

Scope of Services, within this time or within such additional time as may be extended by County.

4. **Compensation and Payment Terms.**

Architect's fees for the Services shall be calculated at the rate(s) set forth in Exhibit "A" attached hereto. The Maximum Compensation to Architect for the Services performed under this Agreement is One Hundred Seven Thousand Five Hundred and 00/100 dollars (\$107,500.00). In no event shall the amount paid by County to Architect under this Agreement exceed said Maximum Compensation without an approved change order.

- (a) Architect understands and agrees that the Maximum Compensation stated is an all-inclusive amount and no additional fee, cost or reimbursed expense shall be added whatsoever to the fees stated in the attached Exhibit "A."
- (b) County will pay Architect based on the following procedures: Upon completion of the tasks identified in the Scope of Services, Architect shall submit to County staff person designated by the County Parks Director, one (1) electronic (pdf) copy of the invoice showing the amounts due for services performed in a form acceptable to County. Architect shall submit invoices no more frequently than on a monthly basis. County shall review such invoices and approve them within 30 calendar days with such modifications as are consistent with this Agreement and forward same to the Auditor for processing. County shall pay each such approved invoice within thirty (30) calendar days.
- (c) Accrual and payment of interest on any overdue payments assessed by Architect, if any, shall be governed by Chapter 2251 of the Texas Government Code.
- (d) Architect understands and agrees that County's obligation to make any payment(s) hereunder is dependent upon Architect's completion of the Services in a timely, good, and professional manner and in accordance with the performance representations made in Section 25 of this Agreement. Therefore, County reserves the right to withhold payment pending verification of satisfactory work performed.

5. **Limit of Appropriation.** Architect understands and agrees that the Maximum Compensation for the performance of the Services within the Scope of Services described in Section 2 above is One Hundred Seven Thousand Five Hundred and 00/100 dollars (\$107,500.00). In no event shall the amount paid by County under this Agreement exceed the Maximum Compensation without a County approved change order. Architect clearly understands and agrees, such understanding and agreement being of the absolute essence of this Agreement, that County shall have available the total maximum sum of One Hundred Seven Thousand Five Hundred and 00/100 dollars (\$107,500.00) specifically allocated to fully discharge any and all

liabilities County may incur under this Agreement. Architect does further understand and agree, said understanding and agreement also being of the absolute essence of this Agreement, that the total Maximum Compensation that Architect may become entitled to and the total maximum sum that County may become liable to pay Architect under this Agreement shall not under any conditions, circumstances, or interpretations thereof exceed One Hundred Seven Thousand Five Hundred and 00/100 dollars (\$107,500.00).

6. **Non-appropriation.** Architect understands and agrees that in the event no funds or insufficient funds are appropriated by the County under this Agreement, County shall immediately notify Architect in writing of such occurrence and the Agreement shall thereafter terminate and be null and void on the last day of the fiscal period for which appropriations were received or made without penalty, liability or expense to the County. In no event shall said termination of this Agreement or County's failure to appropriate said funds be deemed a breach or default of this Agreement or create a debt by County in any amount(s) in excess of those previously funded.
7. **Taxes.** Architect understands and agrees that County is a governmental entity and political subdivision of the state of Texas, and as such, is exempt from payment of any sales and use taxes. County shall furnish evidence of its tax-exempt status upon written request by Architect.
8. **Insurance.** Prior to commencement of the Services, Architect shall furnish County with properly executed certificates of insurance which shall evidence all insurance required and provide that such insurance shall not be canceled, except on 30 days' prior written notice to County. Architect shall provide certified copies of insurance endorsements and/or policies if requested by County. Architect shall maintain such insurance coverage from the time Services commence until Services are completed and provide replacement certificates, policies and/or endorsements for any such insurance expiring prior to completion of Services. Architect shall obtain such insurance written on an Occurrence form from such companies having Best's rating of A/VII or better, licensed or approved to transact business in the State of Texas, and shall obtain such insurance of the following types and minimum limits:

 - (c) Commercial general liability insurance with a limit of not less than \$1,000,000 each occurrence and \$2,000,000 in the annual aggregate. Policy shall cover liability for bodily injury, personal injury, and property damage and products/completed operations arising out of the business operations of the policyholder.

