This conveyance is subject to all covenants, conditions, restrictions, reservations and encumbrances and all other matters of record in the herein referenced county, to the extent they are currently in force and effect and currently affect the herein described Property and to all charges, obligations and continuing liens securing the payment of any property assessment of record in the herein referenced county, to the extent the same are applicable to and enforceable against the Property, and further subject to all laws, rules and regulations of any governmental authority insofar as the same are valid as to and affect the Property.

Conveyance of this Property is subject to the following covenants, which shall be deemed covenants running with the Property:

(e) Grantee has agreed that it will not destroy the residence previously occupied by Grantor and located on the Property, but such residence may be altered or remodeled for some use such as utilization as a park office, a recreational facility or a meeting room for members of the public, or public organizations. To the extent any tax authority having jurisdiction over the Property attempts to assess a rollback tax, Grantee will indemnify Grantor from any such additional rollback tax.

Grantor, for the consideration and subject to the reservations from and exceptions to conveyance and warranty, grants, sells and conveys to Grantee the property, together with all and singular, the rights and appurtenances thereto in anywise belonging, to have and to hold it to Grantee, Grantee's heirs, executors, legal representatives, successors or assigns forever.
