The execution of this Agreement and the rendering of services prescribed by this Agreement do not change the independent status of H-GAC or the Subrecipient. Employees of the Subrecipient are subject to the exclusive control and supervision of the Subrecipient. The Subrecipient is solely responsible for employee related disputes and discrepancies, including employee payrolls and any claims arising therefrom.

ARTICLE 4: WHOLE AGREEMENT

The General Provisions, Special Provisions, and Attachments, as provided herein, constitute the complete Agreement ("Agreement") between the parties hereto, and supersede any and all oral and written agreements between the parties relating to matters herein. ARTICLE 7: PAYMENT OR FUNDING

Any payment or funding claimed by Subrecipient shall be paid by H-GAC only under the specific terms set forth in the Special Provisions and Scope of Work. ARTICLE 8: REPORTING REQUIREMENTS

If the Subrecipient fails to submit to H-GAC in a timely and satisfactory manner any report required by this Agreement, or otherwise fails to satisfactorily render performances hereunder, H-GAC may withhold payments otherwise due and owing the Subrecipient hereunder. Subrecipient's failure in reporting or performance may be considered cause for termination of this Agreement. If H-GAC withholds such payments, it shall notify the Subrecipient of its decision. Payments withheld pursuant to this Article may be held by H-GAC until such time as the delinquent obligations for which funds are withheld are fulfilled by the Subrecipient. The Subrecipient's failure to timely submit any report may also be considered cause for termination of this Agreement.

Any additional reporting requirements shall be set forth in the Special Provisions of this Agreement.

ARTICLE 9: NON-FUNDING CLAUSE

The Subrecipient acknowledges that H-GAC is not liable to any subcontractor or assignee of the Subrecipient. The Subrecipient shall ensure that the performance rendered under all subcontracts shall result in compliance with all the terms and provisions of this Agreement as if the performance rendered was rendered by the Subrecipient. Subrecipient shall give all required notices, and comply with all laws and regulations applicable to furnishing and performance of the work. Except where otherwise expressly required by applicable law or regulation, H-GAC shall not be responsible for monitoring Subrecipient's compliance, or that of Subrecipient's subcontractors, with any laws or regulations.

The Monthly Activity Status Report is due on the fifth day of the month following the month in which the reported Activities were performed for the duration of the Contract. Subrecipient shall submit the Monthly Activity Status Reports to the GLO through the TIGR system as prescribed in **Attachment F** or as specified by the GLO Grant Manager.

4.03 HUD CONTRACT REPORTING REQUIREMENT

HUD requires the GLO to maintain a public website that accounts for the use and administration of all GLO-administered CDBG-MIT grant funds. To assist the GLO in meeting this requirement, Subrecipient must prepare and submit monthly to the GLO a written summary of all contracts procured by Subrecipient using grant funds awarded under this Contract. Subrecipient shall only report contracts as defined in 2 C.F.R. § 200.1. Subrecipient must use the template in **Attachment H** to prepare the monthly reports. On or before the fifth day of each month during the Contract Period, reports summarizing required information for the preceding month shall be submitted through the TIGR system as prescribed in **Attachment H** or as specified by the GLO Grant Manager. Additional information about this reporting requirement is available in published HUD guidance and Federal Register publications governing the CDBG-MIT funding allocation.

4.04 SECTION 3 REPORTING REQUIREMENTS

In accordance with 24 C.F.R. § 75.25, Subrecipient is required to submit to the GLO quarterly reports documenting actions taken to comply with the employment, training, and contracting requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended ([12 U.S.C. § 1701u](#)), the results of such actions taken, and impediments encountered (if any) to such actions. Subrecipient should maintain records of job vacancies, solicitations of bids or proposals, selection materials and contracting documents (including scopes of work and contract amounts), in accordance with procurement laws and regulations. Records should demonstrate Subrecipient's efforts to achieve the Section 3 numerical goals.

Section 3 quarterly reports are due on the 10th of the month following the quarter's close. The schedule is as follows:

Quarter 1 (Sept-Nov): Due **December 10th**

If Subrecipient conducts no hiring or contracting efforts during a quarter, Subrecipient must report zeros in the quarterly report fields for such and add a note in the “other efforts, see remarks below” field that states that fact.

Subrecipient is not required to develop and implement a Section 3 Plan and assign a Section 3 Coordinator, but these actions are considered best practices.

The fulfillment of this Contract is based on those funds being made available under Catalog of Federal Domestic Assistance (CFDA) No. 14.228 to the GLO as the lead administrative state agency. Further, Subrecipient acknowledges that all funds are subject to recapture and repayment for noncompliance.

- (b) **Subrecipient must have an assigned Unique Entity Identifier (UEID). Subrecipient must report its UEID to the GLO for use in various reporting documents.** A UEID may be obtained by visiting the System for Award Management website at <https://www.sam.gov>. **Subrecipient is responsible for renewing its registration with the System for Award Management annually and maintaining an active registration status throughout the Contract Period.**

5.02 STATE FUNDING

- (a) This Contract shall not be construed as creating any debt on behalf of the State of Texas or the GLO in violation of Article III, Section 49, of the Texas

Constitution. The GLO's obligations hereunder are subject to the availability of state funds. If adequate funds are not appropriated or become unavailable, the GLO may terminate this Contract. In that event, the Parties shall be discharged from further obligations, subject to the equitable settlement of their interests accrued up to the date of termination.

- (b) Any claim by Subrecipient for damages under this Contract may not exceed the amount of payment due and owing Subrecipient or the amount of funds appropriated for payment but not yet paid to Subrecipient under this Contract. Nothing in this provision shall be construed as a waiver of the GLO's sovereign immunity.

5.03 RECAPTURE OF FUNDS

Subrecipient shall conduct, in a satisfactory manner as determined by the GLO, the Activities as set forth in the Contract. The discretionary right of the GLO to terminate for convenience under **Section 3.02** notwithstanding, the GLO may terminate the Contract and recapture, and be reimbursed by Subrecipient for, any payments made by the GLO (a) that exceed the maximum allowable HUD rate; (b) that are not allowed under applicable laws, rules, and regulations; or (c) that are otherwise inconsistent with this Contract, including any unapproved expenditures. **This recapture provision applies to any funds expended for the Project or any Activity that does not meet a CDBG-MIT Program National Objective as specified in the Performance Statement in Attachment A or that is not otherwise eligible under CDBG-MIT regulations.**

5.04 OVERPAYMENT AND DISALLOWED COSTS

Subrecipient shall be liable to the GLO for any costs disallowed pursuant to financial and/or compliance audit(s) of funds Subrecipient received under this Contract. Subrecipient shall reimburse the GLO for such disallowed costs from funds that were not provided or otherwise made available to Subrecipient under this Contract. Subrecipient must refund disallowed costs and overpayments of funds received under this Contract to the GLO within 30 days after the GLO issues notice of overpayment to Subrecipient.

