# EXHIBIT A

## **Cadence Bank Best and Final Offer Statement**

### **Depository Bank Services Proposal No. R20-074**

#### **Earnings Credit Rate**

Cadence Bank is pleased to offer Fort Bend County our above market ECR of **1.00%**. This ECR is calculated on 100% of collected balances with no reserve requirement and will float at 0.50% above our standard managed Earnings Credit Rate for the life of the contract. A floor rate of 0.50% will be in place for Fort Bend County for the life of the contract.

#### **Seized Funds Solution**

Cadence Bank has developed a unique solution for any agency within Fort Bend County to bring seized funds to our Williams Tower location or the Cadence Bank Sugar Land location (4647 Sweetwater Boulevard, Sugar Land TX 77479) for verification and deposit.

If Fort Bend County requires a deposit of large amounts of seized coin, these deposits will be made at the Cadence Bank Williams Tower location.

#### **Pricing**

- Remote Deposit Capture – Credits – applies to the number of deposits (batches) and not the individual number of RDC checks. Individual checks clear as RDC on-us/transit items (\$0.06/\$0.08 respectively). There are multiple checks in a deposit batch, therefore, greatly reducing the number of RDC credits. Batches include up to 250 checks.
- Return Item Reclear will be \$4.00 per item.

### **Transition Services**

During the transition period from Fort Bend County's previous banking provider to Cadence, the County may request paper statements, manual/special reports or paper items that are outside the scope of what Cadence proposed in the RFP response.

For these items, Cadence reserves the right to charge any applicable fees that are captured below or in the Comprehensive Fee Schedule submitted in Cadence Bank's RFP response:
