4. **Limit of Appropriation.** Netsync clearly understands and agrees, such understanding and agreement being of the absolute essence of this Agreement, that County shall have available the total maximum sum of Three Hundred Sixty-Nine Thousand, Seven Hundred Twenty-One 78/100 dollars (\$369,721.78), specifically allocated to fully discharge any and all liabilities County may incur. Netsync does further understand and agree, said understanding and agreement also being of the absolute essence of this Agreement, that the total maximum compensation that Netsync may become entitled to and the total maximum sum that County may become liable to pay to Netsync shall not under any conditions, circumstances, or interpretations thereof exceed Three Hundred Sixty-Nine Thousand, Seven Hundred Twenty-One 78/100 dollars (\$369,721.78). Any proprietary or confidential information marked as such provided to County by Netsync shall not be disclosed to any third party, except as directed by the Texas Attorney General in response to a request for such under the Texas Public Information Act, which provides for notice to the owner of such marked information and the opportunity for the owner of such information to notify the Attorney General of the reasons why such information should not be disclosed. The terms and conditions of the Agreement are not proprietary or confidential information.
6. **Indemnity.** The parties agree that under the Constitution and laws of the State of Texas, County cannot enter into an agreement whereby County agrees to indemnify or hold harmless another party; therefore, all references of any kind to County defending, indemnifying, holding or saving harmless Netsync for any reason are hereby deleted.
7. **Applicable Law; Arbitration; Attorney Fees.** The laws of the State of Texas govern all disputes arising out of or relating to this Agreement. The parties hereto acknowledge that venue is proper in Fort Bend County, Texas, for all legal actions or proceedings arising out of or relating to this Agreement and waive the right to sue or be sued elsewhere. Nothing in the Agreement shall be construed to waive the County's sovereign immunity. County does not agree to submit disputes arising out of the Agreement to binding arbitration. Therefore, any references to binding arbitration or the waiver of a right to litigate a dispute are hereby deleted. County does not agree to pay any and/or all attorney fees incurred by Netsync in any way associated with the Agreement.

This Addendum, although drawn by one party, shall be construed fairly and reasonably and not more strictly against the drafting party than the nondrafting party.
14. **Captions.** The section captions used in this Agreement are for convenience of reference only and do not affect the interpretation or construction of this Agreement.
15. **Electronic and Digital Signatures.** The parties to this Agreement agree that any electronic and/or digital signatures of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as the use of manual signatures.

 - (a). If Netsync fails to timely perform Services pursuant to this Agreement or any extension thereof granted by the County in writing;
 - (b). If Netsync materially breaches any of the covenants or terms and conditions set forth in this Agreement or fails to perform any of the other provisions of this Agreement or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in any of these circumstances does not cure such breach or failure to County's reasonable satisfaction within a period of ten (10) calendar days after receipt of notice from County specifying such breach or failure.
 - 17.3. If, after termination, it is determined for any reason whatsoever that Netsync was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the County in accordance with § 17.1 above.
 - 17.4. Upon termination of this Agreement, County shall compensate Netsync in accordance with § 3, above, for those Services which were provided under this Agreement prior to its termination and which have not been previously invoiced

to County. Netsync's final invoice for said Services will be presented to and paid by County in the same manner set forth in § 3 above.

- 17.5. If County terminates this Agreement as provided in this Section, no fees of any type, other than fees due and payable at the Termination Date, shall thereafter be paid to Netsync.
- 17.6. If County terminates this Agreement prior to the termination date, County shall not be subject to any early termination fee or other penalty.
- 17.7. Upon termination of this Agreement for any reason, if Netsync has any property in its possession belonging to County, Netsync will account for the same, and dispose of it in the manner the County directs.

18. Notices.

- 18.1. Each party giving any notice or making any request, demand, or other communication (each, a "Notice") pursuant to this Agreement shall do so in writing and shall use one of the following methods of delivery, each of which, for purposes of this Agreement, is a writing: personal delivery, registered or certified mail (in each case, return receipt requested and postage prepaid), or nationally recognized overnight courier (with all fees prepaid).
- 18.2. Each party giving a Notice shall address the Notice to the receiving party at the address listed below or to another address designated by a party in a Notice pursuant to this Section:

- 18.3. A Notice is effective only if the party giving or making the Notice has complied with subsections 18.1 and 18.2 and if the addressee has received the Notice. A Notice is deemed received as follows:

18.3.1. If the Notice is delivered in person, or sent by registered or certified mail or a nationally recognized overnight courier, upon receipt as indicated by the date on the signed receipt.

18.3.2. If the addressee rejects or otherwise refuses to accept the Notice, or if the Notice cannot be delivered because of a change in address for which no Notice was given, then upon the rejection, refusal, or inability to deliver.

19. **Severability.** If any provision of this Agreement is determined to be invalid, illegal, or unenforceable, the remaining provisions remain in full force, if the essential terms and conditions of this Agreement for each party remain valid, binding, and enforceable.

20. **Remote Access.** As applicable, if Netsync requires remote access to County Systems for support, installation, integrations, configurations, and/or maintenance of Netsync's Services, except as otherwise agreed by the parties and approved by the County's Director of Information Technology and Chief Information Officer in writing, the below requirements must be met before Netsync is granted remote access to County Systems:

- (A). Netsync will adhere to the restricted and monitored channels that are provided by the County, or other technologies approved in advance in writing by the County's Director of Information Technology and Chief Information Officer.
- (B). Netsync will neither implement nor deploy a remote access solution which bypasses and/or is designed to bypass County provided or approved controls. Netsync will not access County Systems via unauthorized methods.
- (C). Netsync's remote access to County Systems will only be requested and activated on as-needed basis and disabled when not in use.
- (D). Remote access is restricted only to County Systems necessary for Netsync to provide Services to County pursuant to this Agreement.
- (E). Netsync will allow only its Workforce approved in advance by County to access County Systems. Netsync will promptly notify County whenever an individual member of Netsync's Workforce who has access to County Systems leaves its employ or no longer requires access to County Systems. Netsync will keep a log of access when its Workforce remotely accesses County Systems. Netsync will supply County with evidence of access logs concerning remote access to County Systems upon written request from County. Such access logs will be provided to County, within three business days from the date of County's request. These requests may be used to confirm compliance with these terms and/or to investigate a security incident.
- (F). If any member(s) of Netsync's Workforce is provided with remote access to County Systems, then Netsync's Workforce will not remotely log-in to County Systems from a public internet access device (e.g., airport computer terminal, or Internet café). This is due to the possibility of sensitive information being monitored by video or computer surveillance in public areas.
- (G). Failure of Netsync to comply with this Section may result in Netsync and/or Netsync's Workforce losing remote access to County Systems. County reserves the right at any time to disable remote access to protect County Systems.

- (H). For purposes of this Section, "Workforce" means employees, agents, subcontractors (where permitted), and/or other persons whose conduct, in the performance of work for Netsync, is under the direct control of Netsync, whether or not they are paid by Netsync and who have direct or incidental access to County Systems.
- (I). For purposes of this Section, "Systems" means any: (i.) computer programs, including, but not limited to, software, firmware, application programs, operating systems, files and utilities; (ii.) supporting documentation for such computer programs, including, without limitation, input and output formats, program listings, narrative descriptions and operating instructions; (iii.) data and/or media; (iv.) equipment, hardware, servers, and/or devices; and/or (v.) network(s).