(d) Business Automobile Liability coverage applying to owned, non-owned and hired automobiles with limits not less than \$1,000,000 each occurrence combined single limit for Bodily Injury and Property Damage combined.

(e) Professional Liability insurance with limits not less than \$1,000,000.

County and members of the Fort Bend County Commissioners Court shall be named as additional insured to all required coverage except for Workers' Compensation and Professional Liability (if required). All Liability policies written on behalf of Architect shall contain a waiver of subrogation in favor of County.

If required coverage is written on a claims-made basis, Architect warrants that any retroactive date applicable to coverage under the policy precedes the Effective Date of this Agreement and that continuous coverage will be maintained or an extended discovery period will be exercised for a period of 2 years beginning from the time the work under this Agreement is completed.

Architect shall not commence any portion of the work under this Agreement until it has obtained the insurance required herein and certificates of such insurance have been filed with and approved by County.

No cancellation of or changes to the certificates, or the policies, may be made without thirty (30) days prior, written notification to County.

Approval of the insurance by County shall not relieve or decrease the liability of the Architect.

9. **Indemnity. PURSUANT TO SECTION 271.904 OF THE TEXAS LOCAL GOVERNMENT CODE, ARCHITECT SHALL INDEMNIFY AND HOLD HARMLESS COUNTY, ITS OFFICIALS, OFFICERS, AND EMPLOYEES FROM AND AGAINST ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, LIABILITY, AND COSTS, INCLUDING THE REIMBURSEMENT OF REASONABLE ATTORNEY FEES, ARISING OUT OF OR RESULTING FROM AN ACT OF NEGLIGENCE, INTENTIONAL TORT, INTELLECTUAL PROPERTY INFRINGEMENT, OR FAILURE TO PAY A SUBCONTRACTOR OR SUPPLIER COMMITTED BY ARCHITECT OR ARCHITECT'S AGENTS, EMPLOYEES, OR ANOTHER ENTITY OVER WHICH ARCHITECT EXERCISES CONTROL. THE INDEMNITY PROVISIONS OF THIS SECTION SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT HOWEVER CAUSED, AND NO PAYMENT, PARTIAL PAYMENT, OR ISSUANCE OF CERTIFICATION OF COMPLETION OF THE SERVICES UNDER THIS AGREEMENT BY COUNTY, WHETHER IN WHOLE OR IN WHOLE OR IN PART, SHALL WAIVE OR RELEASE ANY OF THE PROVISIONS OF THIS SECTION.

10. **Public Information Act.** Architect expressly acknowledges and agrees that County is a public entity and as such, is subject to the provisions of the Texas Public Information Act under Chapter 552 of the Texas Government Code. In no event shall County be liable to Architect for release of information pursuant to Chapter 552 of the Texas Government Code or any other provision of law. Except to the extent required by law or as directed by the Texas Attorney General, County agrees to maintain the confidentiality of information provided by Architect expressly marked as proprietary or confidential. County shall not be liable to Architect for any disclosure of any proprietary or confidential information if such information is disclosed under Texas law or at the direction of the Texas Attorney General. Architect, in providing all services hereunder, further agrees to abide by the provisions of any applicable Federal or State Data Privacy Act.
12. **Independent Contractor.** In the performance of work or services hereunder, Architect shall be deemed an independent Contractor, and any of its agents, employees, officers, or volunteers performing work required hereunder shall be

deemed solely as employees of Architect. Architect and its agents, employees, officers, or volunteers shall not, by performing work pursuant to this Agreement, be deemed to be employees, agents, or servants of County and shall not be entitled to any of the privileges or benefits of County employment.

13. **Use of Customer Name.** Architect may use County's name without County's prior written consent only in Architect's customer lists. Any other use of County's name by Architect must have the prior written consent of County.
14. **County/County Data.** Nothing in this Agreement shall be construed to waive the requirements of Section 205.009 of the Texas Local Government Code.
15. **Personnel.** Architect represents that it presently has, or is able to obtain adequate qualified personnel in its employment for the timely performance of the Services required under this Agreement and that Architect shall furnish and maintain, at its own expense, adequate and sufficient personnel, in the opinion of County, to perform the Services when and as required and without delays.

All employees of Architect shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee or agent of Architect who, in County's opinion, is incompetent or by his conduct becomes detrimental to providing Services pursuant to this Agreement, shall, upon request of County, immediately be removed from association with the Services required under this Agreement.

When performing Services on-site at County's facilities, Architect shall comply with, and will require that all Architect's Personnel comply with, all applicable rules, regulations and known policies of County that are communicated to Architect in writing, including security procedures concerning systems and data and remote access thereto, building security procedures, including the restriction of access by County to certain areas of its premises or systems for security reasons, and general health and safety practices and procedures.

16. **Confidential and Proprietary Information.** Architect acknowledges that it and its employees or agents may, in the course of performing their responsibilities under this Agreement, be exposed to or acquire information that is confidential to County. Any and all information of any form obtained by Architect or its employees or agents from County in the performance of this Agreement shall be deemed to be confidential information of County ("Confidential Information"). under this Agreement; or (c) is independently developed by employees or agents of Architect who can be shown to have had no access to the Confidential Information.

Architect agrees to hold Confidential Information in strict confidence, using at least the same degree of care that Architect uses in maintaining the confidentiality of its own confidential information, and not to copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties or use Confidential Information for any purposes whatsoever other than the provision of Services to County hereunder, and to advise each of its employees and agents of their obligations to keep Confidential Information confidential. Architect shall use its best efforts to assist County in identifying and preventing any unauthorized use or disclosure of any Confidential Information. Without limitation of the foregoing, Architect shall advise County immediately in the event Architect learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Agreement and Architect will at its expense cooperate with County in seeking injunctive or other equitable relief in the name of County or Architect against any such person. Architect agrees that, except as directed by County, Architect will not at any time during or after the term of this Agreement disclose, directly or indirectly, any Confidential Information to any person, and that upon termination of this Agreement or at County's request, Architect will promptly turn over to County all documents, papers, and other matters in Architect's possession which embody Confidential Information.

Architect acknowledges that a breach of this Section, including disclosure of any Confidential Information, or disclosure of other information that, at law or in equity, ought to remain confidential, will give rise to irreparable injury to County that is inadequately compensable in damages. Accordingly, County may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Architect acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interest of County and are reasonable in scope and content.

18. **Inspection of Books and Records.** Architect shall permit County, or any duly authorized agent of County, to inspect and examine the books, records, information, and documentation (collectively, "Records") of Architect which relate to the Services provided under this Agreement for the purposes of making audits, examinations, excerpts, copies, and transcriptions. Architect shall maintain all such Records in a readily available state and location, reasonably accessible to County or their authorized representatives. County's right to inspect such books and records shall survive the termination of this Agreement for a period of four (4) years, or until any litigation concerning any of the Services has been satisfactorily resolved, whichever occurs later. **ARCHITECT SHALL NOT DESTROY OR DISCARD ANY RECORDS REASONABLY RELATED TO THIS AGREEMENT OR THE SERVICES, UNLESS THE TIME PERIOD FOR MAINTAINING THE SAME HAS EXPIRED.**

19. **Termination.**

Upon receipt of said Notice, Architect shall have opportunity to cure such Default within the time specified in the Notice by County. If Architect fails to cure such Default within such time, and to the reasonable satisfaction of County, then County may elect to terminate this Agreement for cause.
 - (7) If, after termination of the Agreement by County for cause, it is determined for any reason whatsoever that Architect was not in Default, or that the Default was excusable, the rights and obligations of the Parties hereunder shall be the same as if the termination had been issued by County without cause in accordance with this Agreement.
- (c) Upon termination of this Agreement for any reason, Architect shall cease all work and activity for the Services by the date specified by County and shall not incur any new obligations or perform any additional services for the work performed hereunder beyond the specified date. County shall compensate Architect in accordance with Section 4, above, for such work provided by Architect under this Agreement prior to its termination and which has not been previously presented for payment by Architect to County.

Re: Fee Proposal for Fort Bend County Fairgrounds Master Plan

Dear Mr. Hasanali:

We are pleased to submit our proposal to provide comprehensive master planning services for the Fort Bend County Fairgrounds located in Rosenberg, Texas. With over 80 acres of public event space and decades of service to the community, this project presents an exciting opportunity to reimagine the fairgrounds for future generations.