5.05 FINAL BENCHMARK

To ensure full performance of each construction Activity and the Project, the GLO will set aside an amount equal to five percent (5%) of Subrecipient's construction budget per Activity until completion and acceptance by the GLO of all actions and Deliverables for the Activity, as identified in **Attachment A**.

The GLO shall make the final disbursement to Subrecipient only upon the GLO's receipt and acceptance of the Deliverables identified in **Attachment A** as required for the completion of construction phase.

If Subrecipient has multiple construction subcontracts, an amount equal to five percent (5%) of Subrecipient's construction budget per construction subcontract shall be withheld by the GLO until completion and acceptance by the GLO of all actions and Deliverables identified in **Attachment A** for the particular project.

Separate Deliverables are required per construction subcontract, and associated costs are pro-rated in accordance with budget details in the final GLO-approved Application. If a project includes more than one Environmental Review Record, associated costs are pro-rated in accordance with budget details in the final GLO-approved Application.

(b) Project Delivery – Grant Administration

To ensure full performance of this Contract, the GLO will set aside an amount equal to five percent (5%) of Subrecipient's project delivery – grant administration budget until completion and acceptance by the GLO of all actions and Deliverables identified in **Attachment A**.

6.01 OWNERSHIP AND USE

- (a) The Parties shall jointly own all right, title, and interest in and to all reports, drafts of reports, or other material, data, drawings, computer programs and codes associated with this Contract, and/or any copyright or other intellectual property rights, and any material or information developed and/or required to be delivered under this Contract, with each Party having the right to use, reproduce, or publish any or all of such information and other materials without obtaining permission from the other Party, subject to any other restrictions on publication outlined in this Contract, and without expense or charge.
- (b) Subrecipient grants the GLO and HUD a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for U.S. Government purposes, all reports, drafts of reports, or other material, data, drawings, computer programs, and codes associated with this Contract, and/or any copyright or other intellectual property rights, and any material or information developed and/or required to be delivered under this Contract.

6.02 NON-ENDORSEMENT BY STATE AND THE UNITED STATES

Subrecipient shall not publicize or otherwise circulate promotional material (such as advertisements, sales brochures, press releases, speeches, still or motion pictures, articles, manuscripts, or other publications) that states or implies the GLO, the State of Texas, U.S. Government, or any government employee, endorses a product, service, or position Subrecipient represents. Subrecipient may not release information relating to this Contract or state or imply that the GLO, the State of Texas, or the U.S. Government approves of Subrecipient's work products or considers Subrecipient's work product to be superior to other products or services.

Accordingly, such records and work product shall be subject, at any time, to inspection, examination, audit, and copying at Subrecipient's primary location or any location where such records and work product may be found, with or without notice from the GLO or other government entity with necessary legal authority. Subrecipient shall cooperate fully with any federal or state entity in the conduct of inspection, examination, audit, and copying, including providing all information requested. Subrecipient will ensure that this clause concerning federal and state entities' authority to inspect, examine, audit, and copy records and work product, and the requirement to fully cooperate with the federal and state entities, is included in any subcontract it awards.
- (b) The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. Acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. **The Office of the Comptroller General of the United States, the Government Accountability Office, the Office of Inspector General, or any authorized representative of the U.S. Government shall also have this right of inspection.** Subrecipient shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Subrecipient and the requirement to cooperate is included in any subcontract it awards.
- (c) Subrecipient will be deemed to have read and know of all applicable federal, state, and local laws, regulations, and rules pertaining to the Project, including those identified in **Attachment D**, governing audit requirements.
- (d) At any time, the GLO may perform, or instruct a for-profit Subrecipient to perform, an annual Program-specific, fiscal, special, or targeted audit of any aspect of Subrecipient's operation. Subrecipient shall maintain financial and other

records prescribed by the GLO or by applicable federal or state laws, rules, and regulations.

Subrecipient shall pay all costs associated with all taxes, assessments, fees, premiums, permits, and licenses required by law. Subrecipient shall require any person or entity required to obtain insurance under this section to complete and file the declaration pages from the insurance policies with Subrecipient whenever a previously identified policy period expires during the term of Subrecipient's contract with the person or entity, as proof of continuing coverage. Subrecipient's contract with any such person or entity shall clearly state that acceptance of the insurance policy declaration pages by Subrecipient shall not relieve or decrease the liability of the person or entity.

8.04 ASSIGNMENT AND SUBCONTRACTS

Subrecipient must not assign, transfer, or delegate any rights, obligations, or duties under this Contract without the GLO's prior written consent. Any attempted assignment, transfer, or delegation in violation of this provision is void and without effect. Notwithstanding this provision, it is mutually understood and agreed that Subrecipient may subcontract with others for some or all of the services to be performed under this Contract. In any approved subcontracts, Subrecipient must legally bind the subcontractor to perform and make such subcontractor subject to all the duties, requirements, and obligations of Subrecipient as specified in this Contract. Nothing in this Contract shall be construed to relieve Subrecipient of the responsibility for ensuring that the goods delivered and/or the services rendered by Subrecipient and/or any of its subcontractors comply with all the terms and provisions of this Contract.

For subcontracts to which Federal Labor Standards requirements apply, Subrecipient shall submit to the GLO all documentation required to ensure compliance. Subrecipient must comply with the procurement procedures stated at 2 C.F.R. §§ 200.318 through 200.327 and all other applicable federal, state, and local procurement procedures and laws, regulations, and rules. Failure to comply with 2 C.F.R. §§ 200.318 through 200.327 and all other applicable federal, state, and local procurement procedures and laws, regulations, and rules could result in recapture of funds. Subrecipient must confirm that its vendors and subcontractors are not debarred from receiving state or federal funds at each of the following web addresses:

- (a) the Texas Comptroller's Vendor Performance Program at <https://comptroller.texas.gov/purchasing/>; and
- (b) the U.S. General Services Administration's System for Award Management at <https://www.sam.gov/>.

8.06 CHILD SUPPORT OBLIGATION

Subrecipient represents and warrants that it will include the following clause in the award and contract documents for every subaward and subcontract and will require subawardees and subcontractors to certify accordingly: “Under Section 231.006 of the Texas Family Code, the vendor or applicant certifies that the individual or business entity named in this contract, bid, or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this contract may be terminated and payment may be withheld if this certification is inaccurate. A bid or an application for a contract, grant, or loan paid from state funds must include the name and social security number of the individual or sole proprietor and each partner, shareholder, or owner with an ownership interest of at least 25 percent of the business entity submitting the bid or application.”

