**RE: Proposal for Sixth Supplemental Services on the On-Call Construction Phase Services
for Trammel Fresno Hurricane Lane (007846) (PO #177298)**

Dear Mr. Akinwande:

We appreciate the opportunity to work with the County as a Project Manager on the On-Call Construction Phase Services and Project Management for the Trammel Fresno project. We have worked hard to provide exceptional service and to be responsive to your needs. We have expended the fees allocated to us previously and would like to request an additional fee be added to our contract.

We propose adding **\$69,990.00** to our contract on a time and materials basis for additional project management effort to update the existing plans, specifications and estimates on Hurricane Lane, and for utility and ROW coordination, and construction phase services for this project. We would also ask that the County extend the Time of Performance for this agreement to December 31, 2025.

RPS appreciates the opportunity to prepare this proposal for Fort Bend County Engineering and hopes it meets with your approval. If you have any questions concerning this proposal, please feel free to contact me directly. RPS looks forward to a successful project delivery.

Yours sincerely,
for RPS Infrastructure, Inc.
