A. Description of Partner Agencies

TXFNE: Forensic Center of Excellence (FCE):

Texas Forensic Nurses Examiners: Forensic Center of Excellence (FCE) is a 24/7 service center offering medical Forensic Exams, Adult Forensic Interviews, Advocacy and Counseling Support

for survivors of sexual assault of all ages, intimate partner violence, human trafficking, child abuse and elder maltreatment. Through a coordinated community response, FCE empowers victims of violence, promotes healing and creates innovative and comprehensive solutions to fill gaps in victim services.

Fort Bend County/Fort Bend County District Attorney's Office:

Fort Bend County, Texas, a body corporate and politic, acting by and through its Commissioners Court, herein after referred to as "Fort Bend County," and acting for the Fort Bend County District Attorney's Office, herein after referred to as "Fort Bend County District Attorney's Office," pursuant to the Interlocal Cooperation Act, Texas Government Code, Chapter 791, and sometimes referred to as Party or Parties.

Fort Bend County Women's Center:

The Fort Bend County Women's Center is a shelter and support organization dedicated to helping survivors of domestic violence and sexual assault, offering free services such as a 24-hour crisis hotline, emergency shelter, counseling, legal advocacy and long-term case management. It provides not only immediate safety — with secure, discreet lodging for women (and their children) fleeing abuse — but also assistance in rebuilding their lives, including help with housing, life skills, and support for children (school, mentoring, emotional care).

Law Enforcement Agencies (Fort Bend County Sheriff's Office, Missouri City Police Department, Richmond Police Department, Rosenberg Police Department, Stafford Police Department and Sugarland Police Department):

Provides law enforcement services across incorporated and unincorporated areas and partners victim safety, criminal investigations, and justice engagement.

B. History of the Collaboration

FCE and the Fort Bend County have had a long-standing working relationship. FCE launched in 2019 and began caring for victims of violence. DA Middleton and the Fort Bend County Judge were advocates and spoke at the FCE press conference announcing the launch of the FCE community based forensic model which brought forensic nursing services to various local fort bend county hospitals in 2019. FCE and the listed partners within this MOU has a longstanding collaborative relationship, each strengthening the response to the care of victims of violence as well as ensuring offenders are held accountable.

C. Development of Application

In 2024, discussion of bringing a location for the AFI program to Fort Bend County began with several discussions taking place over the past few months. The need for a clinic location for victims to have an alternative to a hospital-based exam was also expressed. Both parties discuss the benefits of colocation and the possibilities of partnership for improving access to services for victims of violence in Fort Bend County.

D. Roles and Responsibilities

FCE strives to improve the health and outcome of those affected by childhood sexual assault by providing trauma-informed medical care and fulfilling the judicial system need to collect evidence and document assault findings. FCE provides comprehensive medical forensic care to victims of human trafficking and child abuse.

NOW, THEREFORE, it is hereby agreed by and between the partners as follows:

TXFNE: Forensic Center of Excellence (FCE):

Roles and Responsibilities

Victim Service Center: Project Leader

FCE will provide a shared space for parties involved in victim's journey through the criminal justice system to co-locate and provide comprehensive assistance for victims of violence in Fort Bend County.
