WHEREAS, this Agreement is not subject to competitive bidding requirements under Section 262.023 of the Texas Local Government Code because this Agreement is for professional Architectural services and may not be competitively bid pursuant to Chapter 2254 of the Texas Government Code.

- (a) Architect understands and agrees that the Maximum Compensation stated is an all-inclusive amount and no additional fee, cost or reimbursed expense shall be added whatsoever to the fees stated in the attached Exhibit "A."
 - (b) County will pay Architect based on the following procedures: Upon completion of the tasks identified in the Scope of Services, Architect shall submit to County staff person designated by the County Architect, one (1) electronic (pdf) copy of the invoice showing the amounts due for services performed in a form acceptable to County. Architect shall submit invoices no more frequently than on a monthly basis. County shall review such invoices and approve them within 30 calendar days with such modifications as are consistent with this Agreement and forward same to the Auditor for processing. County shall pay each such approved invoice within thirty (30) calendar days.
 - (c) Accrual and payment of interest on any overdue payments assessed by Architect, if any, shall be governed by Chapter 2251 of the Texas Government Code.
 - (d) Architect understands and agrees that County's obligation to make any payment(s) hereunder is dependent upon Architect's completion of the Services in a timely, good, and professional manner and in accordance with the performance representations made in Section 25 of this Agreement. Therefore, County reserves the right to withhold payment pending verification of satisfactory work performed.
5. **Limit of Appropriation.** Architect understands and agrees that the Maximum Compensation for the performance of the Services within the Scope of Services described in Section 2 above is \$199,830.00. In no event shall the amount paid by County under this Agreement exceed the Maximum Compensation without a County approved change

In no event shall said termination of this Agreement or County's failure to appropriate said funds be deemed a breach or default of this Agreement or create a debt by County in any amount(s) in excess of those previously funded.
7. **Taxes.** Architect understands and agrees that County is a governmental entity and political subdivision of the state of Texas, and as such, is exempt from payment of any sales and use taxes. County shall furnish evidence of its tax-exempt status upon written request by Architect.

If required coverage is written on a claims-made basis, Architect warrants that any retroactive date applicable to coverage under the policy precedes the Effective Date of this Agreement and that continuous coverage will be maintained or an extended discovery period will be exercised for a period of 2 years beginning from the time the work under this Agreement is completed.

Architect shall not commence any portion of the work under this Agreement until it has obtained the insurance required herein and certificates of such insurance have been filed with and approved by County.

10. **Public Information Act.** Architect expressly acknowledges and agrees that County is a public entity and as such, is subject to the provisions of the Texas Public Information Act under Chapter 552 of the Texas Government Code. In no event shall County be liable to Architect for release of information pursuant to Chapter 552 of the Texas Government Code or any other provision of law. All employees of Architect shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee or agent of Architect who, in County's opinion, is incompetent or by his conduct becomes detrimental to providing Services pursuant to this Agreement, shall, upon request of County, immediately be removed from association with the Services required under this Agreement.

When performing Services on-site at County's facilities, Architect shall comply with, and will require that all Architect's Personnel comply with, all applicable rules, regulations and known policies of County that are communicated to Architect in writing, including security procedures concerning systems and data and remote access thereto, building security procedures, including the restriction of access by County to certain areas of its premises or systems for security reasons, and general health and safety practices and procedures.

16. **Confidential and Proprietary Information.** Architect acknowledges that it and its employees or agents may, in the course of performing their responsibilities under this Agreement, be exposed to or acquire information that is confidential to County. Architect agrees that, except as directed by County, Architect will not at any time during or after the term of this Agreement disclose, directly or indirectly, any Confidential Information to any person, and that upon termination of this Agreement or at County's request, Architect will promptly turn over to County all documents, papers, and other matters in Architect's possession which embody Confidential Information.

Architect acknowledges that a breach of this Section, including disclosure of any Confidential Information, or disclosure of other information that, at law or in equity, ought to remain confidential, will give rise to irreparable injury to County that is inadequately compensable in damages. Accordingly, County may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available.