8.07 SUBAWARD AND SUBCONTRACT MONITORING

Subrecipient represents and warrants that it will monitor the activities of any subawardee as necessary to ensure that the subaward is used for authorized purposes, in compliance with applicable statutes, regulations, and the terms and conditions of the subaward, and that subaward performance goals are achieved. Subrecipient represents and warrants that it will monitor the activities of any subcontractor as necessary to ensure that subcontract funds are used for authorized purposes, in compliance with applicable statutes, regulations, and the terms and conditions of the subcontract, and that subcontract performance goals are achieved.

In accordance with 24 C.F.R. § 570.502(a), if Equipment is acquired, in whole or in part, with funds under this Contract and is then sold, the proceeds shall be considered program income, as defined in **Section 2.03** above. Equipment not needed by Subrecipient for Activities under this Contract shall be (a) transferred to the GLO for the CDBG-MIT Program or (b) retained by Subrecipient after compensating the GLO an amount equal to the current fair market value of the Equipment less the percentage of non-CDBG-MIT funds used to acquire the Equipment.

8.09 COMMUNICATION WITH THIRD PARTIES

The GLO and the authorities named in **Article VII**, above, may initiate communications with any subcontractor of Subrecipient, and may request access to any books, documents, personnel, papers, and records of a subcontractor which are pertinent to this Contract. Such communications may be required to conduct audits, examinations, Davis-Bacon Labor Standards interviews, and gather additional information as provided in **Article VII** herein.

8.10 RELATIONSHIP OF THE PARTIES

Subrecipient is associated with the GLO only for the purposes and to the extent specified in this Contract. Subrecipient is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract creates a partnership or joint venture, an employer-employee or principal-agent relationship, or any liability whatsoever with respect to the indebtedness, liabilities, or obligations of Subrecipient or any other party. Subrecipient shall be solely responsible for, and the GLO shall have no obligation with respect to, the following: the withholding of income taxes, FICA, or any other taxes or fees; industrial or workers' compensation insurance coverage; participation in any group insurance plans available to employees of the State of Texas; participation or contributions by the State of Texas to the State Employees Retirement System; accumulation of vacation leave or sick leave; or unemployment compensation coverage provided by the State of Texas.

8.11 COMPLIANCE WITH OTHER LAWS

In the performance of this Contract, Subrecipient must comply, and must ensure the compliance of its subawardees and contracts, with all applicable federal, state, and local laws, statutes, ordinances, and regulations, including those listed in **Attachments B, C, D, and E**, and policies in effect or hereafter established. In instances where multiple requirements apply to Subrecipient, the more restrictive requirement applies.

Venue of any suit brought under this Contract shall be in a court of competent jurisdiction in Travis County, Texas. Subrecipient irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of *forum non conveniens*, that it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction with respect to this Contract or any related document. **NOTHING IN THIS CONTRACT SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.**

8.14 SEVERABILITY

Neither the occurrence of an event giving rise to a breach of contract claim nor the pendency of such a claim constitutes grounds for Subrecipient to suspend performance of this Contract. Notwithstanding this provision, the GLO reserves all legal and equitable rights and remedies available to it. **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF THE GLO'S SOVEREIGN IMMUNITY.**

8.16 CONFIDENTIALITY

To the extent permitted by law, Subrecipient and the GLO shall keep all information, in whatever form produced, prepared, observed, or received by Subrecipient or the GLO, confidential to the extent that such information is: (a) confidential by law; (b) marked or designated "confidential" (or words to that effect) by Subrecipient or the GLO; or (c) information that Subrecipient or the GLO is otherwise required to keep confidential by this Contract. Subrecipient must not make any communications or announcements relating to this Contract through press releases, social media, or other public relations efforts without the prior written consent of the GLO.

Subrecipient understands that the GLO will comply with the Texas Public Information Act (Texas Government Code Chapter 552, the "PIA"), as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas (the "Attorney General"). Information, documentation, and other material in connection with this Contract may be subject to public disclosure pursuant to the PIA. Subrecipient is required to make any information created or

exchanged with the GLO or the State of Texas pursuant to the Contract, and not otherwise excepted from disclosure under the PIA, available to the GLO in portable document file (“.pdf”) format or any other format agreed upon between the Parties that is accessible by the public at no additional charge to the GLO or the State of Texas. By failing to mark any information that Subrecipient believes to be excepted from disclosure as “confidential” or a “trade secret,” Subrecipient waives any and all claims it may make against the GLO for releasing such information without prior notice to Subrecipient. The Attorney General will ultimately determine whether any information may be withheld from release under the PIA. Subrecipient shall notify the GLO’s Office of General Counsel within twenty-four (24) hours of receipt of any third-party written requests for information and forward a copy of said written requests to PIALegal@glo.texas.gov. 8.18 AMENDMENTS TO THE CONTRACT

Amendments to decrease or increase the subaward, to add or delete an Activity as allowed by the Guidance Documents, to extend the term of the Contract, and/or to make other substantial changes to the Contract may be made only by written agreement of the Parties under the formal Amendment process outlined below, except that, upon completion of the Project, the GLO shall formally close out the Project by issuing a closeout letter pursuant to **Section 8.23**. The formal Amendment process requires official request documentation from Subrecipient detailing all provisions to be amended and supporting documentation as required. The GLO Grant Manager will confirm and review the request and, as appropriate, submit the proposed amended language or amount to the GLO’s Contract Management Division for the preparation of a formal Amendment and circulation for necessary GLO and Subrecipient signatures.

In the sole discretion of the GLO and in conformance with federal law, the GLO may approve other adjustments required by the GLO during Project performance through a Revision or Technical Guidance Letter unilaterally issued by the GLO and acknowledged by Subrecipient. Such GLO approvals must be in writing and may be delivered by U.S. mail or electronic mail.

8.19 ENTIRE CONTRACT AND MODIFICATIONS

This Contract, its Attachments, and any Amendment(s), Technical Guidance Letter(s), and/or Revision(s) issued in conjunction with this Contract, if any, constitute the entire agreement of the Parties and are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements made in connection with the subject matter hereof. Any additional or conflicting terms in issued Attachments, Technical Guidance Letters, and/or Revisions shall be harmonized with this Contract to the extent possible. Unless an Attachment, Technical Guidance Letter, or Revision specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language shall be construed consistently with the Contract.