Project Understanding

The Fort Bend County Fairgrounds is a central venue for the County's cultural, agricultural, and community events. The County has expressed interest in developing a long-range vision that enhances functionality, modernizes infrastructure, and supports economic and social vitality.

An integral part of this effort will be assessing the existing facilities, which include Buildings B, C, D, livestock barns, the O.D. Tucker Arena, and other supporting structures, to determine their long-term viability, adaptability, and utility. We will also assess existing parking areas, grading and drainage, and undeveloped areas to determine both condition and usability for future structures, parking or open space.

PGAL will visit each of the buildings on site and review previous reports and studies. We will prepare a report defining current uses and possible alternative uses. The building evaluations will consist of field verification, field measuring of buildings to confirm the accuracy of county-provided CAD backgrounds, and general review of building and site conditions and site constraints. We will communicate with the County Facilities Department to ensure that each existing building's functional constraints are understood.

The County's existing buildings and site will be studied to determine and optimize their best current and future use. Possible repurposing of current facilities will be considered. Alternative strategies for each solution will be considered and presented to the County for decisions. Included in the Basic Services is a Level I assessment of the existing County owned buildings. Level I assessment includes a general architectural review of the building condition. Level I assessments will not include engineering analysis of the buildings or systems. Levels II and III assessments can be provided as an Additional Service. Level II

ALEXANDRIA
ATLANTA
AUSTIN
BOCA RATON
DALLAS/FORT WORTH
DENVER
HOBOKEN
HOUSTON
LAS VEGAS
LOS ANGELES
SALT LAKE CITY
SAN DIEGO

assessment option includes a more detailed architectural, structural and MEP review of building conditions and systems. This will include general review of equipment, electrical panels, exterior skin, roof, structure and finishes. A Level III assessment includes testing of equipment, environmental testing and accessibility evaluation but is an optional part of this study. A budget estimate is included in each assessment level. We will utilize all existing assessments performed by others in our analysis.

Several factors will also be considered as part of the master planning process:

- The planned widening of Highway 36, which may affect site access and visibility
- The Band Road Mobility Project, which could influence traffic flow and connectivity
- Reconfiguration of parking lots to improve efficiency, safety, and event flexibility
- Accommodation of recurring special events, such as Magical Winter Lights, and their infrastructure needs
- The proximity and functionality of the Fort Bend County Transit Authority Park & Ride bus drop-off area

Scope of Services

1. Site Analysis & Assessment
 - Review of topography, access, zoning, and drainage
 - Facility Condition Assessment (FCA) for all major buildings
 - Evaluation of current building use, structural integrity, and utility capacity
2. Stakeholder Engagement
 - Workshops and meetings with county officials, fair board, vendors, and user groups
3. Conceptual Master Planning
 - Development of alternative land-use concepts
 - Integration of new and repurposed facilities into phased concepts
4. Preferred Plan Development
 - Refined master plan with phasing and implementation strategies
 - High-level cost estimates and visualizations
5. Final Documentation & Presentation
 - Digital and printed deliverables
 - Presentations to County Commissioners Court and stakeholders

Additionally, the following specific improvements and needs will be evaluated and incorporated into the scope of work:

- Replacement of barn roofs
- Design and siting of new administrative offices

- Upgrades to midway infrastructure (utilities, lighting, surfacing)
- Planning for a designated RV parking area with restrooms and a picnic area
- Assessment of maintenance needs identified by the Parks Department, AgriLife Extension, and other key stakeholders
- Demolition of the existing Fair Association building and planning for the construction of a new facility to support their administrative and operational needs

Phasing considerations for implementation will be an important factor in determining the success of the plan. The schemes and recommendations that will be developed will take input from the Fort Bend County Fair Association, The Fort Bend County Office of the Texas A&M Agrilife Extension Service, Fort Bend County Parks Department, the County's facilities management team, Epicenter, and ultimately Commissioner's Court to make sound and informed decisions about the renovation of existing facilities and/or construction of new facilities. The goal will be to make decisions on the most practical and cost effective means of achieving the long term goals of the County.
