), a Texas corporation. County and Developer may hereinafter collectively be referred to as the "Parties" and each individually a "Party."

WHEREAS, Pursuant to Section 81.023 of the Texas Local Government Code and Section 252.109 of the Texas Transportation Code, the County has general authority to accept a gift, grant, donation, bequest, or devise of property to perform a function conferred by law on the County and to aid in the building and maintaining of roads in the County; and

WHEREAS, Pursuant to Section 280.002 of the Texas Local Government Code, the County may accept ownership of property located within its jurisdiction if the conveyance instrument grants to the local government unencumbered title to the property; and

WHEREAS, Developer desires to convey to County in fee simple all of those platted rights-of-way that are located within the subdivision shown or described on "Exhibit 1" attached hereto and incorporated herein by reference (the "Subdivision"); and

WHEREAS, said rights-of-way have already been or are anticipated to be accepted (subject to County approval in accordance with County standards and regulations) into the County Road Maintenance System, pursuant to its authority under Chapter 251 of the Transportation Code, and are currently or are anticipated to be maintained by County, subject to the County's acceptance of such rights-of-way; and

WHEREAS, from time to time, County desires to accept the conveyances of certain rights-of-way located within the Subdivision in fee simple subject to the terms and conditions of this Agreement.

NOW, THEREFORE, County and Developer, in consideration of the mutual covenants and agreements contained herein, do mutually agree as follows:

1. **General Scope and Purpose of Agreement.** This Agreement sets forth the terms and conditions by which Developer will convey and County will accept certain Rights-of-Way in fee simple (as defined herein).

2. **Definitions.**

- (a) "Rights-of-Way" shall mean those certain rights-of-way that are the subject of this Agreement and platted as a public road right-of-way in the subdivision included in "**Exhibit 1**" attached hereto and incorporated herein by reference.
- (b) "Non-Standard Improvements and Materials" shall mean any and all improvements and materials located within the Rights-of-Way, or part(s) thereof, that are not part of County's standard and routine right-of-way maintenance including, but not limited to: storm sewers and associated outfalls, detention ponds, sidewalks, sidewalk ramps, trails, monument signs, landscaping, irrigation, masonry entrances, lamp posts, pavers, decorative bridge rails, manholes, decorative concrete, aesthetic and architectural enhancements to bridges or abutments, and other above-surface and below-surface structures or improvements.
- (c) "Conveyance" shall mean conveyance of the Rights-of-Way in fee simple by Donation Deed to County.
- (d) "Subdivision Regulations" shall mean the Fort Bend County Regulations of Subdivisions.

3. **Improvement(s) and Materials.**

- (a) Developer has built and established Non-Standard Improvements and Materials that are wholly or partially contained in the Rights-of-Way.
- (b) Notwithstanding County's acceptance of the Rights-of-Way into the County Road Maintenance System and Conveyance of the same, Developer understands and agrees that Developer shall remain solely responsible for the repair, replacement, and maintenance of any Non-Standard Improvements and Materials. Developer warrants, covenants and agrees that County shall have no responsibility for the repair, replacement, or maintenance of the Non-Standard Improvements and Materials. Prior to the commencement of any maintenance or repair obligations hereunder, Developer shall comply with any and all applicable permitting rules that may be required by the Fort Bend County Engineer's Office for such maintenance and repair work.
- (c) After acceptance into the County Road Maintenance System and Conveyance of the same, and in the event County may find it necessary to make roadway improvements within the Rights-of-Way occupied by any Non-Standard Improvements and Materials, County shall notify Developer, and Developer shall be solely responsible for the cost of removal or relocation of any such Non-Standard Improvements and Materials, or responsible for the additional cost of

repair required by such installation instead of the County's standard required materials within the time prescribed by County.

- (d) After acceptance into the County Road Maintenance System and Conveyance of the same, should County, based upon generally accepted traffic engineering principals, determine that any of the Non-Standard Improvements and Materials (or parts thereof), within the Rights-of-Way constitute an unusual threat to public road traffic, then County shall notify Developer and Developer shall immediately, and at Developer's sole cost and expense, remove the respective Non-Standard Improvements and Materials (or part(s) thereof) from the Rights-of-Way within the time prescribed by County.
- (e) Developer understands and agrees that Developer's placement of any Non-Standard Improvements and Materials within the Rights-of-Way are at Developer's own risk. In the event Developer fails to remove, relocate, repair, or maintain any Non-Standard Improvements and Materials as provided in this Section, then County, in its sole discretion and at its sole cost, shall have the right to remove such Non-Standard Improvements and Materials by demolition or otherwise. County shall further have the right, but shall in no way be obligated, to replace any Non-Standard Improvements and Materials removed by County with County's standard improvements or materials. In either case, Developer shall have no right to reimbursement by County for removal or replacement of the same.

