	§	KNOW ALL BY THESE PRESENTS:
COUNTY OF FORT BEND	§	

THAT **FORT BEND COUNTY, TEXAS**, a political subdivision of the State of Texas ("Grantor"), for and in consideration of the sum of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, has GRANTED, SOLD, AND CONVEYED and, by these presents, does GRANT, SELL, AND CONVEY unto **FORT BEND COUNTY MUNICIPAL UTILITY DISTRICT NO. 23**, a political subdivision of the State of Texas, its successors and assigns ("Grantee"), a permanent and perpetual non-exclusive easement and right-of-way (the "Easement") for the laying, construction, installation, maintenance, repair, relocation, replacement, removal, modification and operation of water meters and all related connections and appurtenances (collectively, the "Facilities") across, along, under, over, upon and through that certain tract of land located in Fort Bend County, Texas, containing 0.0023 acre, as more particularly described in and shown on **Exhibit A** attached hereto and incorporated herein for all purposes (the "Easement Tract").

Grantee may lay, construct, install, maintain, repair, relocate, replace, remove, modify and operate the Facilities across, along, under, over, upon and through the Easement Tract, and may enter upon the Easement Tract to engage in all activities as may be necessary, requisite, convenient, or appropriate in connection therewith. Grantee's rights shall include, without limitation, the right to clear and remove trees, growth, shrubbery, and other improvements from within the Easement Tract and the right to bring and operate such equipment on the Easement Tract as may be necessary, requisite, convenient, or appropriate to effectuate the purposes for which the Easement is granted. Subject to the rights granted to Grantee herein, Grantee will, at all times after doing any work in connection with the Easement, restore the surface of the Easement Tract as nearly as reasonably practicable to substantially its condition prior to the undertaking of such work; provided, however, Grantee shall not be obligated to replace or restore any trees, growth, shrubbery, or other improvements or obstructions removed from within the Easement Tract in connection with the construction,

installation, repair, maintenance, relocation, replacement, removal, upgrade, change in the size of, operation, placement, inspection, protection, or alteration of the Facilities or that interfere with Grantee's use of the Easement Tract for the purposes set forth herein. Grantee shall remove, at Grantee's expense, any dirt, earth, or other material excavated from the Easement Tract in connection with Grantee's construction, operation, or maintenance of the Facilities that is not used in connection with Grantee's activities hereunder. Nothing contained herein shall grant or be construed as granting to Grantee the right to use the Easement Tract for any purpose other than for the purposes herein specified or to change the dimensions or location of the Easement Tract.

Subject to the limitations set forth herein, Grantor expressly reserves unto itself, and its successors and assigns, the right to the use and enjoyment of the surface of the Easement Tract for any and all purposes; provided, however, such use and enjoyment of the surface of the Easement Tract shall not materially interfere with, obstruct, or restrict the full and complete use and enjoyment of the Easement for the purposes set forth herein. Notwithstanding anything herein to the contrary, Grantor shall not, without the prior written consent of Grantee, (i) construct or place or allow to be constructed or placed, any houses, buildings, structures, or other permanent above-ground improvements or other obstructions (other than pavement and fencing, which shall be permitted without the prior written consent of Grantee) or plant or locate any deep-rooted trees or shrubs on the Easement Tract; (ii) install or permit the installation of pipelines or other underground facilities within the Easement Tract; or (iii) change the grade over the Facilities constructed under the Easement Tract. If Grantor constructs, places, installs (or otherwise permits the construction, placement, or installation of) any obstruction that interferes with, obstructs, or restricts Grantee's full and complete use and enjoyment of the Easement for the purposes set forth herein, upon prior written notice delivered to Grantor (except in the event of an emergency, in which case Grantee shall deliver written notice to Grantor promptly thereafter), Grantee shall have the right to prevent or remove such obstruction, at Grantor's sole cost and expense, without any obligation to restore the same or any liability to Grantor or Grantor's successors and assigns.

The Easement hereby granted is non-exclusive, and Grantor, its successors and assigns, shall have the right from time to time to grant further easements over, across, and through the Easement Tract for any lawful purpose, provided that the holder of such easement does not unduly or materially interfere with Grantee's rights and privileges granted herein and the intended purpose of this Easement.

This conveyance is further made subject to any and all restrictions, covenants, easements, rights-of-way, encumbrances, and mineral or royalty reservations or interests affecting the Easement Tract and appearing of record in the Official Public Records of Fort Bend County, Texas, to the extent in effect and validly enforceable against the Easement Tract (the "Permitted Encumbrances").

TO HAVE AND TO HOLD, subject to the matters set forth herein and the Permitted Encumbrances, the Easement, together with, all and singular, the rights and appurtenances thereto in any wise belonging, including all necessary rights to ingress, egress, and regress, unto Grantee, its successors and assigns, forever. Grantor does hereby bind itself and its successors and assigns to WARRANT AND FOREVER DEFEND, all and singular, the Easement and right-of-way and other rights described herein unto Grantee, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof, by, through, or under Grantor, but not otherwise.

The covenants and agreements contained herein shall run with the land and shall inure to the benefit of and shall be binding upon Grantor and Grantee and their respective successors and assigns.
