**Re: Revised Budget Addendum Letter  
Chimney Rock Project**

Dear Sir,

The earlier allocated budget amount for Geotest Engineering for the referenced project is \$320,972.00. We anticipate additional billing for Segment 2 of this project. Based on the drawings & specifications, we request you grant \$118,773.00 additional funds, to perform the material testing services and which will increase the total budget to \$439,745.00. This anticipated requested additional budget will be the best estimate to complete the project. A worksheet with the breakdown of quantities is included with this letter for your convenience.

Very truly yours,