8.20 PROPER AUTHORITY

Each Party hereto represents and warrants that the person executing this Contract on its behalf has full power and authority to legally bind its respective entity. If applicable, a resolution, motion, or similar action has been duly adopted or passed as an official act of Subrecipient's governing body, authorizing the filing of the grant Application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative or the designee of Subrecipient to act in connection with the Application and to provide such additional information as may be required.

8.21 COUNTERPARTS

This Contract may be executed in any number of counterparts, each of which shall be an original, and all such counterparts shall together constitute but one and the same Contract.

8.22 SURVIVAL

The provisions of **Articles V, VI, and VII and Sections 1.01, 1.03, 3.02, 3.04, 3.05, 8.02, 8.03, 8.09, 8.10, 8.11, 8.12, 8.13, 8.15, 8.16, 8.17, 8.18, 8.23, and 8.32** of this Contract and any other continuing obligations of Subrecipient shall survive the termination or expiration of this Contract.

8.23 CONTRACT CLOSEOUT

Subrecipient shall prepare and submit to the GLO for approval a final **Grant Completion Report** confirming final performance measures, budgets, and expenses for all Project Activities within thirty (30) days following the completion of all Activities required under the Contract; however, in no event shall Subrecipient submit the Grant Completion Report later than the date of expiration of the Contract. The GLO will close the Contract in accordance with 2 C.F.R. §§ 200.344 through 200.346 and GLO CDBG-MIT guidelines consistent therewith.

Subrecipient shall submit a final Budget and actual expenditures to the GLO as part of the Grant Completion Report. The Grant Completion Report shall be in a format prescribed by the GLO and shall confirm eligibility and completion of all Activities performed under this Contract. **FAILURE TO SUBMIT TO THE GLO THE FINAL BUDGET AND ACTUAL EXPENDITURES AS PART OF THE GRANT COMPLETION REPORT PRIOR TO CONTRACT EXPIRATION WILL RESULT IN FORFEITURE AND DE-OBLIGATION OF ALL REMAINING, UNREQUESTED FUNDS.**

The GLO will notify Subrecipient via official closeout letter upon review and approval of the final Grant Completion Report.

8.24 INDIRECT COST RATES

Unless, under the terms of 2 C.F.R. Part 200, Appendix V, Subrecipient has negotiated or does negotiate an indirect cost rate with the federal government, subject to periodic renegotiations of the rate during the Contract Period, or is exempt from such negotiations and has developed and maintains an auditable central service cost allocation plan,

Subrecipient's *de minimis* indirect cost rate shall be set according to 2 C.F.R. § 200.414(f).

Further, Subrecipient represents and warrants that, in the administration of the grant, it will comply with all conflict-of-interest prohibitions and disclosure requirements required by applicable law, rules, and policies, including Chapter 176 of the Texas Local Government Code, if applicable. If circumstances change during the course of the Contract, Subrecipient shall promptly notify the GLO.

8.26 FORCE MAJEURE

Except with respect to the obligation of payments under this Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as "Force Majeure"), then, while compliance is so prevented, the affected Party's obligation to comply with such covenant shall be suspended, and the affected Party shall not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure must promptly notify the other Party of the Force Majeure event in writing, and, if possible, such notice must set forth the extent and duration of the Force Majeure. The Party claiming Force Majeure must exercise due diligence to prevent, eliminate, or overcome such Force Majeure event when it is possible to do so and must resume performance at the earliest possible date. However, if nonperformance continues for more than thirty (30) days, the GLO may terminate this Contract immediately upon written notification to Subrecipient.

8.27 ENVIRONMENTAL CLEARANCE REQUIREMENTS

- (a) Subrecipient is the responsible entity, as "responsible entity" is defined under 24 C.F.R. Part 58, and is accountable for conducting environmental reviews and for obtaining any environmental clearance necessary for successful completion of an Activity or the Project. Subrecipient shall prepare an environmental review or assessment of each Activity or the Project in accordance with applicable laws, regulations, rules, and guidance. Subrecipient shall maintain a written Environmental Review Record ("ERR") for each Activity or the Project, including all supporting source documentation and documentation to support any

project mitigation. Subrecipient shall provide a copy of the ERR and all related source documentation to the GLO.

- (b) Subrecipient shall address inquiries and complaints and shall provide appropriate redress related to environmental Activities. Subrecipient shall document each communication issued or received hereunder in the related ERR.

Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States."

GENERAL AFFIRMATIONS

TO THE EXTENT APPLICABLE, Subrecipient affirms and agrees to the following, without exception:

1. Subrecipient represents and warrants that, in accordance with Section 2155.005 of the Texas Government Code, neither Subrecipient nor the firm, corporation, partnership, or institution represented by Subrecipient, or anyone acting for such a firm, corporation, partnership, or institution has (1) violated any provision of the Texas Free Enterprise and Antitrust Act of 1983, Chapter 15 of the Texas Business and Commerce Code, or the federal antitrust laws, or (2) communicated directly or indirectly the contents of this Contract or any solicitation response upon which this Contract is based to any competitor or any other person engaged in the same line of business as Subrecipient.*
2. Subrecipient shall not assign its rights under the Contract or delegate the performance of its duties under the Contract without prior written approval from the GLO. Any attempted assignment or delegation in violation of this provision is void and without effect. This provision does not apply to subcontracting.
3. If the Contract is for services, Subrecipient shall comply with Section 2155.4441 of the Texas Government Code, requiring the purchase of products and materials produced in the State of Texas in performing service contracts, but for contracts subject to 2 C.F.R. 200, only to the extent such compliance is consistent with 2 C.F.R. 200.319.
4. Under Section 231.006 of the Family Code, the vendor or applicant [Subrecipient] certifies that the individual or business entity named in this Contract, bid or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate, in addition to other remedies set out in Section 231.006(f) of the Family Code.*

maintain records and make them available to the GLO as evidence of Subrecipient's compliance with the required controls.

