Dear CenterPoint Energy Customer:

Providing electrical service to your address in a timely manner is important to me and to our company. CenterPoint Energy Houston Electric, LLC (CenterPoint Energy) construction crews and/or our contractors will be doing construction on your Property at your request, as per the Service Outlet Location. While doing this construction, it may be necessary for large machinery, equipment and/or vehicles to enter the Property at the location designated below. Although this equipment is often heavy, CenterPoint Energy will make every effort to minimize ruts or damage to the Property. Unfortunately, the current condition of the Property makes it likely that ruts or damage will occur. CenterPoint Energy would normally defer construction until the Property is in a condition to properly support its vehicles and equipment, and would not proceed with construction under the current conditions without being fully released and indemnified should damage to the Property occur.

By electing below to proceed with construction under conditions that may cause ruts or damage to the Property, the Customer signing below agrees to **release, protect, indemnify, and hold CenterPoint Energy, its affiliates, officers, employees and contractors free and harmless from and against any and all claims, demands, causes of actions, suits, damages to property or other litigation (including all costs thereof and attorney's fees) (the Damages) of any kind and character arising in favor of any person(s), where such Damages are caused by or arise out of the construction activities of CenterPoint Energy employees or contractors upon the Property, and even where the damages are alleged to be caused by the negligence of CenterPoint Energy or its contractors.**

Please check your preference on one of the following choices:

☒ CenterPoint Energy can proceed with the construction under current conditions that may cause ruts or damage to the Property.

☐ CenterPoint Energy may delay construction until the Property is in a condition to properly support its vehicles and/or the equipment necessary for construction.

Please return this form to me at your earliest convenience at the above address or fax to 281-341-4991, or feel free to call me at 281-341-4931 with any questions you might have.

Sincerely,

A handwritten signature in black ink that reads "Enrique Ramon".