4. Acceptance and Conveyance of Rights-of-Way.

- (a) Notwithstanding anything to the contrary provided in this Agreement, Developer understands and agrees that County's acceptance of any Rights-of-Way into the County Road Maintenance System and acceptance of any Conveyance will result in County maintaining roads and roadside ditches only. Developer further understands and agrees that the repair and maintenance of any Non-Standard Improvements and Materials constructed within the Rights-of-Way shall remain the responsibility of Developer until such obligation is assumed by a Special District or Property Owner's Association pursuant to an assignment, which must be properly recorded in the Fort Bend County real property records in the form agreed to by the Parties.
- (b) Developer understands and agrees that County's acceptance of any Conveyance of Rights-of-Way is subject to the discretion of County and the Fort Bend County Commissioners Court. Developer further understands and agrees that the acceptance of such Rights-of-Way into the County Road Maintenance System or the Conveyance of the same shall not absolve Developer of his responsibilities under this Agreement to maintain, repair, and replace any Non-Standard Improvements and Materials. In addition, Developer, at its sole cost and expense,

agrees to fully cooperate with County to obtain or effectuate any additional information or documentation required by any other entity or jurisdiction to finalize the Conveyance.

5. **Construction of Future Non-Standard Improvements and Materials.** Developer understands and agrees that this Agreement pertains to any Non-Standard Improvements and Materials that Developer has previously installed and constructed in the Rights-of-Way prior to Conveyance of the same to County. In the event Developer, or any of its successors or assigns, desire to construct any future Non-Standard Improvements and Materials within the Rights-of-Way, then Developer shall submit in writing (e-mail shall suffice) for review and approval by the Fort Bend County Engineer a summary of any and all proposed Non-Standard Improvements and Materials to be installed within any of the Rights-of-Way. All applicable permitting requirements, if any, shall apply. Developer further understands and agrees that no such construction or installation of any future Non-Standard Improvements and Materials located in a Right-of-Way already conveyed to County shall not proceed without the express written approval of the Fort Bend County Engineer.
6. **Assignment.** Developer's rights and obligations created under this Agreement may be transferred, assigned and delegated to one or more property owners associations for the Subdivision in which such Rights-of-Way are located or a special district organized under the laws of the State of Texas only with County's written consent, which consent will not be unreasonably withheld, conditioned, or delayed. Upon assignment to any such property owners association and/or special district, the assignee shall become fully responsible for all obligations of Developer under this Agreement and Developer shall be released from the obligations of this Agreement. Developer binds itself and its successors, and assigns to this Agreement with respect to all covenants, terms and conditions of this Agreement.
7. **Applicability.** The terms of this Agreement will control and be deemed to apply to any Rights-of-Way to the extent that Developer has previously installed or constructed Non-Standard Improvements and Materials within the Rights-of-Way. By its execution of this Agreement, Developer agrees to such conditions and acknowledges that County would not have entered into this Agreement unless the terms hereof apply to all Rights-of-Way that are the subject of this Agreement.
8. **Indemnity.** DEVELOPER SHALL INDEMNIFY AND HOLD COUNTY HARMLESS FROM ANY AND ALL CLAIMS, SUITS, OR CAUSES OF ACTION, WHETHER FOR PERSONAL INJURY OR PROPERTY DAMAGE, ARISING OUT OF OR RELATED TO ANY ACTION OR FAILURE TO ACT BY DEVELOPER, ITS OFFICERS, AGENTS, EMPLOYEES, SUCCESSORS, OR ASSIGNS WITH RESPECT TO THE DESIGN, CONSTRUCTION, OPERATION, OR MAINTENANCE OF THE NON-STANDARD IMPROVEMENTS AND MATERIALS. DEVELOPER FURTHER AGREES TO PROCURE AND MAINTAIN LIABILITY INSURANCE WITH COVERAGE FOR PERSONAL INJURIES AND PROPERTY DAMAGE WITH LIMITS OF LIABILITY OF NOT LESS THAN ONE

MILLION AND NO/100 DOLLARS (\$1,000,000.00) COVERING THE NON-STANDARD IMPROVEMENTS AND MATERIALS AND TO FURNISH A CERTIFICATE OF INSURANCE FOR THE SAME SHOWING FORT BEND COUNTY, TEXAS AND THE MEMBERS OF COMMISSIONERS COURT AS AN ADDITIONAL INSURED.

DEVELOPER SHALL ADDITIONALLY INDEMNIFY AND HOLD COUNTY HARMLESS FROM ANY AND ALL COSTS OF REPAIR AND/OR REPLACEMENT OF ANY STREET, ROAD, BRIDGE, DRAINAGE STRUCTURE OR OTHER PORTION OF ANY RIGHTS-OF-WAY DAMAGED BY THE FAILURE, REPAIR, OR REPLACEMENT OF ANY NON-STANDARD IMPROVEMENTS AND MATERIALS WHETHER OR NOT THE DAMAGE TO THE STREET, ROAD, BRIDGE, DRAINAGE STRUCTURE OR OTHER PORTION OF SAID RIGHTS-OF-WAY OCCURS BEFORE OR AFTER ACCEPTANCE OF THE STREET OR ROAD INTO THE COUNTY ROAD MAINTENANCE SYSTEM OR AFTER CONVEYANCE OF THE SAME.