9. Subrecipient represents and warrants that it has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the Contract.
10. Subrecipient agrees that any payments due under the Contract shall be applied towards any debt or delinquency that is owed by Subrecipient to the State of Texas.
11. Upon request of the GLO, Subrecipient shall provide copies of its most recent business continuity and disaster recovery plans.
12. If the Contract is for consulting services governed by Texas Government Code Chapter 2254, Subchapter B, in accordance with Section 2254.033 of the Texas Government Code, relating to consulting services, Subrecipient certifies that it does not employ an individual who has been employed by the GLO or another agency at any time during the two years preceding the Subrecipient's submission of its offer to provide consulting services to the GLO or, in the alternative Subrecipient, in its offer to provide consulting services to the GLO, disclosed the following: (i) the nature of the previous employment with the GLO or other state agency; (ii) the date the employment was terminated; and (iii) the annual rate of compensation for the employment at the time of its termination.*
13. If the Contract is not for architecture, engineering, or construction services, then except as otherwise provided by statute, rule, or regulation, Subrecipient must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve any dispute arising under the Contract. NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR, IF APPLICABLE, OF GOVERNMENTAL IMMUNITY BY SUBRECIPIENT.
14. If the Contract is for architecture, engineering, or construction services, then subject to Texas Government Code Section 2260.002 and Texas Civil Practice and Remedies Code Chapter 114, and except as otherwise provided by statute, rule, or regulation, Subrecipient shall use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve all disputes arising under this Contract. Except as otherwise provided by statute, rule, or regulation, in accordance with the Texas Civil Practice and Remedies Code, Section 114.005, claims encompassed by Texas Government Code, Section 2260.002(3) and Texas Civil Practice and Remedies Code Section 114.002 shall be governed by the dispute resolution process set forth below in subsections (a)-(d). NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR, IF APPLICABLE, OF GOVERNMENTAL IMMUNITY BY SUBRECIPIENT.
 - a. Notwithstanding Texas Government Code, Chapter 2260.002(3) and Chapter 114.012 and any other statute or applicable law, if Subrecipient's claim for breach of contract cannot be resolved by the Parties in the ordinary course of business, Subrecipient may make a claim against the GLO for breach of contract and the GLO may assert a counterclaim against Subrecipient as is contemplated by Texas Government Code, Chapter 2260, Subchapter B. In such event, Subrecipient must provide written notice to the GLO of a claim for breach of the Contract not later than the 180th day after the date

* This section does not apply to a contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

of the event giving rise to the claim. The notice must state with particularity: (1) the nature of the alleged breach; (2) the amount Subrecipient seeks as damages; and (3) the legal theory of recovery.

- b. The chief administrative officer, or if designated in the Contract, another officer of the GLO, shall examine the claim and any counterclaim and negotiate with Subrecipient in an effort to resolve them. The negotiation must begin no later than the 120th day after the date the claim is received, as is contemplated by Texas Government Code, Chapter 2260, Section 2260.052.
 - c. If the negotiation under paragraph (b) above results in the resolution of some disputed issues by agreement or in a settlement, the Parties shall reduce the agreement or settlement to writing and each Party shall sign the agreement or settlement. A partial settlement or resolution of a claim does not waive a Party's rights under this Contract as to the parts of the claim that are not resolved.
 - d. If a claim is not entirely resolved under paragraph (b) above, on or before the 270th day after the date the claim is filed with the GLO, unless the Parties agree in writing to an extension of time, the Parties may agree to mediate a claim made under this dispute resolution procedure. This dispute resolution procedure is Subrecipient's sole and exclusive process for seeking a remedy for an alleged breach of contract by the GLO if the Parties are unable to resolve their disputes as described in this section.
 - e. Nothing in the Contract shall be construed as a waiver of the state's or the GLO's sovereign immunity, or, if applicable, the governmental immunity of Subrecipient. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas or Subrecipient. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas or, if applicable, of Subrecipient under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies or immunities or be considered as a basis for estoppel. The GLO does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract. Subrecipient does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract.
 - f. Except as otherwise provided by statute, rule, or regulation, compliance with the dispute resolution process provided for in Texas Government Code, Chapter 2260, subchapter B and incorporated by reference in subsection (a)-(d) above is a condition precedent to the Subrecipient: (1) filing suit pursuant to Chapter 114 of the Civil Practices and Remedies Code; or (2) initiating a contested case hearing pursuant to Subchapter C of Chapter 2260 of the Texas Government Code.
15. If Chapter 2271 of the Texas Government Code applies to this Contract, Subrecipient verifies that it does not boycott Israel and will not boycott Israel during the term of the Contract.*
16. This Contract is contingent upon the continued availability of lawful appropriations by the Texas Legislature. Subrecipient understands that all obligations of the GLO under this

* This section does not apply to a contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

Contract are subject to the availability of funds. If such funds are not appropriated or become unavailable, the GLO may terminate the Contract. The Contract shall not be construed as creating a debt on behalf of the GLO in violation of Article III, Section 49a of the Texas Constitution.

17. Subrecipient certifies that it is not listed in the prohibited vendors list authorized by Executive Order 13224, "Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism", published by the United States Department of the Treasury, Office of Foreign Assets Control.
18. In accordance with Section 669.003 of the Texas Government Code, relating to contracting with the executive head of a state agency, Subrecipient certifies that it is not (1) the executive head of the GLO, (2) a person who at any time during the four years before the effective date of the Contract was the executive head of the GLO, or (3) a person who employs a current or former executive head of the GLO.
19. Subrecipient represents and warrants that all statements and information prepared and submitted in connection with this Contract are current, complete, true, and accurate. Submitting a false statement or making a material misrepresentation during the performance of this Contract is a material breach of contract and may void the Contract or be grounds for its termination.
20. Pursuant to Section 2155.004(a) of the Texas Government Code, Subrecipient certifies that neither Subrecipient nor any person or entity represented by Subrecipient has received compensation from the GLO to participate in the preparation of the specifications or solicitation on which this Contract is based. Under Section 2155.004(b) of the Texas Government Code, Subrecipient certifies that the individual or business entity named in this Contract is not ineligible to receive the specified Contract and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate. This Section does not prohibit Subrecipient from providing free technical assistance.*
21. Subrecipient represents and warrants that it is not engaged in business with Iran, Sudan, or a foreign terrorist organization, as prohibited by Section 2252.152 of the Texas Government Code.*
22. In accordance with Section 2252.901 of the Texas Government Code, for the categories of contracts listed in that section, Subrecipient represents and warrants that none of its employees including, but not limited to, those authorized to provide services under the contract, were employees of the GLO during the twelve (12) month period immediately prior to the date of execution of the contract. Solely for professional services contracts as described by Chapter 2254 of the Texas Government Code, Subrecipient further represents and warrants that if a former employee of the GLO was employed by Subrecipient within one year of the employee's leaving the GLO, then such employee will not perform services on projects with Subrecipient that the employee worked on while employed by the GLO.*
23. The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to any Party.

