STATE OF TEXAS §
§
COUNTY OF FORT BEND §

ADDENDUM TO QUOTE

THIS ADDENDUM ("Addendum") is entered into by and between **Fort Bend County, Texas** ("County"), a body corporate and politic under the laws of the State of Texas, and **Netsync Network Solutions, Inc.**, on behalf of itself and its affiliates, ("Netsync") a company authorized to conduct business in the State of Texas (hereinafter each referred to as a "party" or collectively as the "parties").

WHEREAS, subject to the changes herein, the parties have executed and accepted Netsync’s Quote for Ransomware Response, dated February 27, 2025, (the “Agreement”), attached hereto as Exhibit “A” and incorporated fully by reference, for the purchase of ransomware response software services (the “Services”); and

WHEREAS, County desires that Netsync provide Services as will be more specifically described in this Agreement; and

WHEREAS, Netsync represents that it is qualified and desires to perform such Services;
and

WHEREAS, County has determined that this Agreement is not subject to competitive bidding requirements under §262.023 of the Texas Local Government Code because the Agreement does not require an expenditure exceeding \$50,000 by the County; and

WHEREAS, § 262.011(d) of the Texas Local Government Code authorizes the County Purchasing Agent to make purchases that are not subject to competitive solicitation; and

WHEREAS, the parties wish to utilize the Department of Information Resources ("DIR") Contract #DIR-CPO-4866, which is incorporated fully by reference, for the purchase of the Services; and

WHEREAS, the following changes are incorporated as if a part of the Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth below, the parties agree as follows:

AGREEMENT

1. **Recitals.** The recitals set forth above are incorporated herein by reference and made a part of this Agreement.
2. **Scope of Services.** Subject to this Addendum, Netsync will render ransomware services (“Services”) to County as described in Exhibit A, and in accordance with DIR Contract #DIR-CPO-4866. The Services shall be scheduled at a time that is mutually agreeable between the parties but without reasonable delay. All performance of the Scope of Services by Netsync

including any changes in the Scope of Services and revision of work satisfactorily performed will be performed only when approved in advance and authorized by County.

3. **Payment; Non-appropriation; Taxes.** Payment shall be made by County within thirty (30) days of receipt of invoice. Netsync may submit invoice(s) electronically in a form acceptable to County via: apauditor@fortbendcountytexas.gov. If County disputes charges related to the invoice submitted by Netsync, County shall notify Netsync no later than twenty-one (21) days after the date County receives the invoice. If County does not dispute the invoice, then County shall pay each such approved invoice within thirty (30) calendar days. It is specifically understood and agreed that in the event no funds or insufficient funds are appropriated by Fort Bend County under this Agreement, Fort Bend County shall notify all necessary parties that this Agreement shall thereafter terminate and be null and void on the last day of the fiscal period for which appropriations were made without penalty, liability or expense to Fort Bend County. County is a body corporate and politic under the laws of the State of Texas and claims exemption from sales and use taxes. A copy of a tax-exempt certificate will be furnished upon request. Interest resulting from late payments by County shall be governed by Chapter 2251, TEXAS GOVERNMENT CODE. County reserves the right to withhold payment pending verification of satisfactory work performed.
4. **Limit of Appropriation.** Netsync clearly understands and agrees, such understanding and agreement being of the absolute essence of this Agreement, that County shall have available the total maximum sum of Forty-nine Thousand, Five Hundred dollars and 00/100 (\$49,500.00), specifically allocated to fully discharge any and all liabilities County may incur. Netsync does further understand and agree, said understanding and agreement also being of the absolute essence of this Agreement, that the total maximum compensation that Netsync may become entitled to and the total maximum sum that County may become liable to pay to Netsync shall not under any conditions, circumstances, or interpretations thereof exceed Forty-nine Thousand, Five Hundred dollars and 00/100 (\$49,500.00). In no event will the amount paid by the County for all Services under this Agreement exceed this Limit of Appropriation without an amendment executed by the parties.
5. **Public Information Act.** Netsync expressly acknowledges that County is subject to the Texas Public Information Act, TEX. GOV'T CODE ANN. §§ 552.001 *et seq.*, as amended, and notwithstanding any provision in the Agreement to the contrary, County will make any information related to the Agreement, or otherwise, available to third parties in accordance with the Texas Public Information Act. Any proprietary or confidential information marked as such provided to County by Netsync shall not be disclosed to any third party, except as directed by the Texas Attorney General in response to a request for such under the Texas Public Information Act, which provides for notice to the owner of such marked information and the opportunity for the owner of such information to notify the Attorney General of the reasons why such information should not be disclosed. The terms and conditions of the Agreement and this Addendum are not proprietary or confidential information.

6. **Indemnity.** The parties agree that under the Constitution and laws of the State of Texas, County cannot enter into an agreement whereby County agrees to indemnify or hold harmless another party; therefore, all references of any kind to County defending, indemnifying, holding or saving harmless Netsync for any reason are hereby deleted.
7. **Applicable Law; Arbitration; Attorney Fees.** The laws of the State of Texas govern all disputes arising out of or relating to this Agreement. The parties hereto acknowledge that venue is proper in Fort Bend County, Texas, for all legal actions or proceedings arising out of or relating to this Agreement and waive the right to sue or be sued elsewhere. Nothing in the Agreement shall be construed to waive the County's sovereign immunity. County does not agree to submit disputes arising out of the Agreement to binding arbitration. Therefore, any references to binding arbitration or the waiver of a right to litigate a dispute are hereby deleted. County does not agree to pay any and/or all attorney fees incurred by Netsync in any way associated with the Agreement.
8. **Certain State Law Requirements for Contracts.** The contents of this Section are required by Texas Law and are included by County regardless of content. Any and all information of any form obtained by Netsync or its employees or agents from County in the performance of this Agreement shall be deemed to be confidential information of County ("Confidential Information").
