**Re: Public Road Connection for an Unnamed Road at FM 359 on behalf of
Johnson Development Services – Sponsorship**

Honorable Judge George:

Fort Bend County Engineering Department has received and reviewed a request (letter attached) from Quiddity Engineering on behalf of Johnson Development Services, for Fort Bend County to sponsor a project for a public road connection for an Unnamed Road at FM 359. The road connection will provide a point of access for the Candela Commercial Development.

Any and all cost involved with the project will be borne by Johnson Development Services. There will be no cost to Fort Bend County.

The Texas Department of Transportation requests that an agency, such as Fort Bend County, act as a sponsor for the project. This means that the permit for the work will be issued in the name of Fort Bend County and the County accepts responsibility for the terms and conditions of the permit.

We recommend acceptance of the sponsorship and request that this item be placed on the 03/11/2025 Commissioners Court agenda. We have prepared a letter to Texas Department of Transportation for the County Judges' signature.

If there are any questions please do not hesitate to call.

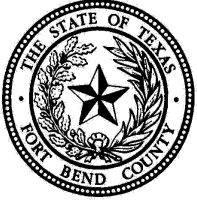

Sincerely,

Hugo Sanchez
Development Services Manager

Quiddity Engineering, LLC. Job No. 16656-0010-01

Dear Judge George:

Quiddity Engineering is preparing the street tie-in permit application to submit to the Texas Department of Transportation (TxDOT) for the proposed street tie-in for a public driveway at existing FM 359. Johnson Development Services, the developer, will fund the cost of construction. There will be no expense to Fort Bend County. The attached construction plan drawings were prepared in accordance with TxDOT's street tie-in permit requirements.

As part of the permit application process, TxDOT is requiring a sponsorship letter from Fort Bend County. I am requesting Fort Bend County's sponsorship of this project and a sponsorship letter to include with the TxDOT permit application package.

Please contact me if you need further information or have any questions.

Sincerely,

Devin Espinosa, P.E.