* This section does not apply to a contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

24. IF THE CONTRACT IS NOT FOR ARCHITECTURE OR ENGINEERING SERVICES GOVERNED BY TEXAS GOVERNMENT CODE CHAPTER 2254, SUBRECIPIENT, TO THE EXTENT ALLOWED BY LAW, SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND THE GLO, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES ARISING OUT OF, OR RESULTING FROM ANY ACTS OR OMISSIONS OF SUBRECIPIENT OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT AND ANY PURCHASE ORDERS ISSUED UNDER THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY SUBRECIPIENT WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND SUBRECIPIENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. SUBRECIPIENT AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.*
25. 31. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Subrecipient shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the Contract and the requirement to cooperate is included in any subcontract it awards. In accordance with Section 2252.907 of the Texas Government Code, Subrecipient is required to make any information created or exchanged with the GLO or the State of Texas pursuant to the Contract, and not otherwise excepted from disclosure under the PIA, available to the GLO in portable document file (".pdf") format or any other format agreed upon between the Parties that is accessible by the public at no additional charge to the GLO or the State of Texas. By failing to mark any information that Subrecipient believes to be excepted from disclosure as "confidential" or a "trade secret," Subrecipient waives any and all claims it may make against the GLO for releasing such information without prior notice to Subrecipient. The Attorney General will ultimately determine whether any information may be withheld from release under the PIA. Subrecipient shall notify the GLO's Office of General Counsel within twenty-four (24) hours of receipt of any third-party written requests for information and forward a copy of said written requests to PIALegal@glo.texas.gov. Subrecipient certifies that it does not require its customers to provide any documentation certifying the customer's COVID-19 vaccination or post-transmission recovery on entry to, to gain access to, or to receive service from Subrecipient's business. If Subrecipient does not make that verification, Subrecipient must notify the GLO and state why the verification is not required.*

If Subrecipient is a "professional sports team" as defined by Texas Occupations Code Section 2004.002, Subrecipient will play the United States national anthem at the beginning of each team sporting event held at Subrecipient's home venue or other venue controlled by Subrecipient for the event. Failure to comply with this obligation constitutes a default of this Contract, and immediately subjects Subrecipient to the penalties for default, such as repayment of money received or ineligibility for additional money. In addition, Subrecipient

47. To the extent Texas Government Code Chapter 2252, Subchapter G applies to the Contract, any iron or steel product Subrecipient uses in its performance of the Contract that is produced through a manufacturing process, as defined in Section 2252.201(2) of the Texas Government Code, must be produced in the United States.

1. Subrecipient shall provide documentation that final plans, specifications, and installation of its OSSF improvements have been reviewed and approved by the City or County Health Department through authority granted by the TCEQ.
2. Subrecipient shall mitigate all existing OSSF in accordance with 30 Texas Administrative Code Chapter 285, Subchapter D, §285.36(b).
3. Prior to the selection of program recipients for proposed OSSF, Subrecipient shall provide a copy of its proposed program guidelines to for GLO review. All proposed OSSF programs must meet or exceed guidelines set forth in 30 Texas Administrative Code Chapter 285, Subchapter D.

H. BUILDING CONSTRUCTION

Subrecipient shall provide documentation that the construction of a new building and facilities are in compliance with the Texas Accessibility Standards (TAS) adopted under the Architectural Barriers Act, Chapter 469, Texas Government Code, and the Texas Department of Licensing and Regulation (TDLR) Architectural Barriers Administrative Rules, 16 Texas Administrative Code, Chapter 68. If estimated construction costs exceed Fifty Thousand Dollars (\$50,000.00), Construction Documents must be submitted to the TDLR for an accessibility plan review.

I. BRIDGE CONSTRUCTION/REHABILITATION

Subrecipient shall use the minimum design requirements of the Texas Department of Transportation (TxDOT) for bridge construction/rehabilitation. Final plans and specifications must be submitted to TxDOT for review and approval prior to the start of construction in accordance with Transportation Code Section 201.084, and documentation of such approval must be provided to the GLO.

J. DISASTER SHELTERS

Subrecipient shall ensure that the primary purpose of the facility, as described in Attachment A, is to serve as a disaster shelter, and shall ensure the facility is operated at all times in a manner that ensures that the priority use is to serve as a disaster shelter regardless of any other scheduled uses or commitments that existed at the time of the disaster or emergency situation. In addition, Subrecipient shall prepare or be incorporated into an approved emergency management plan, as prescribed by the Texas Division of Emergency Management, identifying the shelter as a facility that provides short-term lodging for evacuees during and immediately after an emergency situation. Subrecipient shall submit a copy of Subrecipient's Emergency Management Plan Annex for Shelter and Mass Care to the GLO.

K. DEBRIS REMOVAL

Subrecipient shall ensure that any debris to be removed consists primarily of vegetation, construction and demolition materials from damaged or destroyed structures, and personal property. Only debris identified as the responsibility of the local jurisdiction will be eligible for the reimbursement of cost of removal.

Prior to beginning debris collection operations, Subrecipient shall address all pertinent environmental concerns, adhere to all applicable regulations, and obtain all required permits. Further, Subrecipient shall adhere to the methods described herein for the collection and storage of debris prior to proper disposal.

While construction and demolition debris may be collected and disposed of at an appropriately rated landfill, woody and/or vegetative debris must be stored prior to disposal by use of temporary debris storage and reduction sites (TDSR). Subrecipient will prepare and operate the TDSR sites, or local jurisdictions choosing to conduct their own debris operations may review Chapter 7 of the FEMA

Debris Management Guide, as amended, regarding the use of TDSR sites. This document may be obtained at [FEMA Debris Monitoring Guide](#).

In order to maintain the life expectancy of landfills, Subrecipients disposing of woody and/or vegetative debris must choose burning, chipping, or grinding as the method of disposal. Any project disposing of woody and/or vegetative debris must be approved in writing by the GLO.

L. USE OF BONDS

Subrecipient must notify the GLO of its issuance and sale of bonds for completion of the project funded under this Contract.

M. PROGRAM GUIDELINES

Prior to the selection of program beneficiaries, Subrecipient shall provide to the GLO, for GLO review and approval, a copy of its proposed guidelines for the program. The guidelines must meet or exceed to requirements in the Federal Registers. The guidelines must include provisions for compliance with the Federal Fire Prevention and Control Act of 1974 (which requires that any housing unit rehabilitated with grant funds be protected by a hard-wired or battery-operated smoke detector) and provisions for compliance with 24 CFR 35 (HUD lead-based paint regulation).

N. AFFORDABILITY PERIODS FOR SINGLE-FAMILY HOUSING REHABILITATION, RECONSTRUCTION, OR NEW CONSTRUCTION ASSISTANCE

For single-family non-rental housing assistance provided by Subrecipient, Subrecipient shall implement a minimum* three-year affordability period during which the homeowner must occupy the home as a principal place of residence, guaranteed by an unsecured forgivable promissory note.

O. UNSECURED FORGIVABLE PROMISSORY NOTE (“NOTE”)

Housing rehabilitation or reconstruction assistance provided by Subrecipient shall be in the form of a three-year unsecured forgivable promissory note at an interest rate of zero-percent (0%). Provided that all terms and conditions contained in the Note continue to be fulfilled, a Note will be forgiven according to the following terms, as applicable, until the applicant fulfills their note requirement (the requirements are defined in the promissory note document): at a rate of 33 percent per year for the first two years, and 34 percent after the third year.

1. If the homeowner occupies the home for the full three-year term, the Note expires and no repayment is required, nor will any conditions be imposed relative to the disposition of the property. If any of the terms and conditions under which the assistance was provided are breached or if the property is sold, leased, transferred or vacated by the homeowner for any consecutive thirty (30) day period during the Note term, the repayment provisions of the Note shall be enforced.
2. If, during the Note term, the homeowner vacates the unit for any consecutive thirty (30) day period, the locality may forgive, as evidenced by the program director, city council, or commissioner court action, the remaining loan balance. Prior to forgiveness of all or any portion of the assistance provided, the request for forgiveness must be approved by the local governing body and be based on documented and justifiable conditions or circumstances that would result in an unnecessary hardship to the homeowner and, in the case of a limited clientele project, the determination that the national objective of benefiting low to moderate-income persons was met.
3. For a limited clientele project, the national objective will be considered met only when the program director, city council, or county commissioners court determines that a low- to

* Subrecipient may establish a longer affordability period at its own discretion.

moderate-income person has occupied the rehabilitated or reconstructed home for a time sufficient to meet the national objective. If the national objective was not achieved, Subrecipient is liable for repayment of an amount equal to the difference in the appraised value of the home prior to reconstruction and the sales price when the home is sold during the term of the forgivable Note.

4. If property assisted under a limited clientele project is sold or transferred to a person other than an eligible LMI person, the remaining pro-rated balance of the Note must be repaid by Subrecipient from the sales proceeds. Notwithstanding the preceding, Subrecipient shall be held liable for any balance remaining over and above the sales proceeds. In all instances, upon completion of the Note or repayment of the assistance (in full or in part), Subrecipient shall prepare and record a release of lien document in the land records of the applicable county.
5. Monitoring of the Note is required both during and after the grant is closed. Subrecipient must utilize non-CDBG funds to fulfill the monitoring obligations for its impacted recovered community.
6. Subrecipient will maintain a list of homeowners that do not maintain flood insurance as documented in their promissory note. These applicants will not be allowed to receive future assistance as outlined in Section B of this document.

P. RENTAL HOUSING REHABILITATION, RECONSTRUCTION, OR NEW CONSTRUCTION ASSISTANCE

Rental housing rehabilitation, reconstruction, or new construction assistance will be provided in the form of a forgivable loan at zero interest or grant dependent on the applicable Federal Register notice, Action Plan, or Housing Guidelines. Provided all terms and conditions under which the assistance was provided are fulfilled by the applicant developer, the repayment of the loan or grant will be forgiven.

The purpose of the program is to facilitate the rehabilitation, reconstruction, and/or new construction of affordable rental housing needs within the service area of a disaster event in order to increase resilience to disasters and reduce or eliminate the long-term risk of loss of life, injury, damage to and loss of property, and suffering and hardship, by lessening the impact of future disasters. Dependent on the applicable Federal Register notice, Action Plan, or Housing Guidelines, a minimum of 51% of the multi-family units must be restricted during the affordability period of either fifteen (15) years (for rehabilitation/reconstruction) or twenty (20) years (for new construction) for low to moderate income (LMI) persons. The rents, at a minimum, must comply with High HOME Investment Partnership (HOME) Rents and other existing Land Use Restriction Agreement (LURA) restrictions if applicable. HOME rent limits are defined by HUD and published on an annual basis with adjustments for family size.

Q. COASTAL MANAGEMENT

Subrecipient acknowledges and agrees that any Project that may impact a Coastal Natural Resource Area must be consistent with the goals and policies of the Texas Coastal Management Program as described in 31 Texas Administrative Code, Part 16, Chapter 501.

GLO Community Development and Revitalization

MEMORANDUM

TEXAS GENERAL LAND OFFICE • COMMISSIONER DAWN BUCKINGHAM, M.D.

Date: November 7, 2024

To: Heather Lagrone, Senior Deputy Director, CDR *HL*

From: Angela Sommers, Project Manager, CDR

Through: Esmeralda R. Sánchez, Director, CDR-Grant Management

Subject: Regional Mitigation Program application and MOD variances Updated Policy

Background: Over \$4 billion of CDBG-Mitigation funding was allocated to Texas, resulting in multiple programs including the Regional Mitigation Program (RMP). The eligible Council of Governments (COG) were tasked with allocating funding to eligible entities through a Method of Distribution (MOD). The COG's total allocation was distributed in accordance with the identified HUD MID and State MID areas. Each COG further specified the amount per eligible applicant that must serve low- and moderate- income beneficiaries. The COG must abide by the allocations in the GLO approved MOD, unless otherwise indicated by the GLO. Applications from eligible applicants are reviewed in accordance with the respective approved MOD and verified in support of the contracting process.

This memo supersedes the previous version approved February 15, 2024, with appended criteria outlined in number three below to include the Strike Force decision made April 12, 2024 to evaluate the combined application total that is serving LMI beneficiaries.

Issue: RMP applications submitted for review may vary from the HMID/SMID and/or LMI requirement per allocation in the approved COG MOD. Since the MOD allocation serves as the supporting documentation to initiate drafting a new contract, this memo documents an exception to the usual practice in specific circumstances as described below. An action plan amendment will follow to further document this variance.

Recommendation: Eligible applications with awarded amounts that vary from the approved MOD as indicated below may proceed to the contracting phase if they meet one of the following conditions:

1. Application reflects a higher HMID amount and lower SMID amount than was allocated, not to exceed the combined total allocation;
2. Application reflects a greater amount serving LMI beneficiaries than indicated in the MOD, not to exceed the total allocation or;

3. The total amount serving LMI beneficiaries for both applications meets or exceeds the combined minimum LMI amount as indicated in the MOD, not to exceed the total allocation.

Action Required:

1. Track variances through the existing spreadsheet stored in SharePoint. This tracker will be used to reconcile variances in TIGR and other applicable systems of record to update the applicable program totals as needed to ensure allocations and corresponding expenditures are accurately reflected in TIGR.
2. Include approved memo in new contract packet submission when approved application budgets vary from the respective MOD.

Re: Notice of Eligibility for Partial Award – Regional Mitigation Program Application 2022-100164-RMP

Dear Councilmember Alcorn:

Thank you for applying to the Regional Mitigation Program. The Texas General Land Office (GLO) has reviewed the Houston-Galveston Area Council (HGAC) application and determined the following project to be eligible for Community Development Block Grant Mitigation (CDBG-MIT) funding:

Project Title:	City of Columbus Wastewater Treatment Plant
CDBG-MIT Amount:	\$15,811,189.50

The remaining proposed projects are under review to affirm program eligibility requirements. Notification of eligibility for the remaining projects will be issued upon successful completion of all program eligibility application requirements.

This notice of eligibility confirms that the identified projects are eligible for CDBG-MIT funding. However, prior to executing a contract for this award, the following item must be addressed:

- Provide an updated detailed budget in accordance with the most recent Budget Justification of Retail Costs dated 8/14/2023, or an updated budget in accordance with the most recent cost estimates. The detailed budget should clearly show all program costs to include the CDBG and local funds for each budget line item and reconcile with the overall total budgets for all other projects within the application.
- Submit an updated signed and sealed Budget Justification of Retail Costs that provides the operations and maintenance costs associated with the project.
- A resolution committing local funds in accordance with the amount of cost overruns if recent cost estimates exceed the total award amount.
- An updated FIR for project delivery costs aligned with the budget. The line-item costs for grant administration and environmental services should be provided in the narrative description section of the form, and all clearances dates should be provided, for services procured to date.
- A procurement checklist for each procured vendor to date.
- Provide the number of parcels to be acquired for the project.

- Provide an updated project schedule that removes all gaps in months from the Environmental Review to Acquisition, Bid Advertisement to Contract Award, Construction Award to Construction NTP, and Construction to As-Builts/COCC/FWCR phases; and update the year for the Submit As-Builts/COCC/FWCR phase.

Upon satisfactory completion of the items identified above, this application will move forward to the contracting phase.

The remaining proposed projects are under final review to affirm program eligibility requirements. Notification of eligibility for the remaining projects will be issued upon successful completion of all program eligibility application requirements.

Contract documents for the eligible project noted above will be emailed via DocuSign for execution, followed by a contract Kickoff Workshop. A GLO Grant Manager will be assigned to assist you in meeting program requirements and the terms of your executed Subrecipient Agreement.

The GLO is dedicated to facilitating successful implementation and completion of your Regional Mitigation Program application projects. If you have any immediate questions regarding this notice, you may contact your assigned GLO Grant Manager, Linda Majani, at linda.majani.glo@recovery.texas.gov

Footnote

a- This city did not meet the minimum allocation threshold, and thus had its allocation rolled up to its County.

b- Harris County and its cities are excluded from this MOD as Harris County received a direct allocation of \$750M from Texas General Land Office.

c- This city's allocation excludes the Harris County portion of the city. Harris County cities receiving initial allocations from portions of their city in other counties may not use this allocations for Harris County projects. Funds allocated to these

d- This MOD reflects that H-GAC submitted and received a waiver of the minimum allocation threshold for jurisdictions whose allocations are within 10% of the \$1M threshold.

e- Jurisdictions declined allocation

f- Reallocation funds

*- Zip codes/ Counties in the parenthesis reflect where the HUDMID allocation can be spent.

Subject: HGAC HMID RMP application

Good morning Joseph,

We are sending an Attachment A your way for the HGAC HMID COG MOD application. This is a partial award for \$41,637,089.50 including the Columbus WWTP project and the Simonton Pinch Point project. This application varies from the amount in the MOD allocation and the LMI requirement, but we are able to move it forward as presented since both HGAC applications will meet the MOD specifics once they are fully contracts.

We are pending signature on an updated memo to document this new process. However, we need to proceed with drafting the contract due to a recent complaint and the partnering City's urgent need to have these funds under contract as it impacts their ability to access a state appropriation, or they will lose those funds.

The updated memo will be provided as soon as we received the signed version. The memo documents the decision by the Strike Force to proceed with this application.

Please reach out if you have any questions.

Thanks,

-esmeralda

Hi Veronica,

Can you please confirm the below:

- Columbus Beneficiary Table: Please verify whether the LMI percentage should be 48.57%, as it is my understanding this number should not be rounded.

Total Beneficiaries	LMI Beneficiaries	LMI %	Census Tract	Block Group
3,617	1,757	48.58	7504.00 7505.00	1 1,2,3,4
Beneficiaries were identified using City-Wide LMISD, and the above project meets the UNM national objective. UNM based on FY-21 LMISD with State Median Income waiver applied.				

Thanks,

ATTACHMENT

A. Contract Information: Description of the purpose of the contract and summary of major deliverables.

In response to widespread damage from presidentially declared disasters in 2015, 2016, and 2017, Congress appropriated to the United States Department of Housing and Urban Development (“HUD”) funding for Community Development Block Grants for Mitigation (“CDBG-MIT”) to assist HUD grantees in mitigating disaster risks and reducing future losses. The State of Texas, through the General Land Office (“GLO”), received a CDBG-MIT allocation based on an Action Plan submitted to and approved by HUD, outlining the use of the grant funds. The primary goal for this funding is to enable the State of Texas to increase resilience to disasters and reduce or eliminate the long-term risk of loss of life, injury, damage to and loss of property, and suffering and hardship by lessening the impact of future disasters in the areas most impacted and distressed by a major declared disaster that occurred in 2015, 2016, or 2017.

In accordance with the Action Plan, the GLO earmarked CDBG-MIT funds to assist communities impacted by Hurricane Harvey through local projects approved by Councils of Government (“COG”). Each COG governing an area of impact developed a Method of Distribution (“MOD”) to distribute the funds between local units of government and tribes. CDBG-MIT subawards, including the grant agreement described herein, were issued from the GLO to subrecipients identified by the COG MODs through the GLO-administered Regional Mitigation Program. Subrecipients are required to implement mitigation projects in conformance with rules and regulations promulgated by the HUD for its CDBG-MIT programs.

B. Executive Director Certification: If the process to award the contract, contract extension, or procurement did not comply with the requirements of Subsection 1 a and b, provide an explanation for the alternative process utilized, legal justification for the alternative process.

N/A. Process complied with requirements of subsection 1(a) and (b).

C. Risk Statement: Statement of the importance of the contract to the agency or institution of higher education, and risk to the agency or institution if the parameters of the solicitation or contract are not met within the specified time frames.

The services/funding being provided are mission critical for the Texas General Land Office to provide for the long-term recovery from, and protection in the future against, presidentially declared disasters for the individual survivors and their communities. The implementation of these services ensures our fellow residents and communities are one step closer to returning to normalcy after suffering devastating losses.
